Terrance Constant, 262.657.0877, tconstant42@icloud.com
Larry Gregg, 262.632.6342, lgregg@aol.com
Ruth Frear, 847.623.8681, rfrear@att.net

COMMITTEES

ALL’S WEEK OF LEARNING COMMITTEE
Charlotte Short, Chair: charshort1@hotmail.com
This committee along with other volunteers, plan and coordinate an entire week concentrating on a single topic. Classes and activities are held during the week including snack breaks, lunches and a field trip to Chicago, Milwaukee or other nearby city.

Topics have included History and Cultures of the Middle East, For the Health of It, Mexico, Theater, Where Do We ALL Come From, Transportation, India, Food for Thought, Crime and Consequences, Our Great Lake – Lake Michigan, Scanning Scandinavia, ALL Kinds of Ways to Tell a Story, Structures and Cities, ALL About Music and Humor Matters.

ALL POINTS BULLETIN
Barbara Leable, Editor: bleable@gmail.com
Norma Rukavina Co-editor: nrukavina@wi.rr.com
The ALL Points Bulletin is a newsletter published quarterly and distributed in February, May, August and November. The purpose of the APB is to keep members informed about ALL’s committee and focus group activities, calendar of biweekly lectures, member address changes and new member listing and the development of other activities. A calendar of ALL activities accompanies each bulletin issue.

AUDIO-VISUAL COMMITTEE
Larry Gregg, Co-chair: lgregg@aol.com
Jarlene Kriehn, Co-chair: jkriehn2007@att.net
The ALL AV Committee has two main functions: (1) to assist and support ALL’s groups and activities in terms of their AV needs, and (2) to research and recommend possible new AV items or
procedures that may enhance ALL’s mission. Another on-going function is to videotape the Monday lectures. DVD’s are given to the lecture presenters and kept as an archive library for members’ checking out or possible future reference.

CLASS COMMITTEE
Merrilee Unrath, Co-chair: mleeu@wi.rr.com
Darlene Chiappetta, Co-chair: dchiappetta2@wi.rr.com
This committee organizes and finds new topics and speakers for the twice-monthly lectures held in the UW-Parkside Student Center cinema. Emphasis is on striving for diversity and for quality presentations about stimulating topics. Ethnic Dining in the local and surrounding communities has been added to this committee and includes an ethnic-style meal and a talk by each restaurant’s owner/chef.

DAY TRIP COMMITTEE
Julie Rae Friedman, Co-chair: jrf@wi.rr.com
Martha Krimmer, Co-chair: mkrimmer2@wi.rr.com
Early learning experiences were limited to classroom lectures but it was recognized that learning could also be achieved by providing bus trips to nearby locations. These trips use an educational theme and are sometimes connected with the class committee on joint ventures of “learn and then see.” Trips are planned on a monthly basis.

FINANCE COMMITTEE
Pat Koessl, Chair: pkoessl@milwpc.com
The ALL Finance Committee is composed of the Treasurer, the President, representatives from UW-P and interested members of ALL. The Chair of the group (not the Treasurer) also has a position on the All Board of Directors.

The group meets during the year to review the previous year’s income and expenditures and to compare them to the budgeted amounts. They also meet to help the Treasurer prepare the budget which is approved by the Board of Directors in May and presented to members in June at the annual meeting. The Finance Committee also meets whenever circumstances require, resolving issues and setting new policies.

LECTURE COMMITTEE
Moreau MacCaughey, Chair: mmctwo@wi.rr.com
The committee plans and arranges for the six-month schedule of twice-a-month lectures. The focus is primarily intellectual, in keeping with the name “Adventures in Lifelong Learning,” with a mix of subject matter and speakers, covering history, science, the arts, travel, current issues, etc. The committee meets to assure that the schedule is complete and balanced. A “Speaker Information Form” obtains information about the speaker and topic, AV equipment needs and the speaker’s signature to confirm the date. When all speakers are confirmed the chair prepares the next six-month schedule and submits it to the ALL office for distribution.

The committee member arranging a given speaker gets information to, and from, the speaker, notifies the committee chair of confirmation, introduces the speaker at the lecture and sends an appropriate “thank you” letter. Speakers are not paid but may be given mileage costs if needed.

Suggestions and ideas from ALL members are always welcome as potential programs. Other ideas come from news articles, offers from speakers who would like to present to ALL, from members’
activities or involvements, from programs or faculty members at UW-Parkside, and/or from questions about a variety of subjects. As with all working committees, ALL members are welcome and encouraged to participate.

**MEMBERSHIP SERVICES COMMITTEE**  
Marion Sperer, Chair: mjs1831@yahoo.com  
The committee chair along with volunteers, takes attendance at each lecture and assists members by taking money for classes, day trips, handing out flyers and other mail and providing brochures and information to prospective members. An additional function is to coordinate update and arrange for the annual printing of the ALL Membership Directory.

A New Member Meet & Greet is organized on a biannual basis which introduces new members to the Board and to the many opportunities ALL provides.

**NOMINATING COMMITTEE**  
Ted R. Anderson: trawisc@gmail.com  
This committee, chaired by the immediate past president, is responsible for nominating members to serve on the Board as officers and as members at large. While the committee tries to maintain a balance from each community, its focus is always on the capabilities of the nominee. The Board is informed of the slate and may offer its insights. Members then vote on these recommendations at the June Annual Meeting.

**PUBLICITY COMMITTEE**  
Karen Kempinen, Chair: kkempinen@gmail.com  
The Publicity Committee provides general news releases of ALL lectures to the print media (newspapers and magazines) primarily in the cities of Kenosha and Racine. It supports the web site and the ALL Points Bulletin.

The committee also responds to informational requests in the community using display boards and graphics. It is responsible for developing the organizations brochure and its updates per the board of director; and assists in providing broad ranging publicity to ALL as needed.

**SOCIAL COMMITTEE**  
Joyce Gyurina, Chair: joygy31@wi.rr.com  
There are 25 members in the Social Committee. These volunteers greet ALL members & guests in the UW-Parkside Student Center for the twice-monthly lectures and the Week of Learning and any other special events. The Social Committee also plans the yearly picnic held in September at a Kenosha or Racine park, the December holiday party and the June annual meeting.

**VOLUNTEER COMMITTEE**  
Kathy Hoffmann, Chair: kathyhoffmann@mac.com  
This committee, formed in 2004, enlists volunteers to assist ALL and Continuing Education and Community Engagement whenever requested. Volunteers also usher at the UW-Parkside Fine Arts Department’s musical and theater events and at Parkside’s commencement.
