

How to view suggested courses and register for classes instructions and screenshots for students

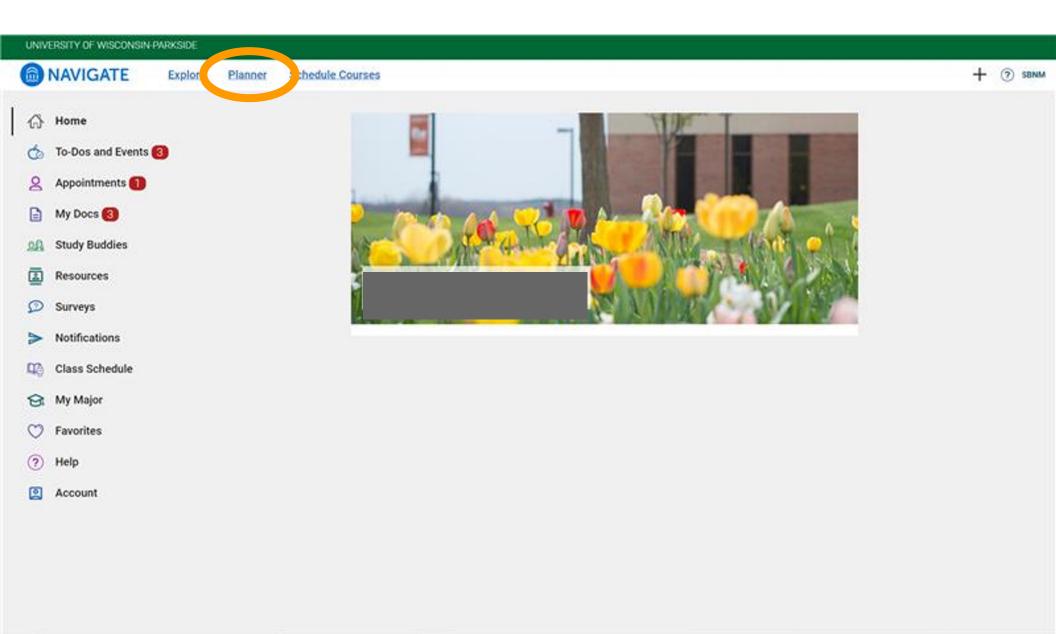

How to view suggested courses and register for classes

step by step instructions with screenshots

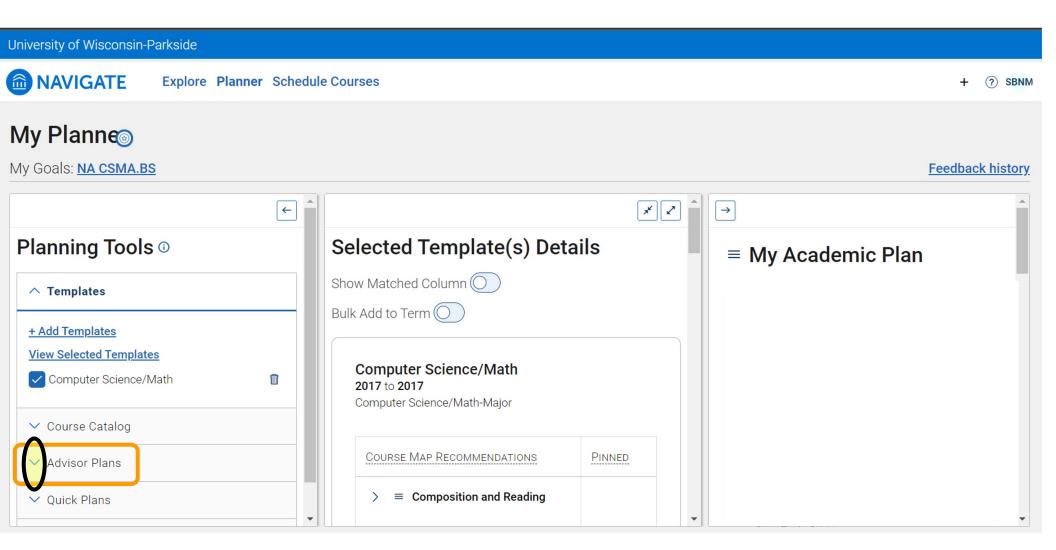

