UNCOVERING AN ALTERNATIVE HISTORICAL NARRATIVE

UW-Parkside Application Instructions
This guide contains detailed steps on how to apply online to participate in the Uncovering and Historical Narrative summer program at UW-Parkside.

All students must complete this application in order to officially enroll in the program and course.

How to Get Started:

- Navigate to apply.wisconsin.edu in your web browser and click “Register as a new user” button.
  - **NOTE:** If you have applied to a UW institution before for a concurrent enrollment course you SHOULD use that account login information in the **Existing User** area rather than completing a new user account.
    - To recover your username and/or password, use one of the following options:
      - Use the “I can’t remember my login ID and/or I can’t remember my password: options
      - Call UW Help at (800)442-6459. Staff members are available to assist applicants Monday – Friday from 8am – 6pm
Fill out the required fields on the user registration form.

Record your login ID and password somewhere safe. You can use this application as your starting point in the future.

Click register when complete.
Click “create a new application” link.

Click “not yet completed” button.

Click the appropriate button.

Applicant Statement

Please provide a brief statement as to your reasons for applying to UW-Parkside as a special student (examples could include: taking prerequisite classes for graduate school, taking a class that my current campus does not offer this semester, taking courses while in high school, taking professional development courses, etc.). This statement is an important part of your application.

You may wish to prepare your statement in a word processor to take advantage of spellcheck and be able to take as much time with it as you need, then copy and paste it below. Note that special formatting will not be retained.

If you do type the statement below, be sure to save your work every 15 minutes (click the "Save" link below the box). If the browser session times out, any changes since the last save will be lost.
