## CLASS COMMITTEE

Merrilee Unrath, mleeu@wi.rr.com  
Patti Gross, patriciagross368@yahoo.com

In January, Ann Antaramian McGuire introduced us to the political impact of movies from 1945 and 1960. It was an enjoyable experience to see Spencer Tracy and Katherine Hepburn on the screen again, while learning about the political perspectives of this time in history as displayed on the screen. We also toured the Case Tractor Plant where the world-famous Magnums are built, and then lunched at the award-winning Wells Brothers Italian Restaurant, serving us an Italian style family dinner. Everyone enjoyed the day.

In February and March, the Met Opera Live at the Movies series of classes with Gregory Berg continued, with one last class scheduled for the end of April. We also visited the Kenosha Public Museum in February for an Archeology lecture covering the Ice Age, followed by an Irish ethnic lunch at Ashling on the Lough.

March was a month of music including jazz, rock music, and the organ. Russell Johnson's presentation on jazz was exciting. His love of the music was educational for us and now we know that some of the band era CD's are still available for our collections. Craig Swanson's collection of the Beatles and Bob Dylan made for great comparisons of music and social issues of the mid 60's.

The classic and theater organ eras were fascinating. The class, covering theater organs that accompanied silent films, the pizza and pipe restaurants of the sixties, the church organs, and the Sanfilippo Estate, presented an amazing view of organs of the past and the future.

### Tuesday, April 29th

Francis Kavenik is scheduled to present a class on the Shrew from Shakespeare's "Taming of the Shrew" a classic comedy by William Shakespeare. Francis is an ALL member and emeritus professor

of English and Women's Studies at Parkside. This class is open to all members, not only those attending the performance on May 9<sup>th</sup>.

### Tuesday, May 6th

Jennifer Sassaman, the director, will discuss her version of the play, "Taming of the Shrew" and present a review of the Parkside production. She is a new faculty member of the Theatre Arts Department, and had her own theater company in Philadelphia for five seasons. The class meets at 10 to 12 in Tallent 182 and is open to all members, not only those attending the performance on May 9<sup>th</sup>.

### Friday, May 16<sup>th</sup>

Dr. Edward Schmitt will present a class on the 60's. He teaches courses on 20<sup>th</sup> Century U.S. history, African American history, poverty in the U.S. and many others at Parkside. He is also writing a book about activist and humorist Dick Gregory. This class meets from 10 - 12 in Tallent Hall, room 182.

### Two Tuesdays, May 20<sup>th</sup> and May 27<sup>th</sup>

Urban Eating/Foods being presented by Dave Rogers scheduled from 10 to 12 noon, Tallent Hall, room 182. Dave grew up in Green Bay roaming the north woods. He received a B.S. in Biology at UW-Stevens Point. After years of fieldwork around the U.S., he also earned an M.S. in Landscape Architecture at UW-Madison where he studied the distribution and community structure of the Atlantic Coastal Plain flora in Central Wisconsin. He then earned a PhD in Botany where he used historic baseline data from the Wisconsin Plant Ecology Lab of the early 1950's to study changes in Wisconsin plant communities.

### A Week of Learning (AWOL), June 9 – June 13

This year the topic is "For the Health of It." AWOL will cover an in-depth look at Developments in Healthcare, Research & Treatment with exploratory trips to Milwaukee and Chicago.

### Tuesday, July 8<sup>th</sup>

Mark Herzberg will present a class on the Thomas Hardy House built in Racine in 1905 by Frank Lloyd Wright and the Johnson Tower of Racine. Mark was the Director of Photography for the Racine Journal Times for many years. This class will meet in Tallent room 182 from 10 - 12.

**Two Wednesdays, September 10<sup>th</sup> and 17<sup>th</sup>**

Dr. Laura Gellott is Professor Emerita of History at the University of Wisconsin-Parkside where she was a member of the faculty for 30 years. She chaired the History Department for eight of those years and twice was a recipient of the Stella C. Gray Teaching Excellence Award. The class, centering on the history of the Austrian Hapsburg Empire, will be held in the Cinema from 10 - 12.

**Two Wednesdays, October 8<sup>th</sup> and 15<sup>th</sup>**

Professor Norman Cloutier will give us a crash course in Economics 101. Cloutier has been a part of the Parkside's Department of Economics for over 30 years where he remains active in teaching, research, and service. He's received the Stella C. Gray Award for excellence in teaching three times here at Parkside! The economics class will meet in Tallent room 182 from 10 - 12.

We are also working on classes that could cover geology, art in the community, art history, and ethnic dining. Look for the flyers and mark your calendars for all the adventures in learning that are coming your way. Please feel to contact us with any suggestions for future classes.

