Apply for MAY Graduation by MARCH 1

Graduates must apply by the deadline to be eligible for graduation this term. **Apply online @ www.uwp.edu, Keyword: graduation.** Students are encouraged to apply to graduate once they've completed 90 credits. *Questions?* email: GRADUATION@uwp.edu.

APPLYING FOR ADMISSION TO UW-PARKSIDE

Undergraduate Students interested in seeking a degree at UW-Parkside should contact the Office of Admissions at (262)595-2355 or online at www.uwp.edu. Applying online is the easiest and fastest way to get your application to UW-Parkside. Students who apply online will have their application in the very next business day.

Graduate students interested in a degree at UW-Parkside should begin by contacting the appropriate graduate program coordinator:

Master of Applied Molecular Biology	(262) 595-2744
Master of Business Administration	(262) 595-2280
Master in Computer & Information Systems	(262) 595-2314
Master in Sustainable Management	(262) 595-2490

DISABILITY SERVICES

UW-Parkside, in accordance with federal and state policies and its own ethical obligations, is committed to ensuring that students with disabilities are given appropriate accommodations that provide them the opportunity to meet academic requirements and to be successful members of the educational community. Students with documented disabilities are eligible for services during their tenure at the University. The form of documentation includes recent records and/or an evaluation from a physician, psychiatrist, psychologist, or licensed diagnostician, depending on the nature of the disability. Students with disabilities who desire accommodations should identify themselves to the Coordinator of Disability Services and are also encouraged to contact Student Health Services.

Accommodations available to students with disabilities include but are not limited to taped textbooks, interpreter service, enlarged materials, preferential seating, alternate test formats, taped tests, and note taker services. The policies and guidelines applying to nondiscrimination on the basis of disability are available from the following places: the UW-Parkside website, Disability Services, and the Health Center.

DEGREE AND ENROLLMENT VERIFY

The Office of the Registrar receives many requests for enrollment status and degree verifications from students as well as outside agencies and employers or potential employers.

Unless a student has requested in writing that all information be withheld, the following will be released to outside agencies or persons on request:

- Dates of attendance
- Degrees/Awards received
- Enrollment status

Outside agencies and other third parties needing to verify a student's *degree* should use **DegreeVerify** through National Student Clearinghouse.

PRIVACY OF STUDENT RECORDS AND FERPA

The Family Educational Rights and Privacy Act (FERPA) is a federal law which affords students certain rights with respect to their educational records. The intent of this Act is to protect the privacy of students and their records.

Under this Act, you are entitled to review "official records, files, and data directly related to you" which the University maintains. You may request a hearing regarding any alleged "inaccurate, misleading, or inappropriate" information in your official records and files. The University will not release information from your records to a third party without your written consent except as permitted by Section 99.34, (a) (ii) of the Privacy Act. In accordance with this section, the University will forward your records when requested by a school in which you seek to enroll.

A challenge to information you deem erroneous or misleading should be made in writing and directed to the dean or director of the appropriate office so that a hearing can be scheduled. In most cases, the decision of the dean or director will be final. If you find the decision unsatisfactory, you may place a statement in your file setting forth any reasons for disagreeing with the decision. Your right to challenge information of record does not extend to review of grades received unless the grade assigned by your professor was inaccurately recorded in your records.

In addition, the FERPA designates "directory information" data that can be published or released routinely by the University to any inquirer. Directory information items are: name; address; telephone number; date of birth; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance to include current classification, and withdrawal dates; degrees and awards received; the most recent education agency or institution attended; initial registration date and email address.

RIGHT TO WITHHOLD INFORMATION

The University receives many inquiries for directory information. Under the law, you can request that UW-Parkside withhold all items of directory information. However, should you decide to withhold this information, please consider the potential consequences very carefully. All requests, however legitimate, (i.e.: from prospective employers, licensing agencies) will be refused. UW-Parkside cannot assume the responsibility for contacting you for permission to release the requested information. Regardless of the effect upon you, the UW-Parkside assumes no liability for honoring your instructions that such information be withheld. If you wish to do this, you must file a form in the Office of Student Records. The Registrar will then take the steps necessary to comply with your wishes as soon as possible. The form is valid until revoked, in writing, by you.

IN-PERSON REGISTRATION

Register at the Office of the Registrar Service Counter (WYLL D189) for these special registration actions which require instructor consent:

- Auditing a class
- Independent Study and/or Internship
- Time Conflicts

RANGERMAIL - Activate your EMAIL account

A UW-Parkside email account is created for every student upon admission. **Students should activate this account immediately.** Communication via email is an essential part of your success at UW-Parkside. Go to www.uwp.edu Keyword: **Activate**

Please remember your ID and password. You will need to enter this ID and password to access the *Solar* System, register for classes and use other online services.

