

A Day at the Milwaukee Public Museum

Wednesday, November 20, 2019

8:45 AM – 4:00 PM

We leave Tallent Hall at 8:45 AM.

10:00 – 11:00 am: Learn how our holiday traditions brought by European immigrants to Milwaukee blended together to create our modern celebrations with a docent-led tour of the beautifully decorated *Streets of Old Milwaukee - Holidays in History*.

11:30 – Noon: MPM's Planetarium is Wisconsin's largest and most modern and is the first Planetarium in the world to debut a Digistar 6 computer projection system that fills the entire Dome Theater with stunning 3D animations, creating an immersive astronomy experience. You'll see breathtaking vistas of the night sky, planets, the Milky Way, and distant wonders of the universe. Come wonder at a presentation of Wisconsin's starry night sky.

12:15 – 1:15 pm: We will enjoy a boxed lunch in the Museum Café.

1:15 – 3:00 pm: Time on your own to explore all three floors! Suggestions: Visit the Butterfly Garden on the first floor. Spider's Alive Exhibit (live spiders behind glass) and exhibits on American Indians, Wisconsin Woodlands, North America, and amazing artifacts from Aztalan, the state's most significant archaeological site – all on the second floor. The third floor has exhibits on Latin America, Africa, Arctic, Asia, Living Oceans, Pacific Islands, and Pre-Columbia America. A gift shop is located on the first floor.

3:00 pm: Meet at the Museum Café to then board the bus.

4:00 pm: Expected return to Tallent Hall.
