COMMITTEE REPORTS

CLASS COMMITTEE

Merrilee Unrath: mleeu@wi.rr.com or Mary Ann Cassani: maryann.cassani@att.net

We want to share some guidelines for our classes in the upcoming year. At the time of this writing it is our plan to offer both an in-person and virtual option for most classes. The in-person option is of course dependent on UW Parkside COVID restrictions in place at the time of the

FOCUS GROUP INFO

ALL-A-BLOOM

Dawn Feldman-Brown,

class. Presently the campus is open. Masks are required at all times on campus. Parking permits must be displayed in your vehicle when parked in any UWP lot. Please purchase those passes from the ALL office if you have not yet done so.

PLEASE NOTE: The parking shuttles are no longer running, and there is no plan at this time to resume offering that service to students or guests on campus. Due to the parking situation on campus and a lack of a shuttle option, it is our plan to offer most classes in rooms at Tallent Hall. During times the campus is not in full session we may occasionally use rooms in the main buildings. The rooms at Tallent Hall are smaller in size so there will be a 30 capacity limit for in-person attendance. Virtual enrollment is unlimited.

At the time you are registering for a hybrid option class you will be given a choice for in- person or virtual. Once in-person room capacities are reached all enrollment after will be automatically virtual. There will be **no in-person walk-ins allowed**. Those who enrolled for in-person can opt to attend virtually if a problem arises for them as the link will be sent to all registered. But please don't register for in-person if you aren't sure about coming so others who would want to be there in person can register for that option.

In-person attendees will be asked to silence any phones and also asked to refrain from talking to each other once Vanessa has turned on the microphone in the classroom. Any noises in the classroom are picked up by the microphone and then become annoying background noise for those listening in virtually.

We also want to thank all of you who have supported our classes by virtual attendance over this past year. Because of you we have been able to maintain ongoing financial support to keep ALL in good fiscal condition.

If you have questions regarding the decisions reached by the class committee with regard to the above please contact Merrilee Unrath at (262) 694-7424 or Mary Ann Cassani at (815) 409-1807.

As always, the committee welcomes anyone that would like to join our committee. Contact co-chairs Marylee