**DAY TRIP COMMITTEE**

Julie Rae Friedman, 942.7113 or jrf@wi.rr.com

Martha Krimmer, 554.8122 or mkrimmer2@wi.rr.com

In January, we visited the Case Tractor Manufacturing Plant for a tour, with lunch at Wells Brothers. In April, we were enthralled by the Sanfilippo "Place de la Musique," a private museum in Barrington Hills, Illinois, known for its collection of antique music machines and so much more. One of the great advantages of belonging to ALL is that we can travel to places like this, as it is closed to the public except for concerts, fundraisers, and pre-arranged groups tours of 40 or more, like ours. If you ever have a chance to see this beautiful estate, grab it! It's astonishing. At this writing we have not yet been to Lend Me a Tenor at the Skylight Theatre and dinner at Coquette (at the end of April), but we're sure it will be a good trip.

**Coming Up**

**May 4 and May 18<sup>th</sup> (Sundays):** We travel back to 1893 and experience the excitement of the White

City in **Opening the Vaults: Wonders of the 1893 World Fair** and discover artifacts and specimens from the Field Museum's collections that have rarely been exhibited in the past 120 years. We will have lunch at the Walnut Room, a Chicago landmark since 1907, and then "Devil in the White City" bus tour with Diane Dillion as our guide. We are running **two** trips for this event because we had so many on the waiting list. It pays to sign up and let us know that you are interested!

**May 9: Taming of the Shrew** at UW-Parkside. Once again we will have our annual Shakespeare event with our talented Parkside theatre students. Two classes are scheduled prior to the performance: one about the classic comedy itself by Frances Kavenik, and one on the play's production by director Jennifer Sassaman.

**June 4:** Do you remember the '60s? We're off to a matinee performance of **Hair** at the Skylight Theatre with lunch and a pre-play lecture at the theatre. We will also have a class on May 16<sup>th</sup> by Ed Schmitt, Associate Professor of History at Parkside, "Setting the Stage for Hair: The Countercultural Moment in the Sixties."

**June 9:** Our **Week of Learning** "For the Health of It: New Developments in Healthcare, Research and Treatment."

**July 8 (Tuesday) and July 27 (Sunday):** We travel to **Ravinia** for dinner under the tent and a concert by the Chicago Symphony Orchestra in the Pavilion. The July 8<sup>th</sup> concert features Sir James and Lady Jeanne Galway, renowned flute soloists. July 27<sup>th</sup> is a Tchaikovsky Spectacular with the annual performance of the 1812 Festival Overture with live cannons. If you've never heard this live, you should!

**August 12-14:** Our three-day, two-night trip this year will be **Down the Mississippi**. We are traveling by coach to Galena, Illinois, a charming small town, home of Ulysses S. Grant, and go to the museum there, and then on to Dubuque, Iowa, where we'll be staying at the historic Hotel Julien with dinner at the Diamond Jo Casino. Next morning we board our paddleboat for a full day trip to Moline. On board we will have breakfast, lunch, and dinner, and will be picked up

in Moline by our bus and taken back to Dubuque. On the third day, after a hot breakfast at the hotel, we will head for home, stopping in Monroe, Wisconsin, to visit the National Historic Cheese-making Center, have lunch and entertainment at Turner Hall, and visit the Alp and Dell Cheese store and factory where we can look through windows to watch them make cheese – and we can purchase a variety of cheeses there, too. Trip includes: bus transportation, 2 hotel nights, boat down the Mississippi, 2 breakfasts, 2 lunches (one lunch on your own), 2 dinners, and admission to museums. Estimated cost: a little less than \$400 for those sharing a room; add about \$100 for a single room. Save your pennies!

Again, we hear that some members believe that board members get priority for day trips. This is not true! They receive flyers the same day they are distributed at the lecture and do not have advanced sign up. If you want to go on a trip, send your registration in early. We are now almost 500 members and it is still first come, first served. When it is evident that there is great interest in a particular day trip, we will try to arrange a second trip, but this is not always possible. We are always looking for people who would like to help us plan and implement these trips. Let us know if you are interested.

As always, events are subject to change. See event flyers for details.

### FINANCE COMMITTEE

Pat Koessl, 262.694.3453 pkoessl@milwpc.com

### HOSPITALITY COMMITTEE

Barb Emick, barbarajemick@gmail.com  
ALL's annual picnic will be held the Monday after Labor Day, September 8<sup>th</sup>. The information flyer and registration form will be going out the beginning of summer. Pre-registration is required because our food vendor must submit a written contract to us for approval prior to the event. As we will not be able adjust quantities after the deadline date tally, admission on the day of the event will not be possible.

