## President's CORNER

### Wren Ide

As I begin my second year as president I want to welcome our new member-at-large board members Margaret Kraft, Mary Ann Cassani and Vera Schalk.

Dan Neururer has moved from member-at-large to president-elect.

We are in a new semester of lectures which are always informative and interesting. Be sure to come to the lecture on September 24 when we will hear about the 50th anniversary of UW-Parkside and the

year long celebration plans. Cake and coffee will be provided after the lecture. Yum!

The class and trip committees are working on many new offerings for us. I look forward to this.

**And finally, plan on attending our annual picnic on September 10th.** We return to lovely Pritchard Park in Racine to enjoy food, games, hiking and good conversation with fellow ALL members.

Make sure you pre-register with Vanessa to ensure the proper amount of food is ordered. This year the organizers are adding the vegetarian option of a veggie burger which must be requested at the time of your registration.

John S. Hinze  
December 14, 1933 -  
June 8, 2018

### *In Memoriam*

It is with a heavy heart that we said goodbye to John Hinze, an ALL member who passed away on June 8th. John was a lifelong Racine resident who served the ALL board and organization over the years in many different roles, most recently as ALL's Historian. He took over 75 ALL classes since his retirement and also put together many History classes for the group here on campus.

John graduated from UW-Madison in 1956 with a B.S. in Economics and served in the United States Army active duty and reserve duty from 1957-1964. In 1962 he married Mary Lou Anhalt. He was employed for over forty years at various insurance companies, last working at Insurance Planning Consultants, retiring in 1996. John taught property and casualty insurance courses at UW Extension Division in Milwaukee for ten years. He served as Past President and Director of Chartered Property and Casualty Underwriters (CPCU).

We will all miss him very much.

## COMMITTEE REPORTS

jkriehn2007@att.net

Larry Gregg:  
lgregg@wi.rr.com

VOLUNTEERS are occasionally needed to help with equipment setups for classes in Tallent Hall.

Larry Gregg video records most of the lectures, and past lectures are available on DVD. The DVD box is usually in the back of the lecture hall.

### CLASS COMMITTEE

Merrilee Unrath: mleeu@wi.rr.com

Darleen Chiappetta: darleen.chiappetta@gmail.com

Occasionally change of location is required, so please check your email regularly for class updates.

#### Thursday, August 9 – The Red Violin

(prior to Ravinia trip) composer John Corigliano,  
Dr. Laura Rexroth

We'll explore the connections between the film plot and its music, composed by Pulitzer Prize-winning composer John Corigliano, as well as sampling his other music as Corigliano celebrates his 80th birthday this year! A good background for the trip to Ravinia later in the month.

#### Tuesday, August 14 – Elder Law

Matt Hayes and Laura Zimmer  
of Marquette University

Attorney Matthew Hayes will offer an overview of common, yet important, issues associated with estate planning, advance directives (Power of Attorney and Living Will), probate, long-term care and government benefits available for long-term care.

#### Fridays, Sept 7 & 14 – Dr. Sandra Moats will be speaking about **Climate Change** (*in the Cinema*).

This two-session class focuses on the territorial expansion accompanying the Mexican American War (1846-1848) and its explosive political aftermath. Expanding the nation's size also meant the potential extension of slavery into the West. In attempting to resolve this debate, the politics of the 1850s merely exacerbated tensions over slavery. With the South fearing the loss of their slaves and the North wanting to limit slavery's expansion, a war over slavery's future eventually occurred.

#### We love getting suggestions for speakers and topics.

Just contact either Merrilee Unrath or Darleen Chiappetta.

### CURRENT AFFAIRS DISCUSSIONS

Ruth Frear: rfrear@att.net  
Ted Anderson: 639-7863 trawisc@gmail.com

**Meets every 3rd Monday, at noon in Tallent Hall’s Orchard Room.** Every meeting is different, as the world in which we live is in constant flux. There is no shortage of topics for discussion. Issues addressed in the past few months included net neutrality, the debt crisis, WI gubernatorial primary candidates, Foxconn, Karl Marx and Capitalism, school security and guns, and the European Union.

**The topics to be discussed have been agreed upon the previous month and often members have volunteered to lead the discussion on given topics. Time is also allotted for issues that have hit the headlines since the last meeting.**

Participants often recommend books and articles that they have found interesting, such as an article in The Economist about a documentary on Pope Francis, and another article about Italy wanting to weaken sanctions on Russia; Joe Biden’s latest book; and a Wisconsin Gazette article on Minnesota v. Wisconsin economics.

We are a diverse and curious group, with widely varying backgrounds and views; what brings us together is a keen interest in what is going on in the world. We don’t often find solutions but we do have fun trying.

**The coming months will provide plenty of issues to keep the conversations going. Join us!**