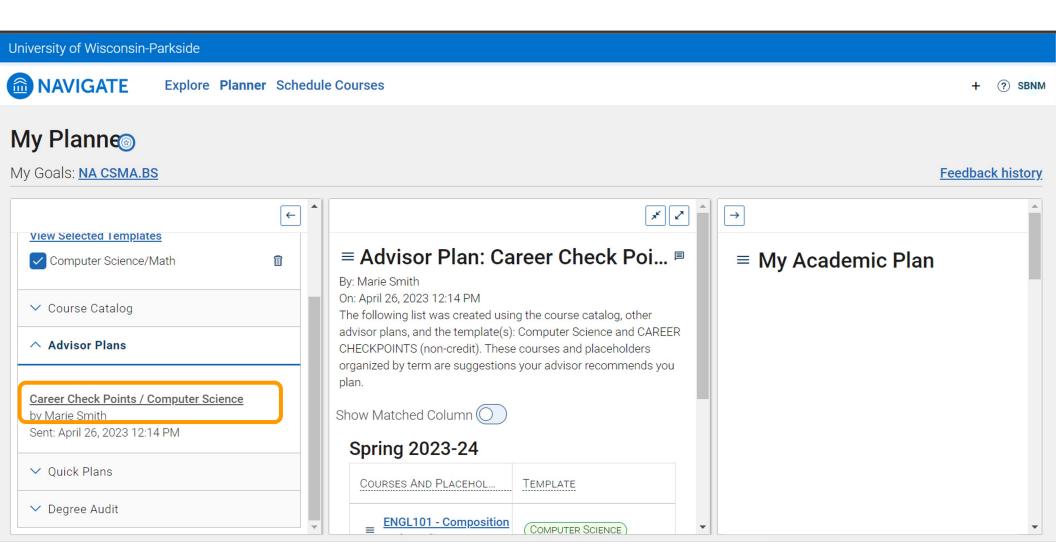

Login to Navigate, click *Planner*

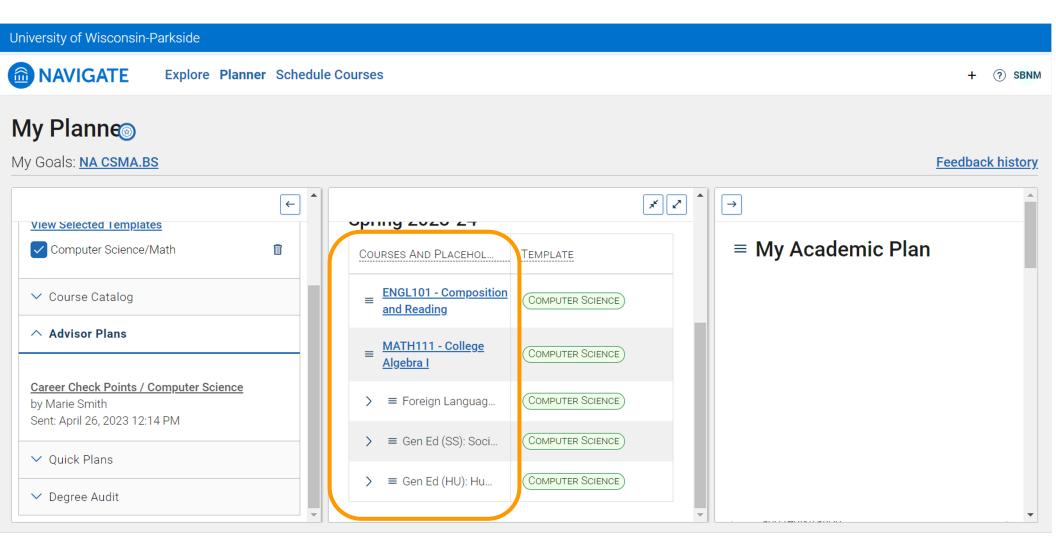

Click the down arrow next to Advisor Plans (left column)

Click the link in the *Advisor Plans* section (links will be labeled differently for each student)

