

REPORT OF THE 2009/2010 GRADUATING CLASS

This report reflects the status of the University of Wisconsin-Parkside graduates approximately 9 months after graduation and includes the classes of December 2009, May and August 2010. There were 573 graduates receiving Bachelor's Degrees and 36 receiving Master's Degrees. A summary for all degrees is given on page iii. The 38 graduates having more than one major or concentration were counted under each category. Information for each major and graduate program begins on page 1. The survey of the graduates was conducted online, by mail, and follow-up phone calls. These efforts resulted in a response from 326 members of the class (54%).

Of those responding,
81% were employed
9% were unemployed
10% were unemployed by choice

Of those employed
73% were full-time
27% were part-time
31% did not change employers
18% did not change jobs upon graduation
13% received a promotion, salary increase or change in responsibilities

Of those employed, 34 are in graduate/professional school and 13 are continuing their education at other levels. Of those unemployed by choice, are in graduate/professional school and 2 are continuing their education at other levels. Of those unemployed, 4 individuals are in graduate/professional school and 3 are continuing their education at other levels.

MASTER'S DEGREES

The survey of the 36 graduates receiving Master's Degrees in Business Administration, Applied Molecular Biology, and Computer and Information Systems was conducted online, by mail and follow-up phone calls. This resulted in a response from 15 members of the class (42%). Of those responding, 14 are employed, 7 did not change employers, and 6 received a promotion, salary increase or change in responsibilities upon graduation.

GRADUATE/PROFESSIONALSCHOOLS

Of those responding, (16%) are pursuing a variety of programs. A listing begins on page 41. In addition, 5% are continuing their education at other levels.

EMPLOYERS

For those reporting full-time employment, the geographic distribution of employers is as follows: 60% Southeastern Wisconsin, 17% other Wisconsin, 6% Northeastern Illinois (excluding Chicago), 7% other Illinois, and 10% nationwide and international. A listing of organizations begins on page 43.

FINDING EMPLOYMENT

The class was asked how they learned about their positions. Of those responding, 27% were internet/job board, 24% family or friends, 17% experience with employer, 12% direct application to employer, 4% faculty referral, 3% Career Center job posting, 2% employment/temporary agency, 3% newspaper advertisement, and 8% other.

SALARIES

As only 106 graduates working full-time reported salaries, the data has been grouped as follows:

<u>College of Arts & Science</u>	<u>School of Business & Technology</u>	<u>MA/MS</u>
N = 64	N = 34	N = 8
Range: \$8,000 - \$67,000 \$70,000	Range: \$21,000 - \$95,000	Range: \$30,000 -
Median: \$27,000	Median: \$40,000	Median: \$50,000

Caution should be used in using this salary information since many graduates do not change jobs or employers upon graduation.

The Academic Advising and Career Center has a variety of services available to graduating students. These include: help in identifying a career goal and skills assessment, assistance with job search techniques and identifying potential employers, information on employers and graduate/professional schools, resume referrals, job vacancy postings and on-campus recruiting.

Questions regarding services and this report should be directed to;
