

DEST Team's Top Ten

Wednesday, November 16, 2016
12:00 – 12:50 p.m.
Learning Tech Lab, Wyllie D103

The Distance Education Support Team (DEST) invites you to this session where we will summarize the top ten topics related to online learning at UW-Parkside. If you are involved in instructional technology to deliver your courses in online and hybrid formats, join us to learn about the following:

- 1- The new student resource module for online courses;
- 2- Student access to courses prior to the beginning of the term;
- 3- Online tutoring services;
- 4- The standard D2L navigation bar;
- 5- Library resources for online courses & In-person instruction;
- 6- Media accessibility & captioning of video materials;
- 7- Integration Services: texts, publisher sites, 3rd party tools;
- 8- Technology Help Desk Resources;
- 9- Online student course evaluations;
- 10- General D2L and online course help provided by the
Distance Education Support Team.

DEST is composed of members from the Library, Innovations in Learning, Teaching & Learning Center, and Campus Technology Services (CTS).

Light refreshments will be provided.

This event sponsored
by the Teaching &
Learning Center, CTS,
Innovations in
Learning and Library.
