Priority Registration Time Assignments for Degree-seeking students begin November 26.

Non-degree-seeking student registration begins January 10.

SOLAR SYSTEM HOURS

The Solar System is normally available 24 hours a day, every day.

For registration information or assistance during office hours, call (262) 595-2284.

Registration approval may be required for individual classes.

PASSPORT TO PARKSIDE – Activate Your Online Account

A UW-Parkside email account is created for every student upon admission. **Students should activate this account immediately.** Communication via email is an essential part of your success at UW-Parkside.

1. Go to www.uwp.edu Keyword: **Ranger Mail**
2. Click on “New to UW-P?”
3. Enter the **UW-Parkside Login ID** sent by the Admissions Office.
4. Create your password
5. Return to the Ranger Mail sign-in screen and add a Reset Question and Answer.

Please remember your ID and password. You will need to enter this ID and password to access the Solar System, register for classes and use other online services.

ID and Password set-up can be done in any campus computer lab (WYLL D150, MOLN 115, 117, 118, 124 or 318).

For assistance with login contact the **UWP Help Desk at (262) 595-2444**, or stop in the Computer Lab on the D-1 level of the Library.

- **You have written permission** to add classes with overlapping start or end times, or to register for more than 20 credits.

PREPARE BEFORE REGISTERING!

ADVISING

Degree-seeking students must consult with their assigned advisor before registering for classes in the Fall and Spring semesters.

Undergraduate Advising: All UW-Parkside degree-seeking students are assigned an academic advisor. Students with declared majors are advised by faculty members in those programs. Undeclared students are assigned advisors by Advising Center staff, WYLL 107. Students should meet regularly with their advisors to discuss educational and career goals, general degree and program requirements, and course selection and schedules. Advising is not required for Summer or Winterim registration.

It is the student's responsibility to initiate contact with their advisors. Students with declared majors may get information concerning faculty advisor office hours and telephone numbers from the adviser's department office. Students who have not declared a major may contact the Advising Center.

Logon to the SOLAR System

Go to the **UW-Parkside** home page (<http://www.uwp.edu>), QuickLink: “**SOLAR**”. The SOLAR logon page will appear, enter your SOLAR logon ID and password. (Note: this is the same logon ID and password you use for your UW-Parkside email account.) Click the “Sign In” button. A successful logon will take you to your SOLAR home page which contains links to all student related services and information.

NEED HELP? Visit the SOLAR SYSTEM HELP Page

Students are encouraged to view the online HELP tutorials which contain important information and comprehensive instructions on using the SOLAR System. You can reach these HELP tutorials in various ways: [http://www.uwp.edu/](http://www.uwp.edu) Keyword: **SOLAR HELP**, by using the **Need Help?** link on the SOLAR logon page or by clicking the **Help** link in the upper right hand corner of various SOLAR pages.

Tutorials are available at this location for the following topics: Change Your Password, Student Center, My Class Schedule, Add a Class, Drop a Class, Grades, Exam Schedule, Swap a Class, Holds, Unofficial Transcript, Enrollment Dates, Advisor and Wait List.

If you are unable to view these tutorials or have other SOLAR questions, call the Help Desk at (262) 595-2444 or stop in the Computer Lab, D-1 level of the Library.

HOLDS

You will not be allowed to register if you have a "hold" (negative service indicator) on your record. However, *SOLAR* will allow you to proceed through most of the enrollment process before giving you an error message indicating that you have a hold. To avoid this frustration, review your hold status before attempting to register.

To view your holds, go to your Student Center in SOLAR. Holds are displayed at the far right side of the screen. Depending on your screen resolution, you may need to scroll over to the right. Any holds on your record will be listed here. You can click on the “details” link for more information.

Days, Times, Instructor and Location are subject to change.

REGISTRATION INSTRUCTION NOTES

CLASS NUMBERS AND STATUS

Class Numbers: to prepare before registering, locate the Class Numbers of your selected classes and those of possible alternate classes from the web or printed class schedule.