ID and Password set-up can be done in any campus computer lab (WYLL D150, MOLN 115, 117, 118, or 124). For assistance with login contact the **UWP Help Desk at (262) 595-2444, or stop in WYLL D150**

All email communication must be done with RANGERMAIL!

~ youruserid@ranger.uwp.edu ~

Note: UW-Parkside uses your RANGERMAIL to verify the identity of all students. All students are responsible for knowing and, when appropriate, acting on the contents of all university communications sent to the RANGERMAIL account.

PREPARE FOR REGISTRATION

24 hours a day, every day *

<https://www.uwp.edu> Keyword: *SOLAR*

Priority Registration for Degree-seeking students begins Monday, November 11

Registration for Non-degree-seeking students begins Monday, December 2

* System may be down periodically for maintenance and upgrades. Outages usually occur on Sunday mornings.

ADVISING

Degree-seeking students must consult with their assigned advisor before registering for classes in the Fall and Spring semesters. Advising is not required for Summer and Winterim registration, but is recommended.

SEE YOUR ADVISOR

It is the student's responsibility to initiate contact with their advisors. Students with declared majors may get information concerning faculty advisor office hours and telephone numbers from the advisor's department office. Students who have not declared a major may contact the Advising Center. Advisor information can be found in *Solar* Student Center.

CHECK YOUR ENROLLMENT APPOINTMENT TIME

Your Enrollment Appointment will be available through *Solar* Student Center. If you attempt to enroll prior to your Enrollment Appointment the system will prevent you from enrolling.

Logon to the *Solar* System

Go to the **UW-Parkside** home page (<http://www.uwp.edu>), Keyword: "*Solar*". Enter your UW-P Net ID and password. (Note: this is the same logon ID and password you use for your UW-Parkside email account.) Click the "Sign In" button. A successful logon will take you to your *Solar* home page which contains links to all student related services and information

NEED HELP? Contact the HELP Desk

Students with logon or password problems should contact the Help Desk at (262)595-2444 or stop at the Help Desk, WYLL D150.

Students with REGISTRATION problems or questions may also contact the Office of the Registrar (262)595-2285 or come to the service counter, WYLL D189.

NOTE: If you are experiencing difficulties, you must contact the Office of the Registrar immediately. Failure to do so may have financial implications due to missed deadlines.

REGISTRATION HOLDS

You will not be allowed to register if you have a “hold” (negative service indicator) on your record. However, *Solar* will allow you to proceed through most of the enrollment process before giving you an error message indicating that you have a hold. To avoid this frustration, review your hold status before attempting to register.

To view your holds, go to your Student Center in *Solar*.

Holds are displayed at the far right side of the screen. Depending on your screen resolution, you may need to scroll over to the right. Any holds on your record will be listed here. You can click on the “Details” link for more information.

SELECTING YOUR CLASSES

ONLINE COURSE SCHEDULE

The online course schedule is a web-based searchable schedule of courses providing a broad spectrum of course information including the ability to browse course sections offered each term. It is updated nightly at midnight. Course listings in the online course schedule will always be more current than the printed or PDF versions of the course schedule. Access the online course schedule on the Office of the Registrars’ website. www.uwp.edu Keyword: Registrar Click: **COURSE SCHEDULES**.

Class Numbers: locate the class numbers of your selected classes and those of possible alternate classes from the web or printed class schedule.

Class Status: to verify that the classes you selected are available before attempting to register, go to your Student Center in *Solar* and do a [Class Search](#). Enter the Course Subject and Course Number. To view all classes remove the check mark from the [Show Open Classes Only](#) box. A class/section listing will be displayed with the class/section status.

Lab and/or Discussion Section(s): when enrolling in a class with a linked lab and/or discussion the system will prompt you through the process of choosing the corresponding Lecture/Lab/Discussion. **Each section must be open to successfully complete the registration process.** If any one of the sections you select is closed you will be waitlisted for all parts of the course.

Variable Credit: when enrolling for a variable credit class the system will allow you to enter the number of units you have been approved to take within the allowed unit range.

DEGREE AUDIT REPORT (DARS)

The degree audit report (DARS) is a tool to assist students in determining progress towards degree requirements. Completed coursework is applied towards degree and declared major requirements. Students should review their degree audit report every term. Students can access their DARS via *Solar*.