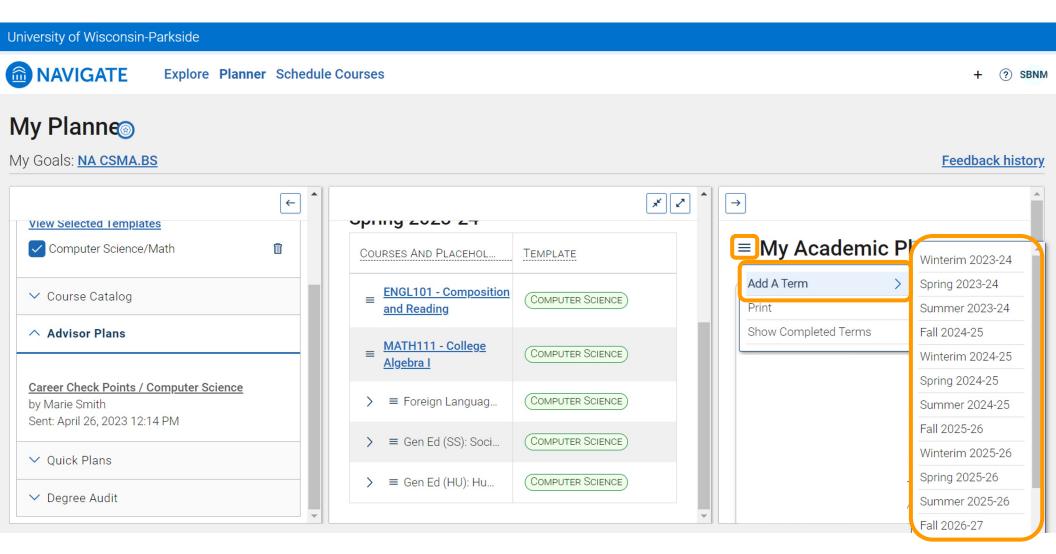

Then suggested courses will appear in the middle column

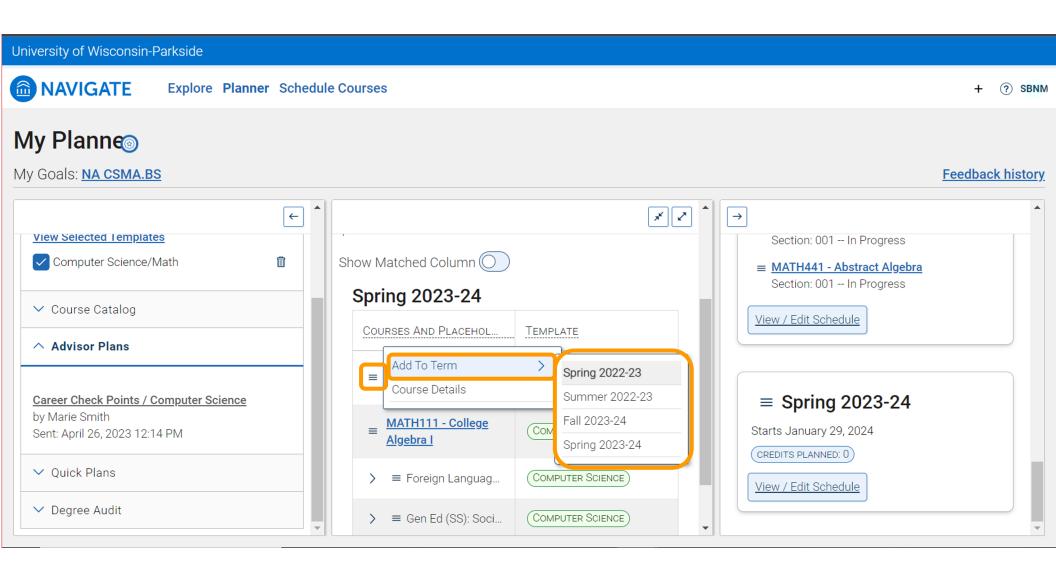

In the right column, in the *My Academic Plan* section, click the three horizontal lines, click *Add A Term*,