Class Status: to verify that the classes you selected are available before attempting to register, Go to your Student Center in SOLAR and select Class Search, select the Course Subject from the Search for Classes drop-down box and enter the Course Number in the appropriate box and press the Search button. *NOTE: only open classes will be displayed. To see the status of all classes, remove the check mark from the Show Open Classes Only box.* Find the appropriate class section on the list of classes and check the Status column for Open, Closed or Wait Listed. If your class is closed, select a comparable class from the class schedule and check its status or select a different course.

ADD/DROP/SWAP: use the tutorial referenced earlier for instructions/help.

Note: When changing terms you must click the “Change” button.

LAB AND/OR DISCUSSION SECTION(S): when enrolling for a class with a linked lab and/or discussion the system will automatically display the Class Enrollment Options screen. Enter the Class Number for the lab and/or discussion section in the appropriate “Related Component” box or use the  (search icon) to display available sections. Unfortunately, you cannot view the day or time of the section from this screen, make note of the section you want when you select the lecture.

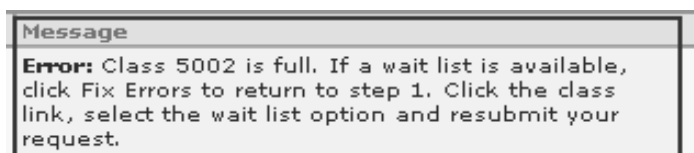

Note: Instructions regarding this are also available in the “Add a Class” tutorial.

VARIABLE CREDIT: when enrolling for a variable credit class the system will automatically display the Class Enrollment Options screen. Enter the number of units you have been approved to take within the allowed unit range (detailed in the text to the right of the Units box) and click the OK button.

WAIT LISTS

There is a SOLAR HELP tutorial available for you at <http://www.uwp.edu/> Keyword: **SOLAR HELP**.

When you are adding a class that is closed you will receive an error message (as indicated below) in step three of the process.

To add yourself to the wait list, follow the instructions and click the “Fix Errors” button, click on the class link for the course in question and choose the “Wait List if Class is Full” option (check the box). Then proceed through the enrollment steps.

To utilize the wait list option for a course that you know or anticipate is closed, you need to “Add a Class” using the Class Search option. You will need to 1. indicate on the Search page that you want to view all classes by taking the check mark off of the “Show Open Classes Only” option and 2. when selecting a class be sure that the “Wait List if Class is Full” option is checked.

Placing yourself on a wait list does not imply or guarantee enrollment in the class and you will not receive credit unless you officially register.

You may automatically be registered if you are on a wait list and the class reopens. Periodically check your class schedule on SOLAR. You will only be registered if no errors occur during wait list processing (time conflict, hold on your record etc.). If you are not enrolled through this process, and you still want the class, you must obtain a Permission Number from the class instructor and use it to officially add the class by appropriate deadline to add with permission.

Waitlists expire and may be removed after classes begin.

YOU WILL NOT BE BILLED FOR WAIT LISTED CLASSES.

Check the SOLAR System or contact the Cashier’s Office for your account balance after you have been added to a class from the wait list.

CLASS PERMISSION NUMBERS

Instructor Consent

An instructor may allow registration in a closed or restricted class by issuing a Class Permission Number.

A permission number grants you special enrollment status in a specific term, course and section; a permission number is available **ONLY** from the faculty member teaching the course and section; and it can only be used once. You will need to get a permission number if:

- the course schedule (or SOLAR) indicates that you need the “consent of the instructor” to enroll, or
- you have been on the waiting list for a course and have now been given permission to enroll.

CAUTION: Permission numbers must be used before the date listed in the Semester Deadlines (pg 1). Permission numbers may only be used once, and they may only be used for the term, course and section assigned. Classes with labs or discussion sections, and courses taken for audit, must be handled only with Add/Drop slips signed and turned into the Office of the Registrar/Student Records.

If you have any difficulty using your permission number and cannot make contact with the instructor, contact the Help Desk at (262) 595-2444 or stop in the Computer Lab, D-1 level of the Library or contact the Office of the Registrar/Student Records.

HOW TO REGISTER USING A PERMISSION NUMBER

If you are registering for a restricted class needing instructor permission, follow the steps to Add a Class. After selecting the class by clicking on the “Select Class” button, you will see a box at the top of the screen under Class Preferences where you enter your Permission Number.

If you are wait listed for a course and have been given permission to register, you will first need to drop the wait listed class before following the process to add the class in the manner described above.

