

GENERAL STUDIES CERTIFICATE TRANSFER AGREEMENT

MORAINÉ PARK TECHNICAL COLLEGE

AND

UNIVERSITY OF WISCONSIN - PARKSIDE

EFFECTIVE Fall 2010

The purpose of this transfer agreement is to provide a seamless transfer process for Moraine Park Technical College students who desire to continue their education by attending UW-Parkside. Through the collaborative efforts of faculty, student services, and administration, these students will encounter a clear path to reach their educational goals. This agreement is based on the following principles:

1. Each institution will contribute its strength, expertise, and services toward the joint goal of serving students interested in earning 30 credits at Moraine Park Technical College that are transferable toward a baccalaureate degree.
2. Some core distribution courses and graduation requirements may still remain to be completed at UW-Parkside. This certificate is not major specific; students transferring to a four-year university may need additional pre-requisite courses for a specific major.
3. Each institution will benefit programmatically from the strategic alliance.
4. Each institution will make a long-term commitment to supporting the program through a cohort of students as well as transitional resources to begin the joint alliance.

Students who successfully complete the following Moraine Park Technical College General Studies Certificate and who meet the admission transfer requirements of UW-Parkside and any other conditions specified in this agreement will be admitted to UW-Parkside with 30 credits toward the liberal arts requirements for their degree.

Overview

Moraine Park Technical College and the University of Wisconsin-Parkside will cooperate in the delivery of courses and the transfer of credits to help meet the post secondary educational needs of the population of Wisconsin.

Provisions:

1. **Admission.** It is the student's responsibility to demonstrate fulfillment of the current admission requirements of UW-Parkside at the time of entry. Moraine Park students may apply for admission to UW-Parkside upon completion of 15 credits in the General Studies Transfer Certificate with a 2.0 GPA.
2. **Advising.** UW-Parkside will provide academic advising to Moraine Park students inquiring about UW-Parkside programs. UW-Parkside will provide materials, catalogs, and other information to Moraine Park counselors to facilitate their understanding of requirements and programs. Moraine Park will assist UW-Parkside in arranging recruitment events on its campuses. Moraine Park will provide directory information for learners enrolled in the General Studies Transfer certificate program to UW-Parkside once per semester.
3. **Marketing.** Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution's standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution at its website, with notice to the other party.
4. **Accreditation.** Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement.
5. **Periodic Review.** This agreement will be reviewed every two years prior to the publication of the UW Parkside catalog, or earlier if curricular or institutional policy changes warrant. Each institution agrees to notify the other of significant curricular or policy changes in a timely manner.
6. **Cancellation.** Both parties agree to provide at least one hundred eighty (180) days advance written notification of their intent to cancel this agreement. Moraine Park students who apply to UW-Parkside prior to the cancellation date will be permitted to transfer credits under the agreement terms.
7. **Program-to-Program Agreements.** Nothing in this agreement shall limit the transfer of credits under a program-to-program articulation agreement or otherwise supersede the terms of such an agreement.

8. **Proficiency and Transfer courses.** Courses marked as proficiency or transfer from another institution on a Moraine Park transcript will be accepted at the discretion of UW Parkside. Students will be required to supply an original transcript from the originating institution for courses transferred to Moraine Park Technical College and may be required to provide syllabi for some courses.

Conditions:

UW-Parkside will:

- Determine with Moraine Park the core curriculum to be offered from the options allowed for transfer.
- Review any additional courses from Moraine Park for transfer toward fulfilling degree requirements.
- Accept up to 30 Moraine Park credits from the courses listed in this document.
- Jointly with Moraine Park provide staff oversight of the program.

Moraine Park will:

- Grant a General Studies Certificate for students who complete 30 credits as outlined.
- Determine with UW-Parkside the core curriculum to be offered from the options allowed for transfer.
- Submit addition courses for possible approval and inclusion in the previously approved Moraine Park curriculum as fulfilling parts of the UW-Parkside degree requirements.
- Offer developmental courses to students who do not meet appropriate placement test scores in mathematics and English.
- Jointly with UW-Parkside provide staff oversight of the program.