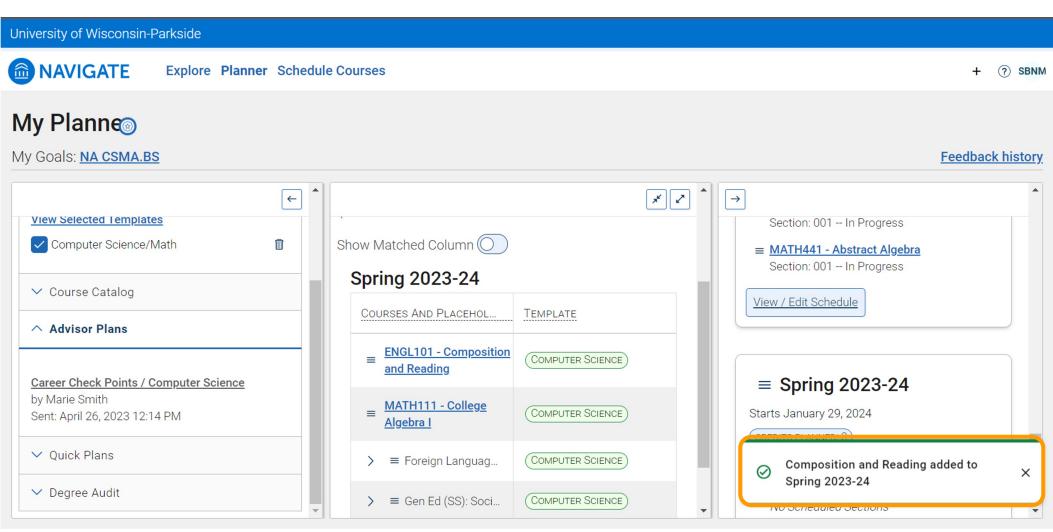

then select the upcoming term and/or desired terms

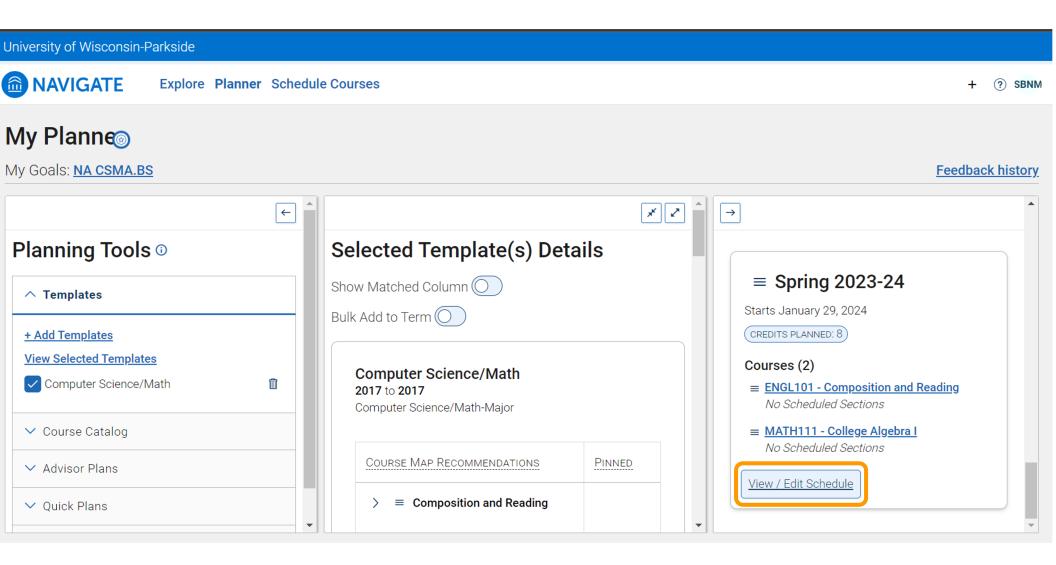

In the middle column, click the three horizontal lines (hamburger menu) to the left of the course title, click Add To Term, then select the desired term

