

Dear Faculty and Instructional Staff,

As we start the school year with students coming back on to campus, we ask if you could send the message below to students in your classes to make sure that they are aware of the rules and guidelines for coming on to campus. We realize that this information has been sent out, but it is very helpful and important for students to hear this information from you also as their instructor.

Dear Students,

Welcome to the 2020-21 academic year and start of the Fall 2020 semester at UW-Parkside! I look forward to meeting with you this semester for our class together. Given that you are in a class that will meet on campus, I want to remind you of campus rules and guidelines for coming to campus and being in class:

- Practicing the 3 Ws
  - Wearing your mask / face covering properly (covering your mouth **and** nose)
  - Watching your distance
  - Washing your hands
- Monitoring for symptoms daily
- Maintaining social distancing (please stay at least 6 feet apart from others at all times if possible)
- Staying at home or in your residence hall / apartment if you are not feeling well
  - If you are not feeling well, call the Student Health & Counseling Center at 595-2366 to discuss your symptoms with one of the medical providers

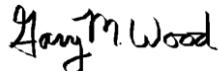

Please review the COVID-19 Supplement in your Student Handbook for additional information and visit the Ranger Restart website regularly for updates and resources.

Stay safe, stay healthy, and GO RANGERS!

Sincerely,

Rob Ducoffe, Ph.D.  
Provost & Vice Chancellor

Gary Wood, Ph.D.  
Vice Provost