YOU ARE RESPONSIBLE for the accuracy of your class schedule and are legally obligated to pay all tuition and fees associated with your schedule of classes.

ALWAYS TERMINATE YOUR SOLAR SYSTEM SESSION and close your browser.

REGISTRATION POLICIES

It is the responsibility of the student to officially add, drop or withdraw from each class. Do not expect an instructor or anyone else to add, drop, withdraw or remove you from a class. PLEASE REFER TO THE IMPORTANT SEMESTER DEADLINES (pg 1).

ADDING A CLASS

During the first week of the semester, a student may add any course for which he/she has met the prerequisites. During the second week, appropriate courses may be added with the permission of the instructor. Beginning with the third week, a course may not be added. The Registrar's Office will determine comparable deadlines for courses less than a semester in length or summer session courses.

DROPPING A CLASS

A student may drop any course during the first half of the semester. The Registrar's Office will determine comparable deadlines for courses less than a semester in length or summer session courses. **After the deadline, a student may request permission to drop a course only for extraordinary, non-academic reasons. Any such request must be submitted no later than the last day of instruction.** Before requesting permission to drop, the student should discuss his/her circumstances with the instructor. Refer to the current catalog for additional information.

IMPORTANT – Dropping a course after the drop fee date for that course will result in the assessment of a \$15 per credit hour drop fee. Refer to the Important Semester Deadlines section (pg 1) for some drop fee deadlines.

A student who never attends (or stops attending) a course in which he/she has enrolled and who does not drop the course through the appropriate office will receive a failing grade.

A student who drops a course after the fourth week of a semester will receive a transcript notation of "W." (In the case of module or summer session courses, the W notation will be applied if the drop occurs after one-third of the course period has passed.)

WITHDRAW FROM THE UNIVERSITY

(by dropping all classes)

A student may withdraw from the university during the first half of the semester. The Registrar's Office will determine comparable deadlines for courses less than a semester in length or summer session courses. **After the deadline, a student may request permission to withdraw only for extraordinary non-academic reasons. Any such request must be completed by the last day of instruction in that term.** The request must include a written explanation of the circumstances leading to the request and documentation, if appropriate. Any such requests are to be submitted to the Advising Center for appropriate action. **Students may not request a withdrawal from a completed semester.**

DROPPING A CLASS OR WITHDRAWAL FROM THE UNIVERSITY MAY RESULT IN A FINANCIAL OBLIGATION FOR TUITION AND FEES, AND MAY NECESSITATE REPAYMENT OF FINANCIAL AID.

In addition, Federal and State regulations for financial aid require a refund calculation to occur for financial aid recipients through the 60% point of the term. Contact the Cashier's and Financial Aid Offices for information.

CREDIT HOUR LIMIT

A student may not enroll for more than 20 credits for the Fall or Spring semester or 12 credits for the Summer term (credit and audit combined), without prior approval from the Director of Advising. Generally, permission to register for a credit overload will not be granted unless the student has earned a GPA of at least 3.0 at the end of the most recent semester with at least 14 completed credits.

AUDIT A CLASS

A class audit is allowed on a space available basis and only with the approval of the instructor.

AUDITING OF CLASSES BY SENIOR CITIZENS

State law exempts Wisconsin residents who are sixty or more years of age from payment of fees for auditing UW-Parkside classes.

AUDIT REGISTRATION CAN NOT BE DONE ON SOLAR BUT MUST BE DONE IN PERSON IN THE STUDENT RECORDS OFFICE, WYLL D189.

CREDIT TO AUDIT OR AUDIT TO CREDIT

During the first week of a semester class, students may change a class from credit to audit or audit to credit; during the second week, only with a permission number. Beginning with the fifth week (1/3 of a module class or summer session course), a student may not change from credit to audit.

TRANSFER INFORMATION SYSTEM (TIS)

The Transfer Information System (TIS) provides course equivalencies, courses that meet general education requirements, and other important information for transferring coursework within the University of Wisconsin System (both the four-year UW campuses and the two-year UW Colleges) and Wisconsin Technical College System institutions. TIS is available via the Internet through the UW-Parkside Website or at www.uwsa.edu/tis and may be accessed at UW-Parkside in the library's computer lab, in MOLN 115 and in MOLN 118.