This is a great time to relax, socialize and enjoy the day. Hot, cold, rain, sun, snow, or perfect weather may greet us. Regardless of the weather, we always have a good time. Join us!

### LECTURE COMMITTEE

Mac McCaughey mmctwo@wi.rr.com

Lectures at 2pm in the Parkside Student Cinema

**May 5:** Student Research Projects. Parkside students report on their various research projects, coordinated by Professor David Higgs. These students will have already presented their research projects at the annual statewide symposium for college and university students, an event that moves among campuses in Wisconsin.

**May 19:** "Boosting Your Brain" presented by Michelle Braun, PhD, Neuropsychologist at Wheaton Franciscan-All Saints, Racine. Dr. Braun is well qualified for this talk, having her doctoral degree in Clinical Psychology from UW-Milwaukee, plus a host of other esteemed educational accomplishments. She serves on the Scientific and Advisory Panel of the SE Wisconsin Alzheimer's Association as well as on a number of other professional boards. Dr. Braun says she "enjoys motivating others to improve health and quality of life by making change fun!"

**June 9 – 13:** ALL's Week of Learning – For the Health of It.

### MEMBERSHIP SERVICES COMMITTEE

Marion Sperer 262.634.0336 mjs1831@yahoo.com

Our membership continues to grow. We're approaching the 500 mark soon, and we always welcome more new members.

### PUBLICITY COMMITTEE

Karen Kempinen, 262.945.2091

ilovebaseball4@hotmail.com

On March 27<sup>th</sup>, the Publicity Committee represented ALL with a table at the second "Keys to Healthy Living Conference," which was attended

by more than 90 guests in the Madrigano Auditorium at Gateway Technical College, Kenosha. Jarlene Kriehn set up her iPad at the table to show guests how to explore ALL opportunities through the new Parkside website. The Publicity Committee also submitted an updated ALL brochure for in-house printing at Parkside.

### STRATEGIC PLANNING COMMITTEE

Charlotte Short, 262.764.3066 charshort1@hotmail.com  
The Strategic Planning Committee has completed its work on a five year Strategic Plan. It has been presented to the ALL Board for its approval.

The committee has now disbanded. Special thanks go to Mac and Marilyn MacCaughey, Marion Sperer, Julie Friedman, Tom Kraus, Sue Goelz, and chair Charlotte Short. Also thanks to Sy Adler and Ted Anderson who joined us in the later months of discussion, and Martha Krimmer and Mary Wilkes-Dyette who were part of early work.

### VOLUNTEER COMMITTEE

Kathy Hoffmann 847.746.3416  
kathyhoffmann@mac.com

The Volunteer Committee continues to usher at Parkside's Fine Arts Department events, and they are so grateful for our help. Plus it's a great way to help spread the news about what "The Rita" has to offer! Some of our volunteer ushers actually have season tickets to the performances, so they're able to give their ticket to a friend when they volunteer, making it a doubly great deal with both friends then enjoying a performance. In time, we hope to expand the ways we help out at the university, so if you're interesting in getting in on the action, contact Kathy.

### ALERT: CONFIRMATIONS AND CHANGES VIA EMAIL

We also have snow birds that play when they are here in town. So, please join us and contact Patti Gross to be included in our schedule. This information is listed above.

And throughout the year topic updates, provided by the Foreign Policy Association, were forwarded to group members for review. In October 2014, we will organize for the 2015 season of Great Decisions. Watch your ALL Points Bulletin for sign up information.

We will have summer planning meetings to get ready for our annual picnic and international student orientation. Come to our booth at the annual luncheon for more details, or contact Linda or Jim for more information. ## A FEW MORE THINGS...

**Farewell to Jane Schaefer.** Our ALL organization works closely with the Center for Community Partnerships (CCP) at Parkside in fostering community-based learning experiences and personal enrichment opportunities. (My, doesn't that sound elegant?). Dr. Jane Schaefer, director of the CCP, recently resigned her post to return home to Omaha to care for her aging father. We thank her for her guidance and vision in the past few months and wish her well in the future.

**Welcome, CCP team, Debra Karp and Kay Moormann.** Looking forward, we'll be working up with the newest additions to the CCP staff: Debra Karp, Director of Community-Based Scholarship and Nonprofit Development, who will now serve as the Interim Executive Director of the CCP, and Kay Moorman, the new Assistant Director. Welcome to them both.

**Alyssa Wood**, a senior at Reuther High School, was recently featured in the on-going Kenosha News series that spotlights students from our local schools. Alyssa is the daughter of **Vanessa Greco**, our great assistant in the ALL group office. Alyssa says her Mom is her role model. Ours too!
