SUPERHEROES THEN AND NOW

TWO TUESDAYS: NOVEMBER 3 & 10, 2015
10 AM to 12 Noon, Tallent Hall #182

In these two classes, we'll be investigating the beginnings and the transformations of the earliest American superheroes from early comics to present day film.

The American cultural icon, **Superman** (AKA Clark Kent) first appeared in comic books in the 1930s, and over the years appeared in radio serials, newspaper strips, on TV, in films and video games.

Captain America, a patriotic super soldier who wears a flag motif costume, appeared in comic books in 1941. Near the end of WWII, Captain America was trapped in ice and survived in suspended animation until he was revived in the present day to become the long-time leader of the Avengers in film and on TV.
