### **President's CORNER**

■ Wren Ide

I love Fall. Every year I welcome the temperatures cooling, nature changing colors and geese honking their way south. How many of us pass a pile of leaves and have the urge to run and jump into the pile? What a great time of year to be in Wisconsin!

Thank you Martha Krimmer for your many years of co-chairing the Day Trip Committee with Julie Friedman. Martha recently stepped down from that committee. She and Julie have done a wonderful job guiding us and the committee through many day trips. Carol Scotese and Frances Kavenik are co-chairing going forward and will continue that high standard. Thank you to everyone.

Do you enjoy science? Would you like to have more science-based classes and/or day trips? Well, the Class Committee could really use your help and ideas. The folks on the committee readily admit that science is not their strength and it would be great to have help in that area. Contact information for the Class Committee is located in the committee reports in this APB.

The holidays are coming. Don't miss our Holiday Gala on Monday, December 4 at The Covenant at Murray Mansion in Racine. This is a new venue and should be fantastic! The folks planning this event do a wonderful job every year. Come out and get your holiday off to a great start!

#### **Save the Date Annual Holiday Gala**

**Monday, December 4th, at the newly  
renovated "Covenant" at Murray  
Mansion in Racine, WI .**

There is a parking lot in the back with  
easy access to the building, which has  
no steps. Hope to see many  
ALL members at this Annual  
Holiday Gala event.

Don't miss this!

#### What you should know for Day Trips:

GET YOUR REGISTRATION IN RIGHT AWAY — on line if possible. If you have registered and are unable to attend an event, call Vanessa at the ALL office at 595-2793. If we know about it before the deadline, we will refund your money (we have to confirm for tickets and restaurants and pay what we contracted for). If you are unable to attend after the deadline and we have a waitlist, we will try to sell your spot to the next person on the waitlist. Call the trip leader listed on the flyer for information on the trip itself. As always, events are subject to change.

#### The Milwaukee Symphony Orchestra Prelude Series

has 20 members signed up for the **FRIDAY MATINEE SERIES**. The school bus leaves Tallent Hall at 8:30 a.m. with another pickup at Roma Lodge about 9:00 am. The trip to Fermi Labs in Batavia, IL attracted 55 participants, with a significant waitlist. Fermi is America's particle physics and accelerator laboratory, leading the world in neutrino science with particle accelerators, and the nation in the development of particle colliders and advanced particle physics through measurements of the

cosmos. Their mission is to solve the mysteries of matter, energy, space and time for the benefit of all. The campus also has beautiful grounds and even a herd of buffalo. Lunch at Two Brothers Roundhouse was very tasty and filling!

**Wednesday, September 13, 2017**

The trip to the Chicago Art Institute and Russian Tea Time took advantage of the Art Institute’s once-a-year outreach to seniors, with free entry to the Art Institute, lectures, guided tours, and special exhibits. Lunch at Russian Tea Time concluded the day. 38 have signed up.

**Thursday, October 19, 2017**

The trip to East Troy to ride (and be fed) on the East Troy Electric Train was so popular, we had to order a bigger bus and use a second dining car! The trip also included a visit to the Museum at the depot and an old fashioned ice cream parlor nearby.

**Wednesday, November 1, 2017**

**Alternative Energy Outing** includes the Point Beach Nuclear Plant in Two Rivers, the Blue Sky Green Field Wind Energy Center in Malone, and a buffet lunch at Altona Supper Club in New Holstein. **LECTURE COMMITTEE**

*Mac MacCaughey: mmctwo@wi.rr.com*

**What a wonderful time for continuing education!**

- 2017 has seen **Wisconsin Public Radio celebrating it’s “First Hundred Years”** of broadcasting news, music, conversation, and all kinds of creative learning experiences.
- 2018 sees the **University of Wisconsin - Parkside celebrating its “First Fifty Years”** of providing outstanding education for students of all ages.
- And 2018 will see **Adventures in Lifelong Learning celebrating our “First 20 Years”** of providing lectures, classes, day trips, focus groups, and the opportunity to learn by helping make ALL the remarkable experience that it has become.

Your Lectures Committee is working on the first half of 2018 and, if all goes well, will have speakers discussing eye care, fitness for seniors, drones, the Civil War Museum’s artifacts, the collections at the Racine Art Museum, economic development, higher education, our annual student research presentation, solar energy, and livable communities.

These topics range all over the spectrum of interests and concerns. Bruce Pepich, Director of the Racine Art Museum, presented the very first lecture for ALL in January, 1998 and we were anxious to have him tell us how RAM's collections have grown during these 20th years, to becoming one of the largest collections of contemporary crafts in the country. The Civil War Museum's artifacts tell quite a different story, one no-the-less interesting, providing a different kind of learning experience.

Some of the topics planned fall nicely into categories — health, science and technology, educational issues, collections.

We try to provide a broad array of topics for exploration and find that our guest speakers are pleased to share their knowledge, skills, and interests with a group of attentive adults. And all this for a warm “thank you” and a ball point pen.

