

Best Practice Team Fall Updates

Prioritization Lists

This Fall, teams are engaging in focus groups and a Navigate climate survey to understand Navigate need and prioritize next steps accordingly.

- **Hold Reform teams** are finalizing hold audits and using data to understand holds disproportionately affect certain students. Teams are creating policy recommendations based on findings.
- **Holistic Care teams** are focusing on 1-3 high impact campaigns to engage students in support while building out coordinated care networks.
- **Transfer Pathway teams** are holding student focus groups, website audits and will begin forming faculty learning communities to align academic pathways across institutions.
- **Retention Grants teams** are engaging in HEERF strategy and will monitor effectiveness of grant distribution processes.
- **Equity Mindedness teams** are beginning to engage in DEIJ strategy labs to operationalize the learnings from the USC eConvenings.

Equity Mindedness eConvening Series

As part of the Moon Shot for Equity partnership, Milwaukee Moon Shot institutions are engaged in a monthly racial equity eConvening Series. Each Institution will appoint stakeholder(s) to attend live sessions. This series is hosted by USC Race and Equity Center, for more information on the center, click [here](#).

App Admin and Content Administrator Programming

To Assist with Navigate Usage on Campus

Moon Shot for Equity Institutions have agreed to implement technology to:

- Eliminate needless student swirl between and within institutions
- Common technology experience for students as they flow amongst institutions
- Common data analytics capabilities to enable information and best practice sharing
- Shared implementation and utilization fosters collaboration for professional development
