DEGREE COMPLETION PROGRAM TO PROGRAM AGREEMENT

BETWEEN

GATEWAY TECHNICAL COLLEGE

AND

UNIVERSITY OF WISCONSIN PARKSIDE (UW-P)

Effective September 1, 2013

The purpose of this degree completion agreement is to provide improved transfer opportunities for learners at Gateway Technical College (Gateway) who desire further education to enter the University of Wisconsin-Parkside (UW-P). Through the collaborative efforts of faculty, student services, and administration, learners will encounter a clear path to reach their educational goals. Since there are courses that are common to both institutions, a rationale exists to create an agreement for seamless transfer and assist the Gateway student in acquiring a baccalaureate degree at UW-Parkside under conditions listed below.

Learners who successfully complete the following Gateway degree:

ASSOCIATE OF APPLIED SCIENCE (A.A.S.) IN

MARKETING - COMMUNICATION

And who meet the admission requirements of the University of Wisconsin-Parkside and other conditions specified in this agreement will be admitted with up to 57 credits toward a:

BACHELOR OF SCIENCE (B.S.) DEGREE

WITH MAJORS IN

ACCOUNTING, MANAGEMENT INFORMATION SYSTEMS (MIS),

AND BUSINESS MANAGEMENT

(Business Management Major includes concentration options in

General Business, Finance, Human Resources, and Marketing)

PROVISIONS OF THIS AGREEMENT:

1. **Admission.** It is the learner's responsibility to demonstrate fulfillment of the current admission requirements of UW-P at the time of entry.
2. **Advising.** UW-P and Gateway will provide academic advising to Gateway learners inquiring about UW-P programs. Learners will be connected with a UW-P advisor prior to transfer. UW-P and Gateway will share materials, catalogs, and other information to facilitate their understanding of requirements and programs. Gateway will assist UW-P in arranging recruitment events on its campuses.
3. **Marketing.** Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution's standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution at its website, with notice to the other party.
4. **Accreditation.** Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement. Failure to maintain accreditation required by the specific academic program(s) referenced in this agreement will be grounds for exclusion of that program from the agreement.
5. **Tracking of Use.** If possible, Gateway will provide UW-P admission office the names of students following the articulation agreement and will transfer to UW-P. This will allow UW-P to plan for the admission, advising and orientation of these transfer students. Gateway also desires to track the use of articulation agreements by students. If possible, UW-P will send Gateway the total number of credits transferred from Gateway annually or other data that can be conveniently produced.
6. **Periodic Review.** Gateway and UW-P will collaboratively review the articulation agreements on a three-year cycle, starting September 1, 2016 or earlier if curricular or institutional policy changes warrant. Each institution agrees to notify the other of significant curricular or policy changes in a timely manner.
7. **Cancellation.** Both parties agree to provide at least one-hundred eighty (180) days' advance written notification of their intent to cancel this agreement. Gateway students who apply to UW-P prior to the cancellation date will be permitted to transfer credits under the agreement terms.
8. Any conditions requested by Receiving Institution as listed on the next page.

The University of Wisconsin-Parkside (UW-P) and Gateway Technical College (Gateway) have produced this guide as a tool for students. Every effort is made to maintain accurate information; however, this guide is subject to change. Students should contact the Advisors listed below to stay informed of changes, as final responsibility for verifying information rests with the student.
