

Digital Storytelling

**Wednesday, November 18, 2009
12:00 – 12:50 p.m.**

Overlook Lounge-WYLL 275

Presenter:
Fay Akindes,
Communication Dept.

Digital storytelling combines technology and personal reflection into potentially compelling narratives. Still and moving pictures, written and recorded voiceover, and a soundtrack are layered into short stories, typically 2 to 5 minutes long.

This brown-bag will consider the possibilities of integrating digital stories in your classes, service-learning projects, and research. We will also discuss forming a UW-Parkside Digital Storytelling Group.

Light refreshments will be served.

Upcoming Events:

General Education Workshop: Preparing Course Assessment Packages
Friday, December 4, 12:00 – 4:00 p.m., Overlook Lounge-Wyllie 275

This Brown Bag session is sponsored by the Teaching & Learning Center.
