Bold Beginnings. Future Focus

Wednesday, January 16, 2019

D139 in Molinaro Hall, 10 AM to 12 Noon

The University of Wisconsin-Parkside is celebrating its 50th Year. Founded in 1968, UW-Parkside's "Bold Beginnings" were characterized by both the idealism and upheaval of that iconic year.

This presentation will look at the founding of the university within the context of the history and evolution of the University of Wisconsin system, and show how, throughout its history, the university has been impacted by the social and political currents of the times. There will be an opportunity for ALL participants to share some of their own experiences and memories of UW-Parkside.

Our presenter (and one of our favorite historians) is Dr. Laura Gellott, Professor Emerita of History at UW-Parkside, where she served on the faculty for 30 years, chairing the History Department for 8 of those years. Dr. Gellott is a two-time recipient of UW-Parkside's Stella Gray Teaching Excellence Award. She received her B.A. and M.A. degrees from Marquette University and her Ph.D. from the University of Wisconsin-Madison. Dr. Gellott has travelled extensively in Europe. She brings passion and enthusiasm to her history classes and gladly shares them with ALL members.
