President's CORNER

■ Wren Ide

Greetings ALL members.

Fall is such a great time of year.

Who doesn't enjoy watching the leaves burst into color. I also welcome the cooler temperatures and shorter days. It just feels good.

With winter on the horizon a reminder that ALL events are cancelled whenever Parkside, the Kenosha Unified School District or the Racine Unified School District is closed due to weather.

Congratulations to Parkside for 50 years of education. The university has many activities to celebrate their 50 years throughout this school year. Check their website uwp.edu for more information.

You will soon have the opportunity to register for our winter gala – one of the three all member gatherings. Our picnic in September was terrific so you know the winter gala will be as well. Don't miss out.

Wishing you all a peaceful Thanksgiving, a wondrous Christmas and a New Year of adventure in our quest for lifelong learning.

Save the Date
ANNUAL HOLIDAY GALA!!

Larry Gregg lgregg@wi.rr.com

Lectures are on Mondays at 2:00 p.m. at UW-Parkside’s Student Center Cinema.

NOTE: If the shuttle is not running, park in the Student Center main lot.

NEW LEADERSHIP FOR LECTURES COMMITTEE

Meredith Clubb and Larry Gregg have become co-chairs of the Lectures Committee, following the resignation of Moreau MacCaughey who felt the time was right for a change. Contact either Meredith or Larry with suggestions for lectures. Our members are involved in so many activities and know so many potential speakers that your recommendations are always appreciated.

A HUGE “Thank You” to Moreau (Mac) MacCaughey for many years of service on the Lecture Committee. His hard work and dedication really made the program what it is today.

Nov. 19 — “Will There Still Be Backseat Drivers in Self-Driving Cars?”

We’re back to technology, this time exploring the rapidly developing move to autonomous vehicles that will drive themselves. A member of Gateway Technical College’s Automotive Technology program will discuss what these vehicles may mean for our futures. Remember what John Nichols predicted during his recent lecture? He said a person will be able to call for a driverless vehicle, tell it where to go, and the vehicle simply will take the person to their desired destination. Just what we will need when we can’t drive any longer.

December has no lectures. Plan to attend ALL’s Holiday Gala on 12/3/18, flyer will be going out in November mailing.

January: Lectures begin a bit later than usual, due to the beginning of classes on campus, making parking even more difficult, and the campus will be closed for Martin Luther King Day. Our lectures for the month have two really different perspectives.

Jan. 14th — Dr. Bryan Albrecht, President of Gateway Technical College, will discuss how **Gateway is preparing for a “Smart World.”** This a term used frequently these days when dealing with the latest technologies and it is important that we know what it means and what we can expect our communities to look like.

Jan. 28th — **The musical, Hamilton**, has renewed interest in the main character, Alexander Hamilton, and in his relationship with Aaron Burr. *Eric Pullin, a professor at Carthage College*, will discuss the relationship between these two men and what led to their infamous duel.

Tentative Spring 2019 Schedule:

Feb. 14: Senior Safety and Security

Feb. 28: Opioid Epidemic

Mar. 4: Renewal Energy/Oak Creek Coal Plant

Mar. 18: Refugees and Immigration (*rescheduled from Fall*)

**ANNUAL HOLIDAY GALA!!**

**Monday, December 3, 2018**  
**UW Parkside Ballroom**  
*Don't miss this holiday treat!!!*

**What a perfect day for a picnic!!** ALL's Annual Picnic was held on September 10, 2018, at Pritchard Park in Racine, WI. The weather was perfect and 90 members enjoyed the sun, good picnic food, cooled drinks and a delicious decorated cake to celebrate ALL'S 20th Anniversary. Nat Cynenas entertained the group with a puzzle game, Frank Klein led hikers through the park and three lucky members won door prizes.

**A HUGE "thank you" to my planning team** which included Tricia Frost, Pam Drummond and Patti Gross who helped plan and order items for this outdoor event. I also want to express my gratitude to all who helped with registration, set-up and clean-up; Tom Coe, Vera Schalk, Patti Gross, Trisha Frost, Pam Drummond, Mary Rose Williams, Joanne and Richard Willer and Al Locke. The successful picnic was possible because of their input, help and cooperation. So much appreciated!!!

The Social committee is also responsible for "greeters" who welcome members and guests before lectures with a warm friendly "hello" or "good afternoon" along with a big, warm smile. Greeters for October were Martha Krimmer, Judy Kanetzke and Joyce Gyurina. **November greeters** are Nola Gordon, Judy Treleven, Colin Carter and Vera Schalk.

**A big "THANK YOU" to each and every one!!**

HISTORY COMMITTEE

Dave Westman davewestman41@gmail.com
262-554-9132

Ongoing information is being recorded.

Wanted.....Pictures and stories of the past.

Also from ON-GOING events such as trips, classes, and just plain fun. That's how archives are remembered.

Remember, HISTORY is like a picture. It lasts forever (or almost). Be a part of it.

