

# Implicit bias: How it works and what we can do about it

**Wednesday, September 13, 2017**

**12:00 – 1:30 p.m.**

**Learning Tech Lab, Wyllie D103**

**Presenter: Dr. Sylvia Beyer**

Implicit bias is a new buzz word but what is it?

How can it affect our teaching?

What's the science behind it?

How is it measured?

Do you have implicit biases you might not be aware of because they are ... implicit?

What can we do about our implicit biases?

Come find out in this session.

Lunch will be provided.