FINAL EXAM SCHEDULE

Exams are normally held in the same room in which the class normally meets, unless changed by the instructor. Final examinations must be given at the assigned time, unless prior permission of the Department Chair and Dean is secured. Contact the Office of the Registrar with questions regarding the exam schedule.

FINAL GRADES

Final grades may be viewed as they are submitted on SOLAR through the "Grades" link on your Student Center page. Classes from the selected semester will be listed along with the grade assigned to each class. Summary grade information is also displayed at the end of the report. **FINAL GRADES WILL NOT BE MAILED!!**

You will not be able to view your grades if you have a hold on your record which prevents the release of grades and transcripts.

UNOFFICIAL TRANSCRIPTS

Unofficial transcripts are also available through self service on SOLAR through the "other academic" drop down box on your Student Center page. Final grades will be available as they are submitted.

You will not be able to view your transcript if you have a hold on your record which prevents the release of grades and transcripts.

Cultural Events, Activities and Student Services

Come Join us!

The Office of Multicultural Student Affairs (OMSA) is open to all students, faculty and staff. We recognize cultural and group diversity as well as similarities. We foster a multicultural education that enriches students' lives by helping them appreciate who they are, where they come from and the beautiful visions of what they are capable of achieving. Located in WYLL D182, we provide cultural programming, the Always Reach Upward mentorship program, study area, computer lab and much more. Call (262) 595-2731.

All fee information is available on the Cashier’s Office Website at www.uwp.edu/admin/cashiers.office. Students may stop by the Cashier’s Office, WYLL D193, call (262) 595-2258 or email cashiers.office@uwp.edu for more information.

PAYMENT OF FEES

1. Initial fee statements will be mailed and e-mailed on a daily basis for students who register before the first week of classes. Students can also check their balances on the SOLAR System under “Finances”. Failure to request a fee statement does not exempt a student from late fees if applicable. Fee statements do not include “Wait Listed” classes.
2. If your tuition and fees are being paid by an agency or employer, make certain that you have the authorization letter submitted to the Cashier’s Office by February 4, 2008. Students who submit authorizations after that date will be liable for late fees.

3. Tuition, housing, and food service fees may be paid by mail at: U.W. Parkside, Cashier’s Office, 900 Wood Rd., Box 2000, Kenosha, WI 53141-2000, or at the Cashier’s Office, WYLL D193. Tuition/Fees may also be paid on the SOLAR system.

Office hours for the Cashier’s Office are listed below:

Monday & Thursday 7:45am-6:00pm
 Tuesday, Wednesday, & Friday 7:45am – 4:30pm

4. The last day for payment in full of tuition, and housing, food service fees (including charges for late starting modular classes) without the Assessment for Administrative Expense is February 4, 2008. Please pay by cash, personal check, cashier’s check or money order made payable to UW-Parkside. Please put the student’s ID number (SID) on the check. The Cashier’s Office does not accept starter checks or checks without a preprinted name and address. Payments made in the Cashier’s Office drop slot must be in by February 4, 2008 to avoid late charges. If payment is mailed, the envelope must be postmarked no later than February 4, 2008 to be considered on time. You may also pay online on the SOLAR System with a credit card or e-check. A convenience fee will be charged when you pay with a credit card or e-check online. **Credit Card Payments are not accepted at the office or by phone.**

If your classes begin prior to the normal start date for the semester, your tuition is due by Friday of your first week of class. Failure to pay tuition by the scheduled due date will prevent: a) registering for future semesters, b) making schedule changes, c) getting official transcripts or grades, and d) checking materials out of the library. Students with the housing food plan may also find that their meal card has been canceled for non-payment of fees.

Note: **YOU ARE NOT CHARGED FOR WAIT LISTED CLASSES UNTIL YOU HAVE BEEN ADDED INTO THE CLASS. Check the SOLAR System or contact the Cashier’s Office for your account balance after you have been added to a class from the wait list.**

ASSESSMENT FOR ADMINISTRATIVE EXPENSES (LATE CHARGES)

For All Students Who Have NOT Paid Tuition/Fees in Full or Paid the Down Payment with TMS.

