

PSYCHOLOGY Transfer Guide

1. Transfer Policies

Students transferring from non-baccalaureate institutions to Parkside may generally transfer up to 72 credits earned at non-baccalaureate institutions toward the 120 credits required for degree completion. Parkside may accept additional credits toward the degree where appropriate. A minimum of 15 credits numbered 300 or above must be completed at Parkside. Degree-seeking transfer students holding an associate of arts or science degree from an accredited college-parallel liberal arts program, with a minimum of 45 transferable credits, are exempt from Parkside general education and skills requirements. The ethnic diversity requirement and the foreign language requirement must still be completed.

2. Major Requirements
