A
CHRISTMAS
CAROL

Join us at the historic Pabst Theater in Milwaukee for a new adaptation of *A Christmas Carol*. The Milwaukee Repertory Theater's Artistic Director, Mark Clements, and his designers have spent three years and over a million dollars on this new production of Charles Dickens' classic tale of redemption.

For the first time, Scrooge will be played by Jonathan Wainwright (George in last season's *Of Mice and Men* at the Milwaukee Rep), the 12th actor to act this role at the Pabst. We'll see a new set, designed by Milwaukee Rep Associate Artist Todd Edward Ivins, and new costumes by Milwaukee artist Alexander B. Tacoma. Plus you'll experience your first snowfall inside the Pabst Theater. So prepare to sit back, relax, and let the Christmas spirits take you to Victorian England and the world of Charles Dickens.

After the matinee performance of *A Christmas Carol*, we will walk a half block to Water Street to the popular **Rodizio Grill**, with its superlative salad bar and varieties of meat brought to your table by friendly, lively wait staff.
