

Tour Argonne National Laboratory in Lemont, Illinois
Tuesday, October 15, 2019 - from 8 am to 4:30 pm

Argonne is a multidisciplinary science and engineering research center where talented scientists and engineers work together to answer the biggest questions facing humanity, from how to obtain affordable clean energy to protecting ourselves and our environment. Let's see them in action!

We will be taking a bus tour of the site followed by two walking tours. The first tour is of The Advanced Proton Source, one of the most technologically complex machines in the world.

Scientists come from all over the world to use it to carry out experiments that promise new discoveries. Next, we will see the Nuclear Energy Exhibition Hall that showcases Argonne's rich heritage in the development of nuclear reactors. We will see displays of numerous artifacts from Fermi's time to the present, models of several types of reactors, and additional screens that showcase both reactor development history and current Argonne research in advanced reactors, medical isotopes, nuclear fuel cycle technologies and research reactor conversion.

See back for details.

Bring your valid government-issued photo ID (i.e., drivers' license, passport) for this trip.

This tour will require LOTS of walking and standing (no wheelchairs, walkers or canes).

Dress code: long pants and flat, closed-toe shoes. Limited to 39 attending.

Questions? Call Carole Scotese at 262-994-6958

Argonne Lab – 39 spots Member* \$50 I have a **valid** Driver's Lincese **US citizen?** Yes ___ No ___

Full Name (as it appears on driver's lincese) _____ Check # _____

Email _____ Cell Phone _____ Home _____

NO online credit card resistrations can be accepted for guests.* Due to limited space, this trip is for members only.

NEW: a fee of \$5 will be charged for registration changes.

Argonne Lab Schedule

8 am – Arrive at Tallent Hall – Display your parking permit in your car and **have your valid ID with you**

8:15 am – Bus leaves for Argonne National Lab in Lemont, IL

9:45 – 10:45 am – Arrive at Argonne Information Center – bathroom break, guest passes issued (need your valid ID), and overview

11 to 11:30 am – Docent-led bus tour of Argonne Lab property

11:45 to 1 pm – Buffet lunch at Guest House restaurant on site

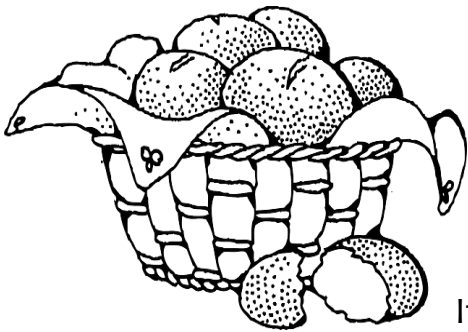

1:10 to 1:50 pm – (divide into two groups) Docent-led Advanced Photon Source Walking Tour

1:50 to 2:40 pm - (groups switch places) Docent-led Nuclear Energy Exhibition Hall Walking Tour

3 pm – Bus leaves for Tallent Hall

4:30 pm – Arrive at Tallent Hall

Buffet Lunch Menu at Guest House

Freshly Baked Bread and Butter

Garlic Bread

Caesar Salad

Pesto Chicken Breast

Italian Sausage with Red Peppers

Cheese Tortellini with Marinara Sauce

Dessert: Assorted Cookies

Beverages: Freshly brewed regular coffee, decaffeinated coffee,

International teas, hot tea and soft drinks
