Exceptions Policy
Revised 9.25.13

Praxis CORE or Praxis I Exceptions Policy

Candidates seeking admission who meet all admission requirements and have successfully passed two out of three subtests of the PRAXIS CORE or PRAXIS I; attempted to pass the third subtest at least two times; and can show evidence of the proper preparation and remediation on the subtest that he/she did not receive the passing score on are eligible to request an exception for this admission requirement. The request will be reviewed by the Educator Development Program committee and referred for action to the Executive Committee.

The Program may not approve exceptions under any policy for more than 10% of the total number of students admitted for each admissions period. A student may not apply for an exception under both Praxis and GPA Exceptions Policies.

Admission GPA Exceptions Policy

Candidates seeking admission who’s combined cumulative GPA is at or above 2.5, yet below the required 2.75 can request an exception for this admission requirement. The request will be reviewed by the Educator Development Program committee and referred for action to the Executive Committee.

The Program may not approve exceptions under any policy for more than 10% of the total number of students admitted for each admissions period. A student may not apply for an exception under both Praxis and GPA Exceptions Policies.

Completion GPA Exceptions Policy

A candidate who has completed the Educator Development Program, whose combined cumulative GPA is below the required 2.75 can request an exception for this completion requirement.

The Program may not approve exceptions under any policy for more than 10% of the total number of students completing the program leading to licensure in each graduation period.
