Bookworm Gardens and Kohler Arts Center Wednesday, September 7th from 8am to 6pm

Join ALL to visit the Bookworm Gardens and Kohler Arts Center

- **Bookworm Gardens are divided into six areas, called Gateways, that are organized by theme. Books for each area are laminated and stored inside a stone book pillar. We visited this site and were enchanted with the beautiful gardens. Much better than the web-site.**
- **John Michael Kohler Arts Center: Wisconsin Wild and Tame exhibitions that reveal the power and diversity of art emanating from the Badger State.**
- **James Tellen Woodland Sculpture Gardens: A woodland setting populated with Tellen's renditions of braves and frontiersmen, religious and patriotic icons and a variety of creatures.**
- **Buffet lunch at the new Sprecker's Restaurant (menu on back)**

Wear comfortable clothes and walking shoes
