

How to Start Seeds Indoors: a Workshop

at Mileager's in Racine - self drive
4838 Douglas Ave, Racine, WI 53402

Tuesday, March 17, 2020 - From 10:45 am to 1 pm

With just a little help YOU can cultivate a green thumb!
Choose from a package of flower or vegetable seeds and an expert from Mileager's will show you how to *get growing* – just in time for spring!

What better way to usher in spring than to get your hands into some potting soil and plant seeds! The best part is you can take home your seed tray and nurture them into beautiful plants. After the workshop we will all sit together to enjoy a box lunch (see back). You can stay as long as you'd like to browse the store for garden ideas.

"Something wonderful is always happening at Mileager's".
