- **Description of New or Changed Course:**

**Rationale for Approval**: Briefly provide justification for the new course or the intended change(s). What role will the new or modified course play in the program and/or in other programs in the university? If a new course, has the course been "tried out" as a Special Topics offering? Does the course duplicate (wholly or in large part) offerings in other programs, and, if so, explain why this course is needed? (Note, these other departments should be notified in advance of this potential conflict.) Attach course syllabus to the original of this form if a new or substantially modified course.
