

Financial Sponsorship Form

University of Wisconsin-Parkside | Exchange Students | Part 1

In order for UW Parkside to issue your DS-2019 immigration document needed for US student visa purposes, we require documentation indicating that you have sufficient funds for all academic and personal expenses for your academic program. Estimated expenses include fees, personal living expenses and health insurance. Actual expenses may vary.

Funding must be available for your exchange program. Exchange students are **NOT** eligible for U.S. federal or state financial aid. Additionally, U.S. immigration regulations severely restrict student employment so international students should not anticipate subsidizing their studies by earning income in the United States.

All fees and other charges for the semester are due at the beginning of the term.

INSTRUCTIONS

- 1) Review Estimated Annual Expenses & Financial Documentation Requirements below.
- 2) Provide student information (Page 2, Part I).
- 3) Indicate your funding source(s) and the amount available from each source. If you have one or more financial sponsors (parent, relative, organization), verify their sponsorship by completing (Page 2, Part II).
- 4) Attach financial documents to verify that you and your sponsor(s) have available financial assets equal to or greater than one year of costs.
