## CLASS COMMITTEE

Merrilee Unrath, mleu@wi.rr.com

Patti Gross, patriciagross368@yahoo.com

In 2013 this committee worked to put together classes of interest which included subjects on countries across the globe, finance around the world, journalism, architecture, culture, ethnicity, energy and politics in the United States.

If you have any ideas for class offerings or presenters, please share your ideas with us. We are always excited to have new members join in, so please feel free to contact Merrilee or Patti for more information about the next scheduled meeting or presenting your ideas.

### Two Tuesdays, January 14<sup>th</sup> and January 21<sup>st</sup>

These classes introduced us to Plays and Their Political Impact presented by the guest speaker, Ann Antaramian McGuire. She brought us interesting perspectives of two plays, "The Best Man" a 1960 Broadway play and "State of the Union" a 1945 play.

### Wednesday, January 15<sup>th</sup>

"Case Tractor Plant Tour & Ethnic Dining" – two historic Racine institutions: a tour of the Case IH tractor manufacturing plant to learn how the world-famous Magnums are built, followed by a delicious family-style lunch at the award-winning Wells Brothers Italian restaurant.

### Fridays, February 7<sup>th</sup>, March 14<sup>th</sup> and April 25<sup>th</sup>

Met Opera Live at the Movies series of classes with Gregory Berg from 10am–noon.

### Thursday, February 27<sup>th</sup>

Archeology class at the Kenosha Public Museum presented by the Kenosha Museum Director, Dan Joyce discussing the environment and animals of the Ice Age from 10am-noon.

### Two Fridays, March 7<sup>th</sup> and March 21<sup>st</sup>

Jazz Music presented on March 7<sup>th</sup> by Russell Johnson, Instructor of Jazz at UW Parkside. He is an active performer here in the US and abroad. Jazz music includes many qualities and is open to many possibilities.

On March 21<sup>st</sup>, Craig Swanson will present Rock Music. He will discuss and analyze pop music

specifically from 1965-1966. Craig retired in 1975 as Editor of the Kenosha News and has written the book "Something in the Air" on this subject. Both jazz classes are scheduled in Tallent Room 182 from 10am-noon.

### Monday, March 31<sup>st</sup>

A class on History of the American Theatre Organ presented by Jon Habermaas is in Tallent Room 182 from 1pm-3. This should be a very interesting class. The Oriental Theatre in Milwaukee still features one of these organs.

### April or May

Our very own Francis Kavenik will present an insight of the "Taming of the Shrew" a classic comedy by William Shakespeare. At another class Jennifer Sassaman, the director of the play, will present a review of the production. These classes are open to all members not only those attending the performance on May 9th.

### Two Tuesdays, May 20<sup>th</sup> and May 27<sup>th</sup>

Urban Eating/Foods being presented by Dave Rogers in Tallent 182 from 10am-noon. Dave grew up in Green Bay roaming the north woods. He received a B.S. in Biology at UW- Stevens Point. After years of fieldwork around the U.S., also earned an M.S. in Landscape Architecture at UW Madison where he studied the distribution and community structure of the Atlantic Coastal Plain flora in Central Wisconsin. He then earned a PhD in Botany where he used historic baseline data from the Wisconsin Plant Ecology Lab of the early 1950's to study changes in Wisconsin plant communities..

### A Week of Learning (AWOL), June 9 – June 13th

This year the topic is "For the Health of It."

The committee is working on classes that will cover the 1960's before the performance of "Hair," the Austrian Hapsburg Empire, biology and economics. Look for the flyers and mark your calendars for all the adventures in learning that are coming your way in 2014.

**Day Trip Committee continued.....**

both the food and the production! **December 5:** Lunch and the Fireside Christmas Program at Fort Atkinson was a lovely experience. **January 15:** A visit to the Case factory for a tour with lunch at Wells Brothers - a different type of day trip.

**Coming Up**

**February 27:** We are going to the Kenosha Public Museum for a talk by Director Dan Joyce. He will discuss the excavation of the Schaefer mammoth in Kenosha County, the bones that are at the Museum, and he will also talk about the Ice Age and the people who lived here and interacted with them. Lunch will be at Ashling on the Lough followed with a visit to the Kenosha History Center.

**April 3:** We go to Sanfilippo "Place de la Musique," a private museum in Barrington Hills, Illinois. It is known for its collection of antique music machines, including phonographs, player pianos, fairground and band organs and calliopes and one of the largest theatre organs in the world. Lunch will be at the Onion Pub and Brewery. A class on the History of the American Theatre Organ will be held prior to the trip - on Monday, March 31.