We will be celebrating ALL's “First Twenty Years.” That's a good beginning! **Keep up the good work. And CONTINUE TO LEARN!**

~~~~~  
**CONFIRMATIONS AND CHANGES**

Registration confirmations from the ALL office for classes and trips, or room changes, are sent via e-mail. If you change your email address, notify Vanessa Greco, greco@uwp.edu. Please check for new messages every few days! No email? We'll phone you.

Many thanks to all the awesome volunteers who help out. Your volunteer service is important!

**SOCIAL COMMITTEE**

*Joyce Gyurina: 657-5990,  
joygy31@wi.rr.com*

ALL's Annual Picnic was held at Pritchard Park in Racine, WI on September 11, 2017. The weather cooperated and 95 members enjoyed sunny weather, good picnic food, cooled drinks and wonderful delicious desserts. **A HUGE “thank you” to my planning team which included Pam Drummond and Tricia Frost** who helped plan and order items for this outdoor event. ALL purchased new picnic table covers with elastic borders so we didn't have to tape them , which saved a lot of time and they looked very nice. Thanks to Nat Cycenas for organizing the brain-game which is always an interesting challenge. Thanks to Al Locke and Frank Klein who led the hikers on the park trails. I also want to thank those who helped with registration, set up and clean up: John Schlax, Gayle Caldwell, Pat Stulgin, Debbie Wiersum, MaryRose Williams, Pam Drummond, and Tricia Frost. Very much appreciated !!

Thanks to members who generously donated a nice variety of homemade desserts: Sharon Acerbi, Gayle Caldwell, Doris Colombe, Nat Cycenas, Tricia Frost, Karen Kaleck, Barb Leable, Norma Rukavina,, Dawn Storves, Sharon Uttley, Debbie Wiersum, MaryRose Williams, Carol Zelt. Many commented on the variety available. They love those desserts!

The Social committee is also responsible for “greeters” who welcome members and guests before lectures with a warm friendly “hello”, and a big smile. I am very proud and grateful for my volunteer greeters who willingly arrive 30 minutes early in good and bad weather, always with a friendly greeting and an inviting smile. **A big “thank you” to each and every one!!**

Ted Anderson: 639-7863 trawisc@gmail.com

Current Affairs meets every third Monday at noon in the Orchard Room of Tallent Hall, where we continue to address the compelling issues of the day.

Each meeting is different, as changing local, national, and international events provide timely fodder for spirited deliberation. Recent topics of discussion have ranged from death with dignity to FoxConn to wealth inequality. The debate is energetic and lively, sometimes contentious but always civil and reasoned. We are a diverse group, with varying backgrounds and views; what brings us together is a keen interest in what is going on in the world.

The coming months will provide plenty of issues to keep the conversations going. You are invited to join us!

## OVER THE HILL HIKERS

For more information, contact:  
parksidehikers@gmail.com

The Over-the-Hill Hiking groups scheduled a number of interesting hikes taken this summer. **The morning group under the co-leadership of Lynda Jobman and Nancy Barda** was very active. With the help of monthly volunteer leaders, 4 hikes were planned in both August and September and 2 hikes for October. The hikes range from 1.5 miles to 3 miles in length, usually on well-groomed trails and in interesting places such as the Lake Michigan lakeshore or along rivers and streams in southeastern Wisconsin and northern Illinois. We average about 12-15 men and women each time and have enjoyed lunches at a wide variety of diners and cafes afterwards.

The **PM Hikers** under the leadership of Al Locke have also had several hikes, usually in conjunction with some music event such as Jazz concerts at Kemper or POP's concerts in Kenosha in the late afternoon/early evening. Al continued his hikes in October to take advantage of the beauty of fall and cool weather.

Two coordinators have volunteered to head up the Over-the-Hill Hiking group for 2018.

**Doreen DeCesaro and Terese Zinn will co-chair,** replacing Lynda Jobman and Nancy Barda.

Thank you everyone for supporting our hike leaders! Lots of volunteer help makes the work easier. Hikes concluded at the end of October and will start up again in May 2018.

## ALL-A-BLOOM

Dawn Feldman-Brown:  
262-694-1748  
pdfbrown@yahoo.com

We have had a wonderful summer this year and the unseasonably warm fall temperatures have extended our gardening pleasure. A big thanks to all who are involved!

July found us at the Potter's Garden where we saw exotic blooms of great beauty, a wide variety of many other plants, and two beautiful ponds full of water flowers.

Afterwards we went to Dawn's home and garden along Lake Michigan and had a wonderful picnic featuring foods from around the world!

The group concluded it's garden season with a trip to Anton's Garden Center in August...and then in October, a program by Penny Timm on winter gardening, herbaceous pest control and plant phenology.

In November we wrap up and begin planning for the 2018 season which for us starts in March.

**Questions? Contact Dawn Feldman-Brown at 262-694-1748 (pdfbrown@yahoo.com) .**

## The unusual city garden of Randy & Rosalyn Potter

The influence of Asia flows across this "unassuming" back yard in the heart of Kenosha...and the All-A-Bloom group was fortunate to have a private tour of Randy and "Roz" Potter's spectacular garden this summer.

I asked Roz to describe their special garden. Here's what she said...

*"We have a lotus pond (lotuses, water lilies, water hyacinths, and water lettuces with gold fish and frogs) and a koi pond (friendly colorful koi and frogs, as well as aquatic plants, that enjoy the waterfall). The garden (including both decks, corner gazebo, all the birdhouses, new shed door, etc.) which has an Asian and English theme where butterflies, birds, and bees tend to party; is our passion and the hard work of Randy mostly."*

**The All-A-Bloom group enjoys great gardening programs and interesting tours throughout the summer months.**

If interested in joining, contact Dawn Feldman-Brown: 694-1748 pdfbrown@yahoo.com,
