Wednesday, April 22, 2015

All works accepted will be returned with shipping fees paid by the Exhibition.

The Parkside National Small Print Exhibition was founded at UW-Parkside in 1987 by printmaking professor Doug DeVinn. The tradition continues this spring in the Fine Arts Gallery located in the Ria Tallent Pickren Regional Center for the Arts and Humanities at the University of Wisconsin-Parkside. This exhibition has shown the finest examples of small format, original prints created by artists working throughout the United States for over two decades.