Email DARS@uwp.edu for additional information.

DARS...ONLINE for YOU!

Helping you on your [Pathway to Success at UW-P!](#)

DARS is your UW-P road map to graduation.

- ✓ Chart your degree requirements
- ✓ Map out your academic plan
- ✓ Monitor your academic progress

DARS is available to all UW-P students –

24 hours a day; 7 days a week!

Log-on to *Solar* and click:

DARS – Degree Audit Report

PREREQUISITE CHECKING

When students attempt to enroll in a course, *Solar* will determine whether there is/are prerequisite(s) for the course. If not, the student may enroll. If there is/are prerequisite(s), *Solar* searches placement and transcript records to see whether the prerequisite(s) has/have been met. If the student has successfully met the prerequisite(s) for the course or placement criteria, he/she may enroll in the course. If not, the student will be informed that the prerequisite(s) has/have not been met and he/she will not be allowed to enroll in the course. Students should contact their advisor for further assistance with enrollment. If the student is currently enrolled in the prerequisite course(s), *Solar* will not block enrollment in the course for the following term. However, the student must receive a final grade as determined by the prerequisite; otherwise, he/she may be administratively withdrawn from the course. Students are advised to see an advisor for further assistance with enrollment.

AUDIT A CLASS

AUDIT REGISTRATION CANNOT BE DONE ON SOLAR.

A class audit is allowed on a space available basis and only with the written approval of the instructor. Audit Request Forms are available at the Office of the Registrar or from our website, www.uwp.edu, Keyword: Registrar, Forms for Students. Review the Important Dates and Deadlines in this schedule. *Contact the Cashier's Office regarding tuition and fees specific to class audits.*

AUDITING OF CLASSES BY SENIOR CITIZENS

State law exempts Wisconsin residents who are sixty or more years of age from payment of fees for auditing UW-Parkside classes. Contact the Cashier's Office for more information.

WAIT LISTS

You may choose to be added to a wait list for a closed class. The status of the class will indicate if the class has a wait list option. Select the class/section for wait listing and proceed through the enrollment steps. You will be notified of your position on the class wait list once enrollment is completed. The wait listed class will be displayed on your class schedule, however, it will be noted with the wait list status. If you are successfully enrolled through the wait list process, the class status will change to enrolled.

Placing yourself on a wait list does not imply or guarantee enrollment in the class. You must verify the class status on your schedule. Contact the instructor for additional information on your wait list status.

The Wait List process runs nightly until the first day of the term to check the status of classes. If seats become available in a closed class the process will automatically enroll students from the wait list on a first come, first serve basis. Students will be enrolled from the wait list if no errors occur during the wait list processing (no time conflict, hold, etc.).

Students with registration errors or holds will be skipped and the process will continue through the wait list until all open seats are filled. If any open seats remain in the class section at the end of wait list processing the class will be reopened for general enrollment.

If you are not enrolled through the wait list process, and you still want to take the class, you may request a permission number from the class instructor. This permission number is entered in *Solar* and will allow a student to register for the closed class as long as no registration holds or time conflicts exist.

STUDENTS ARE NOT BILLED FOR WAIT LISTED CLASSES.

Check the *Solar* system or contact the Cashier's Office for your account balance after you have been enrolled in a class from the wait list.

CLASS PERMISSION NUMBERS

Enrollment in courses requiring instructor consent must be completed with a permission number.

A permission number is available ONLY from the instructor teaching the course and section. It can only be used once.

Permission numbers are required if:

- The course schedule (or *Solar*) indicates that you need the "consent of the instructor" to enroll, or
- the instructor is waiving the required prerequisites for the class, or
- permission to enroll in a closed class is being granted by the instructor.

Registering with a permission number:

If the class is already in your shopping cart you must delete it before attempting to enroll with the permission number.

If you are registering for a restricted class needing instructor consent, follow the steps to Add a Class. After selecting the class by clicking the 'Select Class' button, you will see a box at the top of the screen under Class Preferences where you enter your permission number.

If you are waitlisted for a course and have been given a permission number, you will first need to drop the waitlisted class before following the process to add the class as described above.

Permission numbers *cannot* be used to enroll in classes which have a time conflict. A completed Time Conflict Permission Form must be submitted to the Office of the Registrar's service counter for manual processing.

CAUTION: Permission numbers must be used before the date listed in Important Term Dates and Deadlines. *Permission numbers may only be used once, and they may only be used for the term, course and section assigned. Permission numbers cannot be used for classes with labs or discussion sections. Contact the Office of the Registrar for enrollment procedures.*

If you have any difficulty using your permission number and cannot make contact with the instructor, contact the Office of the Registrar, (262)595-2285 or WYLL D189.

