	OR	OR		
	GEOS 100	Earth in Perspective*		
		Select any one or two courses from Natural Sciences on your DARS to complete 12 credits		3-4/

**Notes:**

It is recommended that all general education courses be completed prior to beginning the EDU 440 semester, including one course that fulfills the Ethnic Diversity requirement (DV) for degree seeking students.

\*For secondary education licenses, required general education courses may be revised to meet the requirements of the license content area. Work with the Teacher Education advisor and content department advisor to determine content-specific general education coursework.

All students pursuing a teaching license in elementary education must complete a minor. Work with the Teacher Education advisor to select a minor. Minors are available in the teacher education program and other academic areas.

**F: Fall**

**S: Spring**

**Su: Summer**

**W: Winterim**

**V: Variable**

\*\* All programs leading to licensure must meet the requirements of the Wisconsin Department of Public Instruction and PI 34. DPI may make changes to the requirements for licensure at any time that may affect the program. It is the student's responsibility to ensure that they meet with the teacher education advisor each semester to ensure that they have the most current program information. Advising by anyone but the teacher education advisor will not be deemed official for this program.