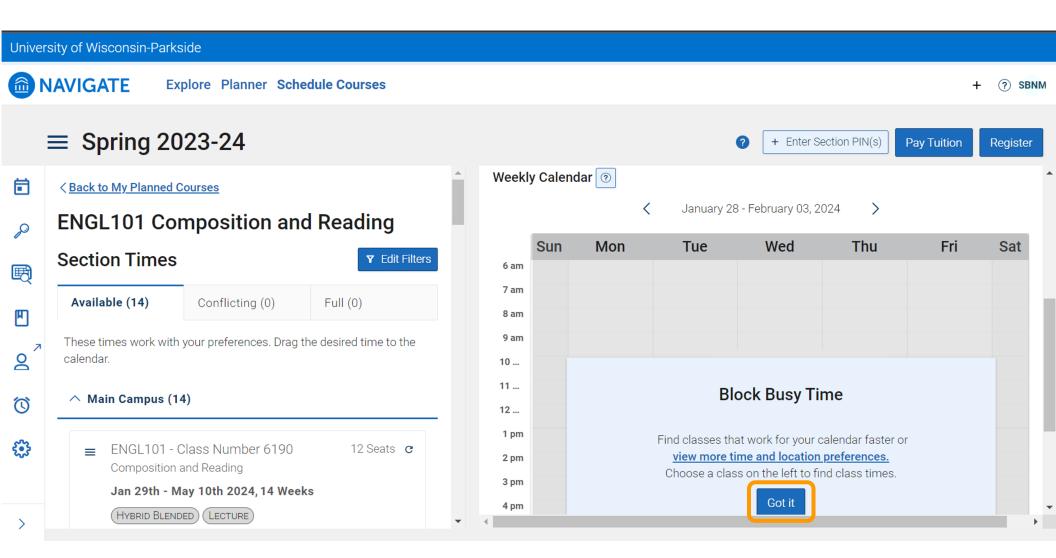

The course will appear in the selected term in the right hand column labeled *My Academic Plan*, a notification will also appear (at the lower bottom) indicating that the course was successfully added to the term

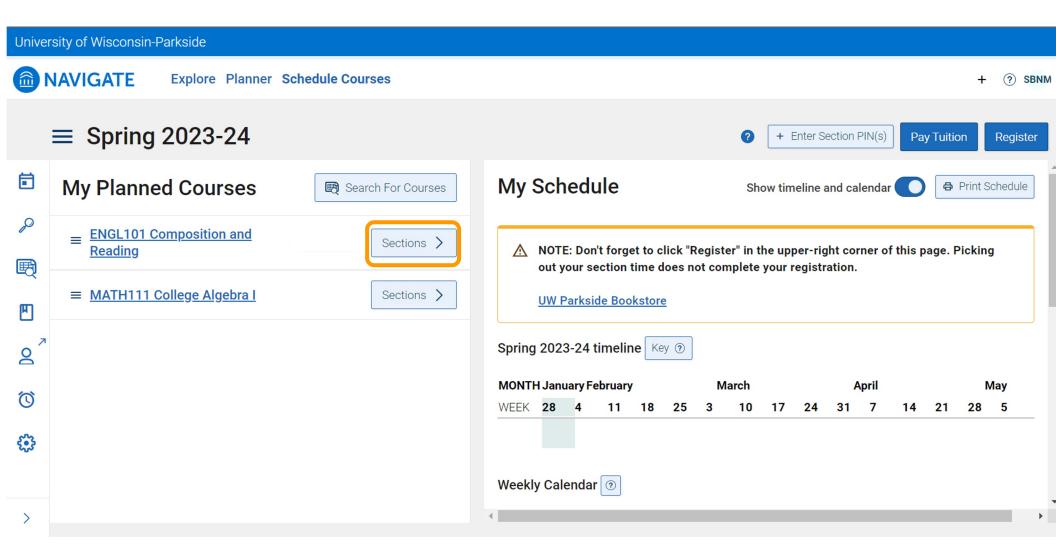

After you have added all of your courses to the right column, click *Pick Times* or *View / Edit Schedule*

