WHY TRANSFER?

There is no such thing as “one size fits all” when transferring to a new school. Depending on where you’ve been in life and your educational goals, what you need will be unique to you.

Affordable Education

At Parkside, we value giving students amazing opportunities at a reasonable cost. We offer tuition rates that are among the lowest in the UW System, and each year we award more than $250,000 in scholarships to our students. Learn more about scholarship opportunities* and out-of-state scholar programs on our Paying for College webpage: uwp.edu/financialaid

* To be eligible for most scholarships, you must be admitted by February 1.

Your Credits Transfer

Understanding how your credits will transfer to Parkside is important. We maintain articulation agreements with many regional two-year colleges to create a smooth transition to your bachelor’s degree.

You can use the tools on our website, uwp.edu/transfer, to better understand the evaluation of your transfer credits.

- Transfer Information System (TIS): UW System and Wisconsin Technical College System (WTCS)
- Student Transfer Assessment Report (STAR): UW System, WTCS, and many other institutions
