ALL's June 5 - 9, 2017 Week of Learning:

Cheers to Wine & Beer

Sure, these are familiar beverages, but "still" (pun intended) there's a lot "brewing" this week, including info on their histories, growing areas and methods, use in food and cooking, the in's and out's of retail and distribution, plus a look at medical and religious aspects.

But wait, there's more: we're also going on a field trip that will include some educational sampling!

Monday: registration at 8:30 AM. On-campus classes in Molinaro D132

Morning snacks at break time and buffet lunches on campus, Monday – Thursday.