Next, block busy times or click Got it

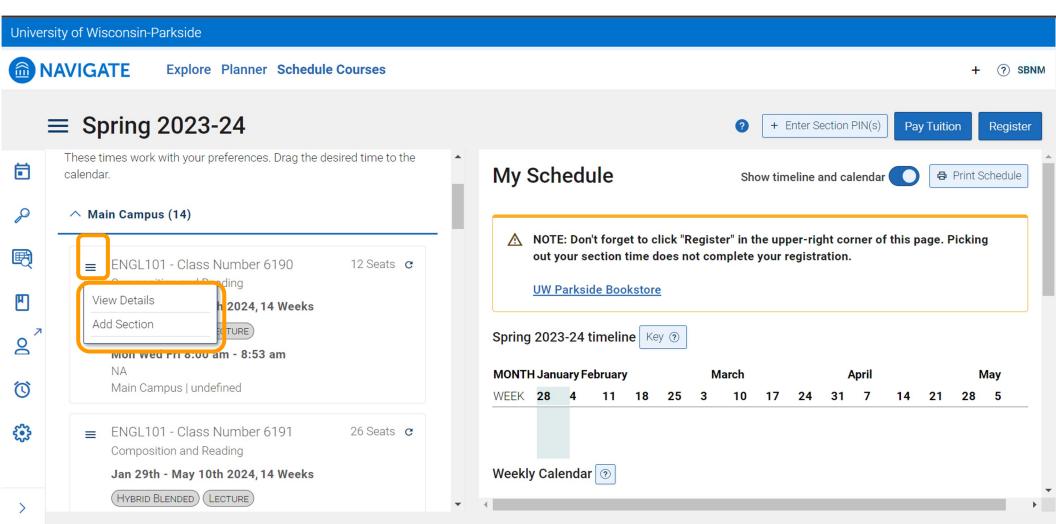

Next, click Sections to view days and times for each course

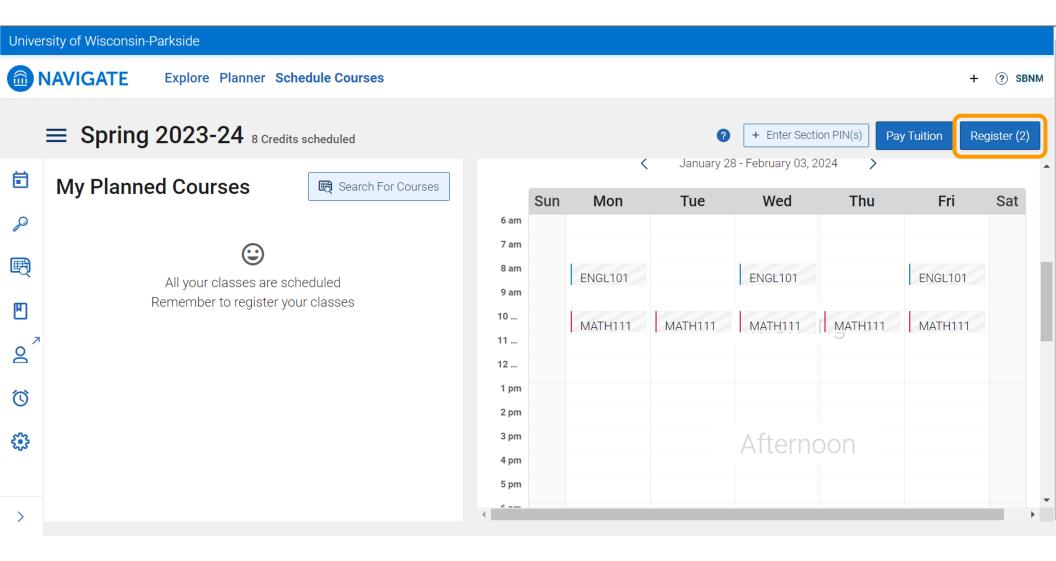

To select the desired section, click the three horizontal lines (hamburger menu) to the left of the course title, then click *Add Section*

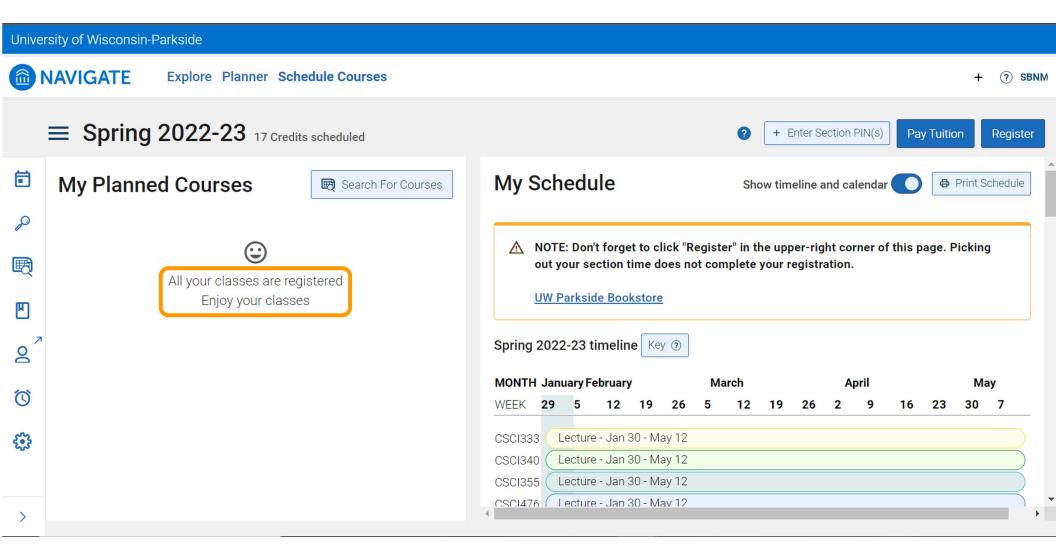

Repeat this process for each course

After you have selected days and times for your courses, click Register

After you have successfully registered for classes, a notification will appear that says: All your classes are registered Enjoy your classes
