Analysis: Two faculty members in the Department of Business are classified as Other. One of these faculty members taught in the MBA program in 2014-2015. This faculty member does not teach in the MBA in 2015-2016 and will not teach in the MBA program until a status of SA or PA is obtained. Normally faculty in the department are qualified with a significant majority in the SA category. SA, PA, and SP faculty may teach in the MBA. IP may teach in the MBA when the instructor has significant management experience. The deployment is primarily historical. The department will seek to distribute the deployment to provide students with instructors with more practice oriented experience as lines become available. Many SA faculty also have business experience through their work history and/or consulting.
