

UW-Parkside Music Department Student Recital/Performance Lab Guidelines and Requirements

Every music major must perform on either a student recital or a performance lab each semester of enrollment in applied music for the primary instrument. Failure to do so will result in the lowering of the semester grade in that applied area by one letter grade.

Each student will be assigned a lab or recital date at the beginning of the semester. The assigned date may only be changed due to student illness or other extenuating circumstances. Lack of preparation will not be accepted as a satisfactory reason for changing the recital/lab date.

Any changes in the recital date must be reported by the student to the following:

- applied instructor
- James McKeever, Assistant Chair of the Music Department
- Karen Sorensen, concert coordinator

The student is responsible for making sure that all parties are informed.

A Student Recital/Performance Lab Application Form is available on-line at <http://www.uwp.edu/departments/music/academics/perf-application.pdf> . All information must be completed and submitted as soon as your performance is scheduled.