We always have our **HISTORY DOOR OPEN!**

**PUBLICITY COMMITTEE**

Dave Westman  
[davewestman41@gmail.com](mailto:davewestman41@gmail.com)  
262-554-9132

**Recent media focus has been toward on-line applications...**

Both Real Racine and Downtown Kenosha now have our lectures shown daily. In addition we have monthly listings in My Life (Kenosha) and Belle City (Racine). Plus radio and newspaper communication. And that's not all. No pun intended. Even a radio interview from our president, Wren.

**Racine's Real Racine** magazine, a yearly publication, is including ALL's information. Real Racine also has an on-line informational site which Dave will keep updated.

**Belle City** is another Racine publication which comes out monthly and will include ALL's information on a space available basis.

**VisitKenosha.com**, an online site of Kenosha's Convention and Visitors Bureau, will also include ALL's information. Dave thanks Meredith Clubb for suggesting this valuable resource. Dave presented a summarization of all publicity outlets which have been developed since he has taken on the publicity responsibilities.

**And the BEST of all new member methods is word of mouth, and "That's up to Each of You".**

Once again, we welcome your thoughts and ideas. We want the best organization possible. EMAIL ME. And always remember, you can bring a friend (even a stranger).

Ruth Frear: [rfrear@att.net](mailto:rfrear@att.net)

**Current Affairs continues to be a focal point for discussions of local, national, and international events of the day.**

Among the issues addressed in the past few months were judicial appointments, the Catholic church sex abuse crisis, Foxconn, local construction zones, Medicaid, the Palestinian two-state solution, gerrymandering, marijuana, and mid-term elections.

Books that we have found interesting include Madeline Albright’s book on Fascism, and “Opting out of Congress: Partisan Polarization and the Decline of Moderate Candidates” by Danielle M. Thomsen.

**Current Affairs meets every 3rd Monday at noon in the Orchard Room of Tallent Hall.**

We are a diverse group, with varying backgrounds and views; what brings us together is a keen interest in what is going on in the world. The coming months will provide plenty of issues to keep the conversations going.

**Everyone is welcome to join us.**

## INTERNATIONAL STUDENT FRIENDSHIP

Nat Cycinias 262-639-4408 [NCYCENAS@wi.rr.com](mailto:NCYCENAS@wi.rr.com)

The International Friendship Group had a very successful indoor picnic on Saturday, October 6th. Petrifying Springs was closed due to all the rain, so the picnic was held in the Pike River Suites.

Neither the enthusiasm of the students nor the generous amount of food were affected by the move.

## OVER THE HILL HIKERS

[parksidehikers@gmail.com](mailto:parksidehikers@gmail.com)

### Morning hikes:

Doreen DeCesaro 262-818-8975  
[alreen189@gmail.com](mailto:alreen189@gmail.com)

Our hikes are coming to an end until next April (2019). The last hike took place in Lake Geneva, one of our favorites, Tuesday, October 23, 2018 lead by Frank Klein.

We have enjoyed many walks in various places as the weather and mosquitoes have permitted including: Chicago Botanical Gardens, Seven Bridges in Grant Park, Greendale, and the new Pike River pathway south. After the hikes many of the hikers meet at a restaurant for lunch and conversation.

Next year hikes will be planned again starting in April and goes thru October. **Those who would like to join us can contact Doreen DeCesaro at [alreen189@gmail.com](mailto:alreen189@gmail.com) or 262.818.8975.**

We are always glad to see new faces and getting to know each other as we walk.

**To be added to the Over-the-Hill-Hikers mailing list, just send an email to [parksidehikers@gmail.com](mailto:parksidehikers@gmail.com)**

## PM HIKERS

Al Locke [ael@wi.rr.com](mailto:ael@wi.rr.com)

### Hikes start at 4:00 pm.

Perhaps due to the interesting weather this summer, afternoon hikes have not been as well attended as in the past.

Therefore, the PM Hikes are being treated more as an invitational hike, i.e. Al will plan a hike for he wants to do and ask others to join me. A good example was a recent Saturday hike at Lake Geneva. Although it was windy, cold and raining (and no one from ALL was present), we persevered and had a wonderful time. Al will continue to announce that he is having a hike at a particular time and place and ask whoever is interested to come along.

**The PM Hikers want to continue to advertise hikes to ALL members. If anyone is interested in an energizing afternoon hike, please contact Al and he will put you on the email list so you know when and where to meet.**

## ALL-A-BLOOM

*Dawn Feldman-Brown:*  
262-694-1748  
pdfbrown@yahoo.com

Weatherwise we had an interesting summer and autumn as the warm temperatures in September extended our growing season, which made many of us happy.

This year's highlights were the field trips we took. In **April** we toured Gateway's facility which is always interesting. In **May**, we went to Hawthorne Hollow where we were brought up to date on their restoration projects. In **June** we had an interesting talk on different plant varieties as we took a walking tour of Stein's

Garden Center in Kenosha.

**July** took us to Chiwaukee Prairie where we were introduced to many native plants. Our last field trip was to the University of Wisconsin Extension in **September** where we had a great lecture on plant research, followed by a tour of their really creative garden, which in past years has won national recognition.

**October** found us gathered at UW-Parkside to make fall and winter decorations. Our group has some talented and creative individuals, but best of all – we had fun!

**November 21** – Wrap-up...Bring any pictures you might have of your gardens and how you met your garden goals this year.
