

# Screen Printing in SOLAR

[Internet Explorer](#)

[Firefox](#)

## Internet Explorer:

1. Navigate to the SOLAR page you would like to print
2. Right mouse click on the area you would like to print and select "Select All"
3. Select File -> Print Preview
4. In the Print Preview window, in the Select Content dropdown, select "As select on screen" and in the Change Print Size dropdown, select "Shrink to Fit"

The screenshot shows the Internet Explorer browser window with the print preview menu open. The menu options are 'As selected on screen' and 'Shrink To Fit', both of which are highlighted with a red border. The background page is the 'Self-Service Class Roster' for Aurelia Edmundson. The page title is 'Page 1 of 1'. The class roster is for 'HISTORY 100 - 1 (1796)'. Below the class information, there is a table of enrolled students.

## Firefox:

1. Navigate to the SOLAR page you would like to print
2. Right mouse clicking on the area you would like to print and select This Frame -> Print Frame

The screenshot shows the Oracle PeopleSoft University interface. The user is logged in as Aurelia Edmundson. The main content area displays the 'Class Roster' for 'HISTORY 100 - 1 (1796)'. The roster table lists enrolled students, with one student, Chavez, Angela, highlighted. A context menu is open over the table, and the 'Print Frame...' option is highlighted with a red box.