YOU ARE RESPONSIBLE FOR THE ACCURACY OF YOUR CLASS SCHEDULE

and are legally obligated to pay all tuition and fees associated with your schedule of classes.

ALWAYS TERMINATE YOUR *Solar* SESSION and close your browser.

REGISTRATION POLICIES

It is the responsibility of the student to officially add, drop or withdraw from each class. Do not expect an instructor or anyone else to add, drop, withdraw or remove you from a class. A student who never attends (or stops attending) a course in which he/she has enrolled and who does not drop the course through the appropriate office will receive a failing grade. PLEASE REFER TO THE IMPORTANT TERM DATES AND DEADLINES AT THE BEGINNING OF THIS SCHEDULE.

CREDIT HOUR LIMIT

A degree-seeking student may not enroll for more than 20 credits in the Fall or Spring semester, 12 credits in the Summer term, or 6 credits in the Winterim term (credit and audit combined), without prior approval from the Director of Advising. Generally, permission to register for a credit overload will not be granted unless the student has earned a GPA of at least 3.0 at the end of the most recent semester with at least 14 completed credits. Non-degree-seeking students are restricted to 6 credits without prior approval from the Director of Advising.

ADDING A CLASS

During the first week of the semester, a student may add any course for which he/she has met the prerequisites. During the second week, appropriate courses may be added with the consent of the instructor. Beginning the 11th day of classes, a student cannot add a course without written permission of the instructor, the department chair, and the dean. The Office of the Registrar will determine comparable deadlines for courses less than a semester in length.

CHANGES IN AUDIT / CREDIT STATUS

Credit to Audit ~ or ~ Audit to Credit

During the first and second week of a semester class, students may change any class from Credit to Audit or Audit to Credit with instructor's consent.

Beginning the third week, a course may not be changed from Audit to Credit Status.

In the third and fourth week students may change from Credit to Audit only with late approval (signature of the instructor, department chair and dean). Beginning the fifth week a class can no longer be changed from Credit to Audit status.

The Office Of The Registrar will determine comparable deadlines for courses less than a semester in length or summer or winterim courses.

DROPPING A CLASS

A student may drop any course during the first half of the semester. A student who drops a course after the fourth week of a semester will receive a transcript notation of "W." In the case of module or summer/winterim session courses, the "W" notation will be applied if the drop occurs after one-third of the course period has passed. *Check the Important Term Dates and Deadlines at the beginning of this schedule.*

Important Note on DROP FEES

Dropping a course after the census date will result in the assessment of a \$15 per credit hour drop fee.

Refer to the Important Term Dates and Deadlines for standard session drop fee deadlines. The Office of the Registrar will determine comparable deadlines for courses less than a semester in length or summer or winterim courses.

REQUEST FOR LATE DROPS

Beginning the ninth week through the eleventh week a student may request permission to drop a course only for extraordinary, non-academic reasons. Before requesting permission to drop, the student should discuss his/her circumstances with the instructor. The Request for Late Drop Form must be submitted to the Office of the Registrar **no later than Friday of the eleventh week of instruction.** The request must include a written explanation of the circumstances leading to the request. The Office of the Registrar will determine comparable deadlines for courses less than a semester in length or summer/winterim session courses.

WITHDRAW FROM THE UNIVERSITY

A student may withdraw from the University via *Solar* during the first half of the semester. The Office of the Registrar will determine comparable deadlines for courses less than a semester in length or summer/winterim session courses. **After the deadline, a student may request to withdraw only for extraordinary non-academic reasons. Any such request must be completed by the last day of instruction in that term.** The request must include a written explanation of the circumstances leading to the request and documentation, if appropriate. Any such requests are to be submitted to the Advising and Career Center for appropriate action. **Students may not request a withdrawal from a completed semester.**

Dropping a class or Withdrawal from the university may result in a financial obligation for tuition and fees, and may necessitate repayment of financial aid. Federal & State regulations for financial aid require a refund calculation to occur for financial aid recipients through the 60% point of the term. Contact the Cashier's Office and the Office of Scholarships and Financial Aid for information.

SKILLS REQUIREMENTS

Reading and Writing Skills

This requirement assists students in developing effective communication through the mastery of reading and writing skills. Students satisfy this requirement with the completion of English 101 for 3 credits (with a grade of C-minus or better) or are exempt from the requirement if their placement examination results are above English 101. Those who place into ACSK 083 must complete this requirement within their first two semesters (excluding summer and winterim). **Students who fail to complete this requirement cannot take other classes until this requirement is completed.** Students seeking teacher licensure must complete English 101 with a grade of C or better.