**April 23<sup>rd</sup>:** Don Cress, a most generous ALL member, has provided us with 50 free tickets to see a matinee performance of "Lend Me a Tenor" at the Milwaukee Chamber Theatre. Description: *A Classic Farce: "When world famous tenor Tito Merelli is hired to play Otello by the Cleveland Grand Opera Company, little do these inexperienced Ohioans realize how many things can go wrong in one brief, but action-packed event"*. We will have an early dinner at Coquette Café – a lovely French restaurant.

**May 4 (Sunday):** We travel back to 1893 and experience the excitement of the White City in Opening the Vaults: Wonders of the 1893 World Fair and discover artifacts and specimens from the Field Museum's collection that have rarely been exhibited in the past 120 years. We will have lunch at the Walnut Room, a Chicago landmark since 1907, and then "Devil in the White City" Bus Tour with Diane Dillion as our guide. Ms. Dillion is the Director of Scholarly and Undergraduate Programs at the Newberry Library. Emphasis is on the strong connection between Chicago's built environment in

the early 1890s and how powerfully it shaped the lives of everyone who came in contact with it. **May 9:** Taming of the Shrew at UW-Parkside. Once again we will have our annual Shakespeare event with our talented Parkside theatre students. Classes on the play and the production are being scheduled prior to the performance.

**June 4:** Do you remember the '60s??? We're off to a matinee performance of Hair at the Skylight Theatre with lunch and pre-play lecture at the theatre. We hope to have a class on that decade before we go. **June 9:** Our **Week of Learning** starts: Working title: "For the Health of It: New Developments in Medicine- Research and Treatment."

Terrence and Therese Constant, co-coordinators  
T2constant@aol.com – 262.657.0877  
Forty-five participants have signed on for Foreign Policy study and discussion for 2014. The participants are the most important element of any discussion program. The goal of Great Decisions is not to master the eight topics included in the briefing book, but rather to deepen awareness and understanding of the issues as they relate to U.S. Foreign Policy objectives.

Included annually in each briefing book are topic Opinion Ballots. In 2013 over 18,000 ballots were

## Great Decisions continued.....

returned from discussion groups throughout the United States. These ballots demonstrated:

### SUPPORT FOR:

- \* Scrutinizing European Banks that operate in the U.S.
- \* Continuing aid to EGYPT to stabilize the country.
- \* Prioritizing human rights in MYANMAR over elections and economic investment.
- \* Choosing diplomatic dialogue over military action and over sanctions when dealing with the IRANIAN nuclear problem.
- \* Focusing NATO on keeping AFGHANISTAN from becoming a sanctuary for terrorists.

### OPPOSITION TO:

- \* Instituting banking regulations to discourage U.S. financial institutions from investing in EUROPE
- \* Justifying a U.S.-led intervention in SYRIA under the doctrine of Responsibility to Protect (RSP).
- \* U.S. military cooperation with ISRAEL is opposed if they initiate a military strike on IRAN.
- \* Opposed to the belief that sanctions have prevented IRAN from building a nuclear weapon.

The results of the National Ballot report are sent to the White House, the Departments of State and Defense, members of Congress and to the Media.

The 2014 Great Decisions organizational meeting was held on January 29, 2014 and the next eight Wednesdays in February and March we will study and discuss the 2014 Topics.

## INTERNATIONAL STUDENT FRIENDSHIP

[lindaburch11@gmail.com](mailto:lindaburch11@gmail.com)  
Jim Burch, 262.654.6714

On January 30th, we welcomed a group of new international students from China, Germany, Korea, India, etc. Thanks to all of you who assist students in getting settled at Parkside to those involved with students in the fall semester. They are so grateful to you!

Please consider joining our group! There are many students, and can always use more people, so contact

us if you are interested in joining. Please know that members are involved only as much as they want to be - there are no set duties or time requirements. A friendly and open spirit and the desire to promote international goodwill are the only requirements. However, your best connection with students is when you actually do things with them, have them over for dinner, take them shopping, etc.

If you are planning to drive students, be sure to give Consuelo Clemens your proof of insurance and a copy of a driver's license. There will also be some forms to sign which will certify that you are a volunteer on behalf of the university.

Spring Semester - Friendship Hours will be meetings at 10:30 in Greenquist 210, followed by the PIC Friendship Hour at noon in Molinaro. DATES ARE February 19, March 19, and April 23rd. We have our meeting and discuss plans; then at Friendship Hour we meet with the members of the Parkside International Club and often have a presentation.

Contact Jim or Linda Burch, Chairs, for information. E-mail to Linda at [lindaburch11@gmail.com](mailto:lindaburch11@gmail.com) or, call Jim at 262.948.9249.
