

PROGRAM TO PROGRAM ARTICULATION AGREEMENT

**University of Wisconsin-Parkside
Bachelor of Science in Sustainable Management**

and

**Moraine Park Technical College
Associate of Applied Sciences Degree in Water Quality Technology – 10-527-2**

EFFECTIVE Fall 2010

Overview

The purpose of this articulation agreement is to provide a seamless transfer process for Moraine Park Technical College (MPTC) students who desire to further their education by attending the University of Wisconsin-Parkside (UW-P). Through the collaborative efforts of faculty, student services, and administration, students will encounter a clear path to reach their educational goals. MPTC students who successfully complete the Associate of Applied Sciences Degree in Water Quality Technology – 10-527-2 and who meet the admission requirements of UW-P and any other conditions specified in this agreement will be admitted to the UW-P Bachelor of Science in Sustainable Management degree. The B. S. in Sustainable Management is a degree completion program that is offered as a collaborative degree between UW-Parkside, UW-River Falls, UW-Stout, and UW-Superior with administrative support from UW-Extension. MPTC and UW-P will cooperate in the delivery of courses and the transfer of credits to help meet the post secondary educational needs of the population of Wisconsin.

Terms and Conditions of the Articulation Agreement

The terms of this agreement apply only for the purposes of entry to the B.S in Sustainable Management major at UW-P by MPTC students who have completed the following terms and conditions.

Admission. MPTC students will be admitted to the UW-P B.S in Sustainable Management once they successfully completed the following:

- 1: Completion of Associate of Applied Sciences Degree in Water Quality Technology – 10-527-2.
- 2: Graduating grade point average of 2.0 or higher.
- 3: Completion of courses outlined in this agreement which will fulfill the UW-P General Education requirements and prerequisites and other requirement for the B.S in Sustainable Management major (see Appendix A as a guide).
- 4: Fulfillment of the current admission requirements of UW-P at the time of application.
- 5: MPTC students are required to declare the B.S in Sustainable Management once admitted to UW-P.

Advising. MPTC will provide academic advising to their students to make them aware of this articulation agreement, the conditions the students are required to follow and the courses they need to complete in order to successfully transfer to UW-P. UW-P will provide academic advising to MPTC students pre and post admission to the UW-P. UW-P will provide materials, catalogs, and other information to MPTC counselors to facilitate their understanding of requirements and programs. MPTC will assist UW-P in arranging recruitment events on its campuses.

Tracking. MPTC will provide the UW-P admission office the names of students following the articulation agreement and who intent to transfer to UW-P. This will allow UW-P to plan for the admission, advising and orientation of these transfer students.

UW-P Graduation Requirements. All graduation requirements need to be completed in order to graduate from UW-P. Students need to complete the requirements of the B.S in Sustainable Management degree (63 credits online [21 three credit courses]), general university requirements and any other degree requirements that are needed to receive a bachelor's degree at UW-P. These requirements can be found in the UW-P catalog. Please note, students are subject to the major requirements in force in the catalog at the time they are first accepted in a particular major.

Courses included in agreement. In the event that the course curricula and/or academic program of either institution undergo revision or change it is the responsibility of that partner institution to inform the other partner institution of the change/s within 120 days of the change. UW-P will review any additional courses submitted by MPTC for transfer toward fulfilling agreement requirements. In turn, MPTC will review additional course suggestions submitted by UW-P that will fulfilling agreement requirements.

Periodic Review. This agreement will be reviewed every two years prior to the publication of the UW-P catalog, or earlier if curricular or institutional policy changes warrant. Each institution agrees to notify the other of significant changes to the agreement in a timely manner.

Marketing. Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution's standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution at its website, with notice to the other party.

End Date. The effective end date for this agreement is July 8th 2013. Renewal of agreement needs to be initiated by the Provost's office at UW-P and MPTC more than 6 months prior to the end date.

Accreditation. Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement.

Cancellation. Both parties agree to provide at least 180 days advance written notification of their intent to cancel this agreement. MPTC students who apply to UW-P prior to the cancellation date will be permitted to transfer credits under the agreement terms.

Proficiency and Transfer courses. Courses marked as proficiency or transfer from another institution on a MPTC transcript will be accepted at the discretion of UW-P. Students will be required to supply an original transcript from the originating institution for courses transferred to MPTC and may be required to provide syllabi for some courses.

Oversight of the Agreement. The Provost office at UW-P, representing faculty and staff, will provide oversight of the agreement jointly with the Dean of Program Development at MPTC.

527-135	Process Equipment Maintenance	3		NDC	
				TOTAL TRANSFERRED:	70

*: These courses will ONLY be accepted as equivalencies under this agreement.

Additional courses are required to be completed at MPTC to fulfill UW-P General Education requirements and B.S in Sustainable Management admission requirements.

***: MUS 207 is UW-P on-line course that will partially complete the Humanities and Arts General Education requirements at UW-P.

** : Completion of these courses will fulfill the prerequisite requirement of the B.S in Sustainable Management.

Appendix A

1: The following are admission requirements for Sustainable Management degree.