Beginning February 5, 2008, a \$5.00 per credit fee to a maximum \$60.00 will be charged to all unpaid accounts and a 1% per month delinquency charge (interest) on their unpaid balance will begin to accrue. A HOLD will remain on the student’s record until the account is paid in full. The University reserves the right to assess late charges to students who manipulate their registrations to avoid late charges.

FINANCIAL HOLDS PREVENT REGISTRATION

Before a student can register for any semester, all past financial obligations must be paid in full. This includes but is not limited to fees and tuition, unpaid book loans, library fines, parking fines, student loans, and athletic equipment not returned.

TUITION, HOUSING, FOOD SERVICE PAYMENT PLANS

Payment Plans are available through Tuition Management Systems. You can access their link at <https://www.afford.com/uwp> or call 1-800-356-8329.

All fee information is available on the Cashier's Office Website at www.uwp.edu/admin/cashiers.office. Students may stop by the Cashier's Office, WYLL D193, call (262) 595-2258 or email cashiers.office@uwp.edu for more information.

AUDIT POLICY

Students registered for audits **only** (not for credit) will be charged at the audit rate. Audits may be taken at no charge if:

1. The student is receiving SSI Disability Benefits. Bring proof of benefits to the Cashier's Office by February 4, 2008.
2. The student is 60 years of age as of January 22, 2008 and a resident of Wisconsin.

EXCESS CREDITS POLICY

Effective FALL 2005, all resident undergraduate students who have accumulated 165 credits or 30 credits more than required by their degree programs (whichever is greater) will be assessed a surcharge equal to 100 percent of the regular resident tuition, on credits beyond that level.

ZERO CREDIT COURSES

A course taken for zero credit will be charged for one credit as mandated by UW-System Fee Policy.

INCOME TAX CREDIT

Students and/or parents may be eligible for tax credits relating to some tuition expenditures. Form 1098-T will be mailed to the student in January 2009. If you have questions regarding the HOPE Scholarship or Lifetime Learning Tax Credit for income tax purposes, please contact your tax preparer, CPA, or visit the Website: <http://www.irs.ustreas.gov>. Per IRS regulations, the University will not manipulate Financial Aid disbursements and/or payments to meet individual requests.

PARKING

Parking on University properties is controlled and allowed by permit only. Parking permits are required at UW-Parkside and must be displayed on vehicles at all times.

Students may purchase their permits on the SOLAR System and pick them up at the UW-Parkside Police Department located in Tallent Hall. Call (262) 595-2455 with any questions.

Commuter Student Semester Permit \$ 55.00
 Residence Life Student Permit..... \$..55.00

FINANCIAL AID AND PAYMENT OF FEES

All grants and loans will be electronically transferred to a student's individual tuition account, assuming all eligibility criteria have been met. Refunds for credit balances will be processed beginning January 16, 2008.

Any questions regarding fees or payment information should be addressed to the Cashier's Office, (262) 595-2582 or (262) 595-2258.

FINANCIAL AID DISBURSEMENTS AND CREDIT LEVEL

For undergraduates, most funds will not be disbursed unless your enrollment is at least 6 credits. If you are enrolling for less than full-time status, you should contact the Student Financial Aid Office to ensure that your aid is adjusted. Your enrollment level at the end of the 100% refund period will be used to determine award levels if a financial aid application is on file at that time.

You may be eligible for Financial Aid!

UW-Parkside has an array of grants, scholarships, loans, and employment opportunities available to help students meet the cost of education.

Apply on-line at: www.FAFSA.ed.gov

For scholarships, call 262-595-3245.

FINANCIAL AID AND SCHOLARSHIPS

UW-Parkside offers Federal, State, and institutional grants, scholarships, loans, and employment to help students pay the cost of education. The majority of funds are awarded after a completed FAFSA form has been received, with applications filed each year. Students must adhere to Federal and State Aid academic progress standards, both qualitative and quantitative. For example, students must have a 2.0 cumulative GPA. In addition, all part-time and full-time students must maintain a quantitative measurement standard. For more information go to the financial aid website; www.uwp.edu, click on the Financial Aid quick link.

NEED A JOB?

We can help you find a career or a job.

