# Alternative Energy Outing

Wednesday, November 1, 2017

7 am to 6:30 pm

**Have you ever wondered . . .**

- . . . How safe is nuclear power against natural disasters?
- How does it generate electricity and how long does it take?
- Is it a clean energy source? Is nuclear fission sustainable?
- How is wind energy stored for later use?
- Who uses wind power and how can it get to me?
- How do wind turbines work? What is a wind farm?
- What are the pros and cons of wind power?
- Is wind energy a clean energy source?

Get answers to these questions and more  
 with a bus trip to Point Beach Nuclear Plant in Two Rivers, WI  
 and to Blue Sky Green Field Wind Energy Center in Malone, WI.

(See back for more details.)

**Cost: Members \$35, Guests: \$40, Limited to 55 persons**

Members get preference over guests.

(Bring this page with you on Nov. 1)

## Alternative Energy Outing

Wednesday, November 1, 2017

7 am to 6:30 pm

7 am: Bus leaves Tallent Hall. Arrive by 6:45 am and display parking permit in car.

8:30 am: Bus stops for restroom break.

10-11:30 am: Arrive at Point Beach Nuclear Plant, 6400 Nuclear Rd., Two Rivers, WI 54241. In the auditorium; we will watch a power point presentation about nuclear energy with time for questions and then move on to the hands-on display area. This is NOT a plant tour.

Noon – 1:30 pm: Enjoy a buffet lunch at Altona Supper Club, 2306 Calumet Dr., New Holstein, WI 53061. You have a choice of: baked haddock, breaded shrimp, broasted chicken, BBQ ribs, baby reds, mashed potatoes & gravy, chicken dumpling soup/salad bar and cheese cake desserts. To drink: soda, coffee, iced/hot tea.

2 – 4 pm: Arrive at Blue Sky Green Field, N 9470 County Rd. W., Malone, WI 53049. We will split our group in two. Group one will watch a power point presentation on wind energy to learn about wind turbines with time for questions. A local farmer with a wind turbine on his land will be on hand for questions also. Group two will take the bus to the base of a wind turbine to peek inside as part of the tour (there are 7 steps and handrails). You will get a feel for the tower's height at 262 feet with each blade being 135 feet long! Later the groups trade places.

5 pm: Bus stops for restroom break.

6:30 pm: Bus arrives at Tallent Hall.

Please wear comfortable walking shoes.
