TOP SEVEN REASONS TO LIVE ON CAMPUS (OTHER THAN ONE FANTASTIC BACK YARD!)

1

CONVENIENCE

Living on campus alleviates hassles, saves time, and avoids costly commuting expenses. No snowy or ice covered roads to keep you from classes. No meal planning or cooking is necessary with the multiple dining locations and meal plans.

2

AFFORDABILITY

Your campus housing includes free internet, furniture, cable TV, fitness rooms, computer labs, and all utilities—including air conditioning! You do not need a security deposit, which frees up your cash for important things like books, tuition and an occasional pizza.

3

STAFF AND RESOURCE AVAILABILITY

You have support available around the clock when you live on campus. There is a resident advisor on every floor, and hall directors live in the residential communities. In Housing & Residence Life assistance is available during the evenings, weekends, and holidays.

4

ENGAGEMENT

Campus housing presents you with a convenient way to connect with student organizations, research opportunities, and student employment. You have easy access to social and cultural events, as well as space for collaboration with friends who share your interests and passions.

5

SAFETY AND SECURITY

The University Police work collaboratively with Housing & Residence Life to provide you with a safe and secure environment through facility walk-throughs, educational programs relating to current issues, and policy enforcement when necessary.

6

ACADEMIC SUCCESS

Take advantage of quiet study environments, math and writing tutoring on site as well as easy access to academic success coaches. The library and the Parkside Academic Resource Center are a five minute walk, where you can find other tutoring services and resources.

7

FRIENDSHIPS

It is easier to expand your social network when the people in your classes are also the people you run into while dining, playing intramurals at the SAC, or doing laundry. There are also many campus social activities to participate in together such as Rita performances, Ranger athletic games, movie nights, disc golf or a quick hike.