The Career Center, WYLL D173, offers a variety of services designed to assist you in all stages of your career development. Explore the selection of majors, occupations and graduate schools; investigate internship, part-time, and volunteer opportunities or full time employment after graduation.

STUDENT SUPPORT SERVICES

Student Support Services is a program dedicated to helping first generation, low income and/or disabled students stay in college and earn a baccalaureate degree. The program is funded by the U.S. Department of Education, and is recognized nationwide as one of five TRIO programs. Their mission is to promote student retention and graduation within a supportive community by providing educational opportunities, giving attention to individual needs and emphasizing academic excellence. Student Support Services sponsors the Summer Bridge program, an academic enrichment program for incoming first year students of UW-Parkside and designed to enhance a student's math, English, and general college skills to prepare for a successful first year of college. Student Support Services is located in WYLL D175 at 262-595-2726.

RIGHT TO WITHHOLD INFORMATION

The University receives many inquiries for directory information. Under the law, you can request that UW-Parkside withhold all items of directory information. However, should you decide to withhold this information, please consider the potential consequences very carefully. All requests, however legitimate, (i.e.: from prospective employers, licensing agencies) will be refused. UW-Parkside cannot assume the responsibility for contacting you for permission to release the requested information. Regardless of the effect upon you, the UW-Parkside assumes no liability for honoring your instructions that such information be withheld. If you wish to do this, you must file a form in the Office of Student Records. The Registrar will then take the steps necessary to comply with your wishes as soon as possible. The form is valid until revoked, in writing, by you.

You have the right to withhold directory information!

Consider this step carefully as doing so may prevent your name from being printed in the graduation program, Dean's list and other publications.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT OF 1974 AS AMENDED (FERPA)

Under this Act, you are entitled to review "official records, files, and data directly related to you" which the University maintains. You may request a hearing regarding any alleged "inaccurate, misleading, or inappropriate" information in your official records and files. The University will not release information from your records to a third party without your written consent except as permitted by Section 99.34, (a) (ii) of the Privacy Act. In accordance with this section, the University will forward your records when requested by a school in which you seek to enroll.

A challenge to information you deem erroneous or misleading should be made in writing and directed to the dean or director of the appropriate office so that a hearing can be scheduled. In most cases, the decision of the dean or director will be final. If you find the decision unsatisfactory, you may place a statement in your file setting forth any reasons for disagreeing with the decision. Your right to challenge information of record does not extend to review of grades received unless the grade assigned by your professor was inaccurately recorded in your records.

In addition, the FERPA designates "directory information" data that can be published or released routinely by the University to any inquirer. Directory information items are: name; address; telephone number; date of birth; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance to include current classification, and withdrawal dates; degrees and awards received; the most recent education agency or institution attended; initial registration date and email address.

DISABILITY SERVICES

UW-Parkside, in accordance with federal and state policies and its own ethical obligations, is committed to ensuring that students with disabilities are given appropriate accommodations that provide them the opportunity to meet academic requirements and to be successful members of the educational community. Students with documented disabilities are eligible for services during their tenure at the University. The form of documentation includes recent records and/or an evaluation from a physician, psychiatrist, psychologist, or licensed diagnostician, depending on the nature of the disability. Students with disabilities who desire accommodations should identify themselves to the Coordinator of Disability Services and are also encouraged to contact Student Health Services.

Accommodations available to students with disabilities include but are not limited to taped textbooks, interpreter service, enlarged materials, preferential seating, alternate test formats, taped tests, and note taker services. The policies and guidelines applying to nondiscrimination on the basis of disability are available from the following places: the UW-Parkside website, Disability Services, and the Health Center.

NON DISCRIMINATION STATEMENT

The University of Wisconsin-Parkside is committed to equal opportunity for all persons, regardless of race, color, sex, creed, age, ancestry, national origin, disability, sexual orientation, political affiliation, marital status, developmental disability, or arrest or conviction record in its education programs, activities, and employment policies.