Computational Skills

This requirement assists students in developing effective basic computational skills necessary to an informed citizenry and provides support for other disciplines. Students satisfy the computational skills requirement with the completion of an introductory course in algebra or a survey course of mathematics (either Mathematics 102 for 3 credits or Mathematics 111 for 4 credits) with a grade of C-minus or better. Students are exempt from the requirement if their placement examination results are above MATH 102 or MATH 111. Students seeking teacher licensure must complete the course that satisfies this requirement with a grade of C or better.

Students are advised to complete these requirements as early as possible. Students must complete the sequence of courses ending with ENGL 101 (writing skills requirement) and the sequence of courses ending with MATH 102 or MATH 111 (computational skills requirements) within their first 60 credits.

Students who fail to complete the sequence of courses ending with ENGL 101 and MATH 102 or MATH 111 by the time they reach 60 credits cannot take other classes until this requirement is completed.

Information Literacy

The information literacy requirement introduces students to the general organization of information sources in the Library and provides a basic understanding of how to perform an information search using both paper and electronic research formats. Students are urged to complete this requirement as soon as possible. Students must complete the information literacy requirement within their first 60 credits.

Students who fail to complete the information literacy requirement within their first 60 credits cannot take other classes until this requirement is completed.

Foreign Language Requirement

The purpose of the foreign language requirement is to familiarize students with communication in another culture and with the cultural significance of language. This is satisfied by completing two semesters, or the equivalent of two semesters, at the college level of one foreign language.

This requirement is to be completed by all degree-seeking students within the first 60 academic credits.

Ethnic Diversity of the United States Requirement

The purpose of the ethnic diversity requirement is to familiarize students with and sensitize them to differences among diverse ethnic groups. In accordance with the UW System Design for Diversity initiative, students graduating from UW-Parkside are required, as part of their 120 credits, to complete a minimum of one 3-credit course dealing with issues of race and ethnicity within the United States. Courses which meet the ethnic diversity requirement may also count toward fulfillment of general education, major, or minor requirements.

The following courses offered this term fulfill the Ethnic Diversity requirement:

DEGREE REQUIREMENTS

To receive a bachelor's degree from UW-Parkside students must:

1. Complete 120 credits of college work. This must include 36 credits in courses numbered 300 or above. Certain elementary courses are identified in the catalog and/or course schedule as not counting toward the 120 credits required for graduation. In addition, only the first 8 credits of physical education activity courses (100 level) may be counted toward graduation or grade point averages (GPA).
2. Of the 120 credits required for graduation, students must complete at least 30 credits of work at UW-Parkside. Students must complete all course work to be counted toward graduation by the end of the semester in which they graduate.
3. Attain a minimum cumulative grade point average (GPA) of 2.00 on a 4.00 scale. Some programs have higher GPA requirements. Transfer students must also have a cumulative 2.00 GPA on the combination of transfer credits accepted and credits attempted at UW-Parkside.
4. Complete an approved major program of study with the minimum major GPA as specified by the program or department. Usually, the minimum GPA is 2.00 on a 4.00 scale, but some majors require a higher GPA. Students who apply transfer credits to their majors must also meet the minimum major GPA requirement on the combination of transfer credits and UW-Parkside credits. At least 15 credits of upper level course work (courses numbered 300 or higher) must be completed at UW-Parkside. A student may not graduate with an incomplete grade in major course work if failure in that course would reduce the GPA in the major below the minimum GPA.
5. Meet UW-Parkside general university requirements.
6. File a request for a degree summary/application to graduate and pay the required application fee. The degree summary process is the way in which students obtain institutional and departmental approval of their petition to graduate.

HAVE YOU APPLIED TO GRADUATE?

Congratulations!

In order to graduate, students must apply by completing the online **Graduation Application** at www.uwp.edu/departments/registrar select Graduation Information.

Application deadlines:

- December Graduation - Apply by October 1st**
May Graduation - Apply by March 1st
August Graduation - Apply by August 1st

*If the graduation deadline falls on a weekend, applications will be accepted without appeal through the following Monday.

** It is assumed that August graduates will participate in the December ceremony following their graduation. If it is necessary for you to participate in a ***different*** ceremony, you will need to complete a request for **Commencement Petition to Walk** form and all application materials must be filed by March 1st.

