ALL'S WEEK OF LEARNING

We need volunteers!

Let's get the word OUT!

PUBLICITY

We need to let folks know how great we are!

ALL is a wonderful organization...so let's all get the word out! If you use social media, remember to post about our lectures, classes and social events.

Let folks know what you learn, where we go and how much fun it is to meet new people!

Maybe some of you saw the great two-page article about All called "Learning for ALL" which was printed in the Racine Journal Time's February Lifestyle supplement. In doing some checking, I noticed that the "RJT" seems to include ALL happenings pretty regularly, which is great for us. "Thank you" to Robert Sammer, who has been our PR lead who handles notifying the Kenosha and Racine papers.

If you can help out the publicity team on a regular basis, please contact Patti Gross at 262-658-8849 (patriciagross368@yahoo.com)

President's CORNER ELECTIONS FOR THE ALL BOARD

Elections for members of the 2017 – 2018 Adventures in Lifelong Learning Board will be held at the Annual Meeting on June 19. Five candidates are running for a possible first term and three new Members-at-Large to be elected for a two-year term. Short bios from the new candidates are listed below.

BOARD MEMBERS (to be elected for a first term):

President – Wren Ide

President-Elect – Jerry Hershberger

Recording Secretary – Kathy Geniesse

Treasurer – Colin Carter

Immediate-Past President – Patti Gross

Wren Ide - I retired from Kenosha County Division of Aging after 34 years of employment and have been a member of ALL since 2007. Past ALL board experience includes corresponding secretary, member-at-large, and president-elect. From 2009 through 2016 facilitated the ALL hiking group. I particularly enjoy the classes offered to our members and the Week of Learning. My time facilitating the hiking group has been a joy and a great way to get to know other members. I look forward to serving our members as president.

He served a total of nine years on his church board including positions as treasurer and president and is currently president of Wildwood Park property owners association. The hospital merger led to reception duties in the Family Practice Clinic at United Hospital's St. Catherine's campus.

Through involvement with ALL, I've found that the Current Affairs, Great Decisions and lecture series nourishes my mind. The trips, good food, theater visits and interesting people fulfill my soul. I recognize the importance of volunteering to sustain the longevity of this mind-broadening group and am grateful for the opportunity to participate.

Colin Carter - Born in the United Kingdom. Worked in accounting firms from 1964 to 1980 in London, Freetown (Sierra Leone), Kuwait, Abu Dhabi (UAE) and Lagos (Nigeria). The place to be at noon on the third Monday of each month is the Orchard Room in Tallent Hall, where a group of curious, thoughtful ALL members get together to discuss local, national, and international events of the day. Topics have ranged from infrastructure to privatizing long-term care in WI, from net neutrality to Brexit, from the South China Sea to the White House, from Russia to hopeful innovations in science and technology. We search for solutions that elude politicians, economists, and leaders in business, labor, and education. We generate a better

Since April is national poetry month, we offer a poem he wrote, quite possibly the shortest poem in our 600 page anthology:

WATERMELONS

*Green Buddhas
On the fruit stand.*

*We eat the smile
And spit out the teeth.*

INTERNATIONAL STUDENT FRIENDSHIP

Nat Cyenas 262-639-4408 ncyenas@wi.rr.com

The Office of International Student Services invites ALL to participate in the NEW Cultural Connection Program for the 2017-2018 academic year!

What is the Cultural Connection Program (CCP)?

The Cultural Connection Program pairs UW-Parkside international and exchange students with members of the community. Similar to a host family program, it has no live-in component. The CCP is a great opportunity to foster relationships with incoming international students and make them feel welcome at UWP and in the USA. As a host, you share culture, tradition, and favorite things/pastimes with the student, as the student's role is to share the same with you! This program aims to provide opportunity to develop mutually-beneficial relationships through interacting and engaging with people from diverse backgrounds and cultures.

What will the student and I do together?

What should I expect?

There are no limits on how often CCP students and hosts meet/spend time together. The growth and maintenance of the relationship is completely up to you!

Some ideas for mutual activities include: inviting students for holiday events (Independence Day, Thanksgiving, Christmas, etc.), touring and shopping trips, having a meal together, etc. Hosts are not expected to support their student financially, provide lodging or get involved in any legal situations.

For more details on the program, visit us online at www.uwp.edu/learn/internationalstudentservices/culturalconnection.cfm.

Who can become a host?

- Single individual, a couple, or a family who is a member of the UWP campus community.
- Must commit to being involved in the CCP for one academic year and adhere to the CCP Guidelines.
- Must desire to engage in an international friendship and be open to learning about and experiencing a new culture while sharing the values and traditions of their own!

Apply to become a CCP host now!

Applications are available on line:
http://uwparkside.qualtrics.com/jfe/form/SV_3q6egajEVZ9jhP

Hosts will be informed of their assigned student once a match has been made and will be invited to the Fall International Welcome Picnic on September 16, 2017 .

This is a great opportunity to cultivate relationships and create memories that will last a lifetime! If you have any questions regarding the program or involvement, please contact Diana Mantey at mantey@uwp.edu.

I  a good audit

WHAT A GREAT IDEA FOR SOME LEARNING FUN!

One of our members, John Hinze, sent in some information he thought would be of interest to those of us who love to learn...and I most definitely AGREE!

According to John, one of the often overlooked (and under utilized) areas for seniors looking for intellectual stimulation is right here at UW-Parkside. A senior

citizen can audit any number of regular classes at **any of our state universities** without paying any fees. State Law exempts Wisconsin residents who are sixty or more years of age from payment of fees for auditing classes. The senior citizen is able to attend the same classes as the regular students for the entire semester

Here’s what John has to say about his experience auditing classes at Parkside.

“I retired after 38 years in the insurance industry and started taking classes at Parkside in 1997. **I have now attended 75 different classes!** Everything including Art History, Music, Political Science, History, English, Philosophy, Sociology, Anthropology, Theatre Arts, Economics, Geosciences, Geography, Criminal Justice, and Psychology. And, I was very fortunate to have taken nine history classes from Dr. Laura Gellott before she retired from Parkside in 2012.

I am now 83 years old and believe these classes have really added to my retirement years. I plan to continue doing so for as long as possible.

I believe that many of our senior citizens might enjoy this free opportunity, just as I have.”

If interested, simply contact the admissions department at UW-Parkside. Or go to their website: www.uwp.edu/live/offices/registrarsoffice/audits.cfm.

In Memoriam

Mary K. Johnson
1924 – 2017

Mary K. Johnson, 92, of Kenosha, passed away on Sunday, April 2, 2017, at The Addison of Pleasant Prairie.

Mary graduated from Marquette University in 1946 with a degree in medical technology and was employed by Dr. Samuel Rosenthal in Milwaukee and then at the Kenosha Blood Bank.

On May 7, 1962, she married Dr. Warren A. Johnson, who preceded her in death on Feb. 26, 2016. Mary was an active member at St. Mary Catholic Church for 55 years. She worked as Director of Religious Education at St. Mary Catholic Church for more than 25 years, retiring in 1988. She and Warren served on the Parish Council liturgy committee. She taught religion classes for many years and coordinated the teachers of religious education. After retiring she continued, with Warren, helping in the RCIA program to initiate adults who wanted to become practicing Catholics.

MESSAGE from Joyce Gyurina

“I want to thank all who called and sent cards and emails with kind thoughts and sympathy at the death of my daughter-in law, Jane Gyurina, my son Jay’s wife. She was kind, caring, very special and will be deeply missed.”
