Scott, Bob,

We've sent a message to faculty and staff that Badger Shield + will be available in their dean's offices. Where are they now, and do either of you have any ideas for how we should deliver them to the deans?

Also, I made a count of the number of face-2-face instructors in each college, and there are more than we thought.

- CBEC 17
- CNHS 44 (Plus 2 in Nursing)
- CAH 55
- CSSPS 36

We don't know who will want to use one and it's probably too late to find out. I recommend we distribute them proportionately, using the instructor numbers above.

- CBEC 11
- CNHS 29
- CAH 36
- CSSPS 24

The deans can redistribute them if they have leftovers. Thoughts?

We should also send them some of the "regular" shields.

Gary