APPLICATION TO GRADUATE/DEGREE SUMMARY

Students are encouraged to apply to graduate once they've completed 90 credits or more. A one-time non-refundable fee of \$30 is applied to the student's account in *Solar* and must be paid within 10 days.

A degree evaluation will be completed and an email will be sent to the student indicating eligibility. This evaluation is not designed to serve as a contract. It is meant to provide assistance to students in planning to meet all degree requirements. It is ultimately a student's responsibility to make certain final degree requirements are met in order to graduate. Approval of degree completion rests with the Office of the Registrar and the student's major department.

If you need to change your graduation date, please complete another **Graduation Application**. There is no fee for the change.

For assistance in the graduation application process, students should contact the Office of the Registrar, WYLL D189, 262-595-2497.

All fee information is available on the Cashier's Office Website at www.uwp.edu/admin/cashiers.office.

Students may stop by the Cashier's Office, WYLL D193, call (262) 595-2258 or email cashiers.office@uwp.edu for more information.

PAYMENT OF FEES

1. Fee statements will be e-mailed to student's UWP email address. Students can also check their balances on *Solar* under "Finances". Failure to request a fee statement does not exempt a student from late fees if applicable. Fee statements do not include "Wait Listed" classes.
2. If your tuition and fees are being paid by an agency or employer, make certain that you have the authorization letter submitted to the Cashier's Office by February 14, 2014. Students who submit authorizations after that date will be liable for late fees.
3. Tuition, housing, and food service fees may be paid by mail at UW-Parkside, Cashier's Office, 900 Wood Road, Box 2000, Kenosha, WI 53141-2000, or at the Cashier's Office, WYLL D193. Tuition/Fees may also be paid on *Solar*. Office hours for the Cashier's Office are listed below:

SPRING SESSION HOURS

Monday & Thursday	7:45 am – 6:00 pm
Tuesday, Wednesday, Friday	7:45 am - 4:30 pm

4. **The last day for payment in full of tuition, and housing, food service fees (including charges for late starting modular classes) without the Assessment for Administrative Expense is February 14, 2014.** Please pay by cash, personal check, cashier's check or money order made payable to UW-Parkside. Please put the student's ID number (SID) on the check. The Cashier's Office does not accept starter checks or checks without a preprinted name and address. Payments made in the Cashier's Office drop slot must be in by February 14, 2014, to avoid late charges. **If payment is mailed, the envelope must be postmarked no later than February 14, 2014 to be considered on time.** Tuition/Fees may also be paid on *Solar*.

If your classes begin prior to the normal start date for the semester, your tuition is due by Friday of your first week of class.

Failure to pay tuition by the scheduled due date will prevent: a) registering for future semesters, b) making schedule changes, c) getting official transcripts or grades, and d) checking materials out of the library. Students with the housing food plan may also find that their meal card has been canceled for non-payment of fees.

Note: YOU ARE NOT CHARGED FOR WAITLISTED CLASSES UNTIL YOU HAVE BEEN ADDED INTO THE CLASS. **Check *Solar* or contact the Cashier's Office for your account balance after you have been added to a class from the wait list.**

ASSESSMENT FOR ADMINISTRATIVE EXPENSES (LATE CHARGES)

Late charges will be charged to All Students Who Have NOT Paid Tuition/Fees due in Full by Friday of their first week of class. **Beginning February 14, 2014, a \$5.00 per credit fee to a maximum \$60.00 will be charged to all unpaid accounts and a 1% per month delinquency charge on the unpaid balance will begin to accrue.** A HOLD will remain on the student's record until the account is paid in full. The University reserves the right to assess late charges to students who manipulate their registrations to avoid late charges.

FINANCIAL HOLDS PREVENT REGISTRATION

Before a student can register for any semester, all past financial obligations must be paid in full. This includes but is not limited to fees and tuition, unpaid book loans, library fines, parking fines, student loans, and athletic equipment not returned.

PAYMENT PLANS

For information on installment plans contact Tuition Management Systems at <https://www.afford.com/uwp> or 1-800-356-8329.

AUDIT POLICY

Students registered for audits **only** (not for credit) will be charged at the audit rate. Audits may be taken at no charge if:

1. The student is receiving SSI Disability Benefits. Bring proof of benefits to the Cashier's Office by February 14, 2014
 2. The student is 60 years of age as of February 3, 2014 and a resident of Wisconsin.
-

EXCESS CREDITS POLICY

Effective FALL 2005, all resident undergraduate students who have accumulated 165 credits or 30 credits more than required by their degree programs (whichever is greater) will be assessed a surcharge equal to 100 percent of the regular resident tuition, on credits beyond that level.