- A. 60 transferable credits to UW-P
- B. GPA of 2.0
- C. Completion of UW-P General Education requirements
- D. Prerequisites:

Sustainable Management Prerequisites	Fulfilled by Agreement	Prerequisites to be completed at UW-P
College Algebra	College Technical Math 1A (804-113)	0o
Statistics	Applied Statistics (623-157)	0
General Chemistry	Water Chemistry (527-111)	0
Introductory Biology	General Biology OR Microbiology (806-114 or 806-197)	0
Introductory Communications	Oral and Interpersonal Communication (801-196)	0

2: Requirements in the major for completion of B. S. in Sustainable Management at UW-P.

In order to complete the major students need to enroll in 21 courses that are required, a total of 63 credits. The following table shows the required courses to complete the degree, all of which need to be completed at V-P.

Course	Course Name
SMGT 115	Environmental Science and Sustainability
SMGT 230	Triple Bottom Line Accounting for Managers
SMGT 235	Economics in Society and Sustainability
SMGT 240	Technical Writing for Sustainable Management
SMGT 310	Ecology for Sustainable Management
SMGT 315	Global Environmental Chemistry
SMGT 320	Energy for Sustainable Management
SMGT 325	Natural Resource Management
SMGT 330	Marketing for a Sustainable World
SMGT 331	Sustainable Organizational Finance
SMGT 332	Economics of Environmental Sustainability
SMGT 335	Management and Environmental Information Systems
SMGT 340	Organizational Behavior and Sustainability
SMGT 350	Operations Management and Sustainability
SMGT 360	Environmental and Sustainability Policy
SMGT 370	Logistics, Supply Chain Management, and Sustainability
SMGT 430	International Management for a Sustainable World
SMGT 435	International Development and Sustainability
SMGT 440	Systems Thinking
SMGT 460	Environment and Society
SMGT 495	Sustainable Management Capstone

Requirements for completion of UW-P General University Requirements in addition to the above requirements:

A. General Education:

Students need to make sure they meet the required 12 credits in each of the three areas; Humanities and Arts, Social and Behavioral Sciences and Natural Sciences following the university policy on General Education. Students entering UW-P under this articulation agreement will meet the General Education requirements as follows:

General Education Requirements	Fulfilled by Agreement	Courses to be completed at UW-P
Humanities and the Arts: 12 credits	12 credits (PHIL 206, ART 102, ART 103, MUS 207*)	0 credits
Social and Behavioral Science: 12 credits	12 credits (PSYC 101, SOC 101, ECON 101, POLS 100)	0 credits
Natural Science: 12 credits	12 credits (CHEM 109, GEOS 103, GEOS 106, BIOS 100, 6 of these credits are also required as prerequisites for the Sustainable Management major)	0 credits
Diversity requirement: 3 credits	Race, Ethnic and Diversity Studies (809-172)	0 credits

*taken at UW-P

B. Skills Requirements:

Completion of A. A. S. in Water Quality Technology (10-527-2) degree fulfills the Reading and Writing skills and the Computational skills requirement via the following courses:
801-195 Written Comm. (ENG 101) and 804-113 College Tech. Math 1A (MATH 111).

C. Information Literacy:

Students need to complete this requirement upon admission to UW-P

D. Foreign Language Requirement:

MPTC students need to meet the following UW-P foreign language requirement.

The foreign language requirement can be met under any of the following circumstances.

- Students who completed a minimum of two years of one second language at a secondary school with a final grade of C or better (grade of C-minus is not acceptable) in the last course taken.
- Students who completed one high school unit and one college semester in the same language, provided that the college course is at least on the second-semester level.
- Students who are heritage speakers in a language taught at UW-Parkside or who have informally learned a language taught at UW-Parkside can meet the foreign language requirement if they take the UW System placement test and place into the equivalent of the third semester (intermediate level) or above.
- Students who are heritage speakers in a language not taught at UW-Parkside or who have informally learned a language not taught at UW-Parkside can meet the foreign language requirement upon certification at the intermediate level through the American Council on the Teaching of Foreign Languages (ACTFL).

- Students who have graduated from a foreign secondary school with a curriculum taught in the language native to that country, other than English, will be considered to have met the foreign language requirement.
- International students from countries where English is not the primary language are considered to have met the foreign language requirement when they meet the required standard of English competency at the time of admission through the appropriate Test of English as a Foreign Language (TOEFL) score.

Placement Tests for Foreign Language Courses

UW-Parkside uses the UW System Foreign Language Placement Tests in French, German, and Spanish to place students into the appropriate course level of their selected foreign language. Tests are administered throughout the year; specific testing dates and information are available at the Learning Assistance Department. Students who place into language courses numbered 104 (beginning level 2) or 204 (intermediate level 4) are advised to audit 103 or 203, respectively, in the fall and then take 104 or 204 in the spring. Students cannot begin language study (103 or 203) during the spring semester.

Retroactive Credits in Foreign Language

The Modern Language Placement Test is required for any UW-Parkside student who wishes to receive college credit for language competency reached in high school. Students may earn up to 16 retroactive credits, four for each of the first four semesters of language study, if: a) they completed the previous course work in a United States high school, b) they enroll in the college course into which they place, and c) they complete the course with a grade of B-minus or better. In order to be granted retroactive credit, the student must submit an application to the Advising Center at the end of the appropriate college semester.

Retroactive Credit in Foreign Language for Transfer Students

UW-Parkside will accept retroactive credit for foreign language if it was granted by another UW System institution and is documented on the student's UW System transcript. Students or advisers with questions about an individual situation should contact the chair of the Modern Languages Department. Advanced students in a foreign language should consult with an adviser in the Modern Languages Department.
