Tuesday, Oct 9, 2018 – By 8 am we leave Tallent hall and travel to Baraboo, WI – Home town of the Ringling brothers. Here we begin at Circus World Museum, a national historic landmark site, to see colorful displays documenting all facets of the circus. The bus will stop at the circus train shed complex, so we can explore the 260 spectacular wood wagons. We'll enjoy lunch at The Log Cabin Restaurant, known for their homemade pies. Next, we'll head to the International Clown Hall of Fame to learn about this rare art form that has filled our hearts with laughter for many generations! And then because it is October, the Al Ringling Mansion* offers its 'Haunted Tour' that includes ghost stories and ghost-finding equipment. To end the day, we will dine at Glacier Rock Restaurant known for its wood-stone oven. By 8:30 pm we arrive at Best Western Baraboo Inn. Microwaves and mini fridges are in every room, and the indoor pool and hot tub are open until 11 pm.

Wednesday, Oct 10, 2018 – After breakfast at the hotel (6-7:45 am) we load on the bus by 8 am to travel 1 ½ hours to Warrens, WI and to Wetherby Cranberry Co. for a guided marsh tour to see how our state fruit is grown and harvested! The flooded bright red marshes of cranberries are packaged and available for purchase. A short drive later puts us at the Discovery Center Cranberry Museum (and gift shop) with exhibits loaded with cranberry facts and a 'cranberry filled' lunch including cranberry ice cream! We head back to Baraboo just in time for a back-stage tour of the Al Ringling Theater* built in 1915 and beautifully restored. For dinner we go back in time to the 1950's at the Broadway Diner, having the place to ourselves!

Thursday, Oct 11, 2018 – After breakfast, hotel checkout, and with luggage loaded, we leave by 8:30 am and travel to Baraboo's International Crane Foundation (and gift shop) with the world's only LIVE collection of all 15-crane species! Here we'll enjoy seeing the beautiful birds while learning about the work done to preserve them and their habitats. Later, just a short distance away, we'll visit The Mid-Continent Railway & Museum (and gift shop). After a box lunch we'll wander the grounds to view the vintage rail cars and steam engine sheds and then board a 1900-era train for a 45-minute ride. Our last stop will be in Madison for a visit to the Historical Society's Center for Film and Theater Research. Here historical records range from the United Artist collection containing every film, feature, short and cartoon to holdings from the Red-scare era Hollywood Ten. A small overview of OUR movie era will be on display along with a tour of this state building – the first in WI to be electrified! We'll stop for snacks and then back to Tallent hall by 8 pm.