ZERO CREDIT COURSES

A course taken for zero credit will be charged for one credit as mandated by UW-System Fee Policy.

INCOME TAX CREDIT

Students and/or parents may be eligible for tax credits relating to some tuition expenditures. Form 1098-T will be mailed to the student in January 2015. If you have questions regarding the HOPE Scholarship or Lifetime Learning Tax Credit for income tax purposes, please contact your tax preparer, CPA, or visit the Website: <http://www.irs.ustreas.gov>. Per IRS regulations, the University will not manipulate Financial Aid disbursements and/or payments to meet individual requests.

FINANCIAL AID AND PAYMENT OF FEES

All grants and loans will be electronically transferred to a student's individual tuition account, assuming all eligibility criteria have been met. Refunds for credit balances will be processed beginning January 29, 2014.

Any questions regarding fees or payment information should be addressed to the Cashier's Office, (262) 595-2582 or (262) 595-2258.

Any student going on the TMS installment plan after the tuition due date will be charged late fees regardless of when they applied for financial aid.

FINANCIAL AID DISBURSEMENTS AND CREDIT LEVEL

For undergraduates, most funds will not be disbursed unless your enrollment is at least 6 credits. If you are enrolling for less than full-time status, you should contact the Student Financial Aid Office to ensure that your aid is adjusted. Your enrollment level at the end of the 100% refund period. All fee information is available on the Cashier's Office Website at www.uwp.edu/admin/cashiers.office.

Students may stop by the Cashier's Office, WYLL D193, call (262) 595-2258 or email cashiers.office@uwp.edu for more information.

PARKING

Parking on University properties is controlled and allowed by permit only. Parking permits are required at UW-Parkside and must be displayed on vehicles at all times.

Commuting students may purchase their permits at the UW-Parkside Police Department located in Tallent Hall. Call (262) 595-2455 with any questions.

You may be eligible for Financial Aid!

UW-Parkside has an array of grants, scholarships, loans, and employment opportunities available to help students meet the cost of education.

Apply on-line at: www.FAFSA.ed.gov

For scholarships, call 262-595-2428.

FINANCIAL AID AND PAYMENT OF FEES

All grants and loans will be electronically transferred to a student's individual tuition account, assuming all eligibility criteria have been met. **Refunds for credit balances will be processed beginning January 29, 2014.**

Any questions regarding fees or payment information should be addressed to the Cashier's Office, (262) 595-2582 or (262) 595-2258.

FINANCIAL AID DISBURSEMENTS AND CREDIT LEVEL

For undergraduates, most funds will not be disbursed unless your enrollment is at least 6 credits. If you are enrolling for less than full-time status, you should contact the Student Financial Aid Office to ensure that your aid is adjusted. Your Financial Aid could be adjusted at any time in conjunction with enrollment changes.

FINANCIAL AID AND SCHOLARSHIPS

UW-Parkside offers Federal, State, and institutional grants, scholarships, loans, and employment to help students pay the cost of education. The majority of funds are awarded after a completed FAFSA form has been received, with applications filed each year. Students must adhere to Federal and State Aid academic progress standards. For example; students must have a 2.0 term GPA. In addition, all part-time and full-time students must maintain a pass completion rate in accordance with their grade level.

SUMMER FINANCIAL AID

To be considered for Summer financial aid, you must submit a completed Summer Financial Aid application. This form is available after Spring break and can be printed off the Office of Scholarships and Financial Aid Homepage under forms or may be picked up at the Office of Scholarships & Financial Aid, Wyllie Hall, D191.

For more information go to the financial aid website; www.uwp.edu, click on the Financial Aid quick link.

Important Notice Regarding HOLDS

You will not have access to your grades, unofficial transcript or official transcript if you have a hold on your record which prevents the release of grades and transcripts.

FINAL GRADES

Final grades will be available as they are submitted on *Solar* through the "Grades" link on your Student Center page. Classes from the selected term will be listed along with the grade assigned to each class. Summary grade information is also displayed at the end of the report. Final grades are not mailed.

UNOFFICIAL TRANSCRIPTS

Unofficial transcripts are available through self-service on *Solar* through the "other academic" drop down box on your Student Center page. Final grades will be available as they are submitted. An unofficial transcript may also be obtained with a picture ID through the Advising & Career Center in WYLL D175. Call (262)595-2040 for more information.

OFFICIAL TRANSCRIPTS

Official Transcripts Are Ordered Online!