SAFETY AND HEALTH POLICY

UW-Parkside will provide and maintain adequate facilities for a safe and healthy learning environment. It is the University's responsibility to work with faculty and staff so that they are equipped to educate their students on practices and procedures that ensure safety for all members of the University. Employees with instructional responsibilities are expected to comply with state and federal safety laws and regulations in their institutional areas. Certain courses and research projects require students to work with hazardous materials while engaging in academic studies. Instructors of these courses and research projects shall inform and train students on procedures that will maintain students' personal health and safety and provide them with information on the hazards of specific chemicals that will be used during their course of study. Furthermore, instructors will enforce and follow safety policies. Prior to use of hazardous materials and equipment, students will review the procedures and information, and discuss any associated concerns with the instructor.

RELIGIOUS OBSERVANCE ACCOMMODATION

1. State Law 36.43 provides that public educational institutions provide for the reasonable accommodation of a student's sincerely held religious beliefs with regard to all examinations and other academic requirements and also provide a means by which a student can conveniently and confidentially notify an instructor of potential conflicts.
2. A student with a conflict between an academic requirement and a religious observance must be given an alternative means of meeting the academic requirement, subject to the following:
 - a. To be granted an alternative means of meeting an academic requirement, students must notify their instructors, within the first two weeks of class, of specific days or dates on which they will request relief from an academic requirement. (The instructor must treat this information as confidential.)
 - b. Instructors are not obligated to schedule make-ups before regularly scheduled requirements.
 - c. Instructors may set reasonable limits on the number of days claimed by any one student.

GENERAL EDUCATION REQUIREMENTS

(Breadth of Knowledge - BOK IV)

These requirements are for students entering FALL 2005 and later. (TEDU students should contact program adviser for required BOK courses.).

If you first enrolled at UW-Parkside before FALL 2005, please contact the Advising Center for appropriate BOK requirements. For further information, contact the Advising Center in WYLL 107 or call (262) 595-2040.

STUDENTS - DID YOU KNOW?

You may be administratively dropped from your course(s) if you do not attend during the first week of classes or if you do not have the required pre-requisites.

However, you are ultimately responsible for dropping (or for making sure that you have been dropped from) your courses if you are unable to attend. Failure to attend and to drop appropriately will result in a failing grade and possible financial charges.

(See the “Dropping a Course” section in the catalog)

Degree & Enrollment Verification
 The Student Records Office receives many requests for enrollment status and degree verifications from students as well as outside agencies and employers. An official verification of the number of credits completed for a semester/term is required by many students. The most common reasons are for educational loan statements and for educational purposes. In addition, many current and potential employers require verification of degree completion.

Unless a student has requested in writing that all information be withheld, the following information will be released to outside agencies as persons are requested:
 • Dates of attendance
 • Degree/courses received
 • Enrollment status

Enrollment status is assessed according to the following:

	Undergraduate	Graduate
Full Time	12 or more credits 5 or more credits	9 or more credits
Half Time	6 - 11 credits	5 - 8 credits
Less Than Half Time	1 - 5 credits	1 - 4 credits

Summer Session

	Undergraduate	Graduate
Full Time	6 or more credits 5 or more credits	9 or more credits
Half Time	3 - 5 credits	3 - 4 credits
Less Than Half Time	1 - 2 credits	1 - 2 credits

Students may also request verification directly. Records Office completes a specific form for the degree/verification request form. The request must be in person, mailed or faxed. The student must provide the following information:

Requesting Student Information:
 • Name
 • ID Number
 • Address
 • Phone Number
 • Email Address
 • Social Security Number
 • Date of Birth
 • Date of Graduation
 • Degree/Courses Received
 • Enrollment Status
 • Reason for Request
 • Contact Information

Why UW-Parkside?

"At Parkside I got to work with some amazing, life-changing people. I also got to experience an amazing work environment provided by Parkside programs."
 —Heather Adams, Senior Business

"I was an average student in high school. I had a lot of energy but lacked direction. My first year at Parkside I took a few courses, did the homework and tried to figure out where I fit in. Sophomore year I got a lot of help. UW-Parkside's Office of Multicultural Student Affairs introduced me to a variety of programs to be involved in. I joined various clubs and became a student member. Lastly, I took advantage of all the Parkside learning opportunities. With the summer internship under the guidance of the Career Center, and PISA (Parkside Institute for Advancing Learning in Wisconsin, S.C.) it's a great honor for Parkside staff and faculty to support me. They were doing what I needed at the time. Now, some of this would have been possible."
