The fees for activities shall be set to cover the costs of the event. Non-members may register the last two weeks before the deadline. A surcharge will be added for non-members and will be determined on an each case basis.

Suggested guidelines for determining surcharge:

For one-time events, such as lecture, concert, day trip. etc.
Fees up to $50.00 would add a surcharge of $5.00.
Fees over $50.00-$99.00 would add a surcharge of $10.00

For a series of events, such as three or four classes
Fees to $50.00 would add a surcharge of $10.00

For a major, prolonged event, such as AWOL, the surcharge would be $25.00.

If the non member joins ALL after having paid this surcharge, this amount will be applied to membership dues.
