Dear Faculty and Lecturers,

We have purchased a small number of a couple of different versions of clear face shields that we are thinking might be good alternatives to cloth or other opaque masks for instructors leading face-to-face classes. We would like some of you to try them out in front pretend classes in your living rooms, and let us know what you think. They are available in the Campus Police Department. Please call ahead using the non-emergency number, 262-595-2455, and let them know you would like to pick one up, as supplies for now are quite limited. Send your feedback to me and Bob Grieshaber.

Thanks,

Gary