The University of Wisconsin-Parkside has partnered with Credentials, Inc. to provide a fast and secure online transcript ordering service that is available to our students/alumni *24 hours a day, 7 days a week, from any location!* Visit the Office of the Registrars' website to get additional information or call (262) 595-2284.

STUDENT HEALTH & COUNSELING CENTER

The Student Health & Counseling Center is a nurse directed health and counseling facility. The staff includes a full-time nurse practitioner, part-time registered nurse, masters prepared licensed counselors who are certified alcohol and other drug counselors and when needed, psychiatric care by referral. Health & Counseling Services are available to all registered students. Appointments are required for all counseling visits, and healthcare visits with the nurse practitioner. Limited walk-in appointments are available with our nursing staff. Please call (262)595-2366 to set up an appointment.

When acute medical or psychiatric care is needed, a referral can be made through the SHCC; to Mental Health Professionals. There is no charge to the student for the office visit.

OFFICE OF MULTICULTURAL STUDENT AFFAIRS

The Office of Multicultural Student Affairs (OMSA) is committed to the recruitment, retention, and graduation of underrepresented students. OMSA pursues this goal through multiple cultural programs, academic workshops and mentoring services.

Our mission is to Connect, Empower, and Develop students for Success!!! Through academic initiatives students, staff, and faculty share an enriching and enlightening connection to one another, the University of Wisconsin-Parkside Community, and our surrounding communities. Again it is the goal of OMSA to provide resources and opportunities that enhance the growth and development of underrepresented students. Additional resources available through OMSA include scholarship information, employment opportunities, campus referrals, graduate school information and an informal setting for student networking. The office is located in WYLL D182 across from the Advising & Career Center. For additional information call (262)595-2731.

STUDENT SUPPORT SERVICES

Student Support Services is a program sponsored by the U.S. Department of Education dedicated to helping students persist in college until they earn their baccalaureate degree. This program is recognized nationwide as one of five TRIO programs. The Student Support Services program is open to all eligible students regardless of race, color, sex, creed, age, ancestry, national origin, disability, sexual orientation, political affiliation, marital status, arrest, or conviction record. Their mission is to promote student retention and graduation within a supportive community by providing educational opportunities, giving attention to individual needs and emphasizing academic excellence. Student Support Services sponsors their own Summer Bridge program, an academic enrichment program for incoming first-year students of UW-Parkside. This Summer Bridge program is designed to enhance a student's reading, composition and critical thinking skills to help students build the foundations necessary to succeed in college, especially in their first year.

For additional information call (262)595-2726.

NON DISCRIMINATION STATEMENT

The University of Wisconsin-Parkside is committed to equal opportunity for all persons, regardless of race, color, sex, creed, age, ancestry, national origin, disability, sexual orientation, political affiliation, marital status, developmental disability, or arrest or conviction record in its education programs, activities, and employment policies.

SAFETY AND HEALTH POLICY

UW-Parkside will provide and maintain adequate facilities for a safe and healthy learning environment. It is the University's responsibility to work with faculty and staff so that they are equipped to educate their students on practices and procedures that ensure safety for all members of the University. Employees with instructional responsibilities are expected to comply with state and federal safety laws and regulations in their institutional areas. Certain courses and research projects require students to work with hazardous materials while engaging in academic studies. Instructors of these courses and research projects shall inform and train students on procedures that will maintain students' personal health and safety and provide them with information on the hazards of specific chemicals that will be used during their course of study. Furthermore, instructors will enforce and follow safety policies. Prior to use of hazardous materials and equipment, students will review the procedures and information, and discuss any associated concerns with the instructor.

RELIGIOUS OBSERVANCE ACCOMMODATION

- 1) State Law 36.43 provides that public educational institutions provide for the reasonable accommodation of a student's sincerely held religious beliefs with regard to all examinations and other academic requirements and also provide a means by which a student can conveniently and confidentially notify an instructor of potential conflicts.
- 2) A student with a conflict between an academic requirement and a religious observance must be given an alternative means of meeting the academic requirement, subject to the following:
 - a) To be granted an alternative means of meeting an academic requirement, students must notify their instructors, within the first two weeks of class, of specific days or dates on which they will request relief from an academic requirement. (The instructor must treat this information as confidential.)
 - b) Instructors are not obligated to schedule make-ups before the regularly scheduled requirements.
 - c) Instructors may set reasonable limits on the number of days claimed by any one student
 - d) Religious observance does not relieve the student of required coursework or exams. Refer to the University Catalog for complete information.
