*Please note that the group health insurance uniform benefit covers an annual vision exam at 100% for each covered member.

+You must already have the basic EPIC Benefits+ plan in force, or you must now enroll in the basic EPIC Benefits+ plan, to be eligible to elect the EPIC Benefits+ Vision insurance. You cannot cancel or remove eligible dependents from the Vision insurance in the future without also cancelling the basic EPIC Benefits+ plan or removing the dependents from the basic EPIC Benefits+ plan.

If you are already enrolled in, or now enroll for, the EPIC Benefits+ plan but do not elect the Vision insurance, you still have a 20% vision discount benefit through the plan when you use the Davis Vision network in 2011.
