The European Union

Two Classes by Dr. Laura Gellott
Wednesday, January 11 & Wednesday, January 18, 2017
Molinaro D139   10 AM to 12 noon

The European Union is much in the news. The immigration crisis affecting so many countries in Europe; the lingering crisis of the "Euro Zone;" the rise of right wing, populist, anti-European Union parties; the Brexit vote in Great Britain — all these have brought concerns about the future of the European Union to the forefront.

This ALL course will examine the birth of the European Union, coming out of the disaster of two world wars on the continent in half a century. It will trace the growth of the EU from the initial six countries in 1958 to the present 28 countries, highlighting significant developments along the way. Finally, it will look in depth at the critical challenges facing the European project today.

Dr. Gellott is Professor Emerita of History at UW-Parkside. She served on the faculty for 30 years and chaired the History Department for eight of those years. She received her Ph.D. from the University of Wisconsin-Madison. Dr. Gellott has twice been the recipient of UW-Parkside's Stella Gray Teaching Excellence Award, as well as the recipient of UW-Parkside's Faculty Distinguished Service Award. Dr. Gellott has travelled extensively in Europe. She brings passion and enthusiasm to her teaching of European history, and gladly shares it with the members of ALL.
