Responsibility Pledge

As a student, faculty, or staff member, I pledge to:

**PROTECT MYSELF**
- Recognize the importance of daily self-monitoring for symptoms each day before coming to campus or leaving my residence hall.
- Wash my hands frequently with soap and water or use hand sanitizer when washing isn’t feasible.
- Follow the guidance of medical providers and directives of university officials related to ensuring the health, safety, and welfare of other students, faculty, and staff.
- Practice appropriate self-hygiene measures and keep my personal space and belongings clean.
- Get the COVID-19 vaccination.

**PROTECT OTHERS**
- Stay home or remain in my residence hall room if I am feeling ill or am exhibiting any symptoms of COVID-19 (i.e. fever, chills, shortness of breath, sore throat, loss of taste/smell).
- Wear a mask/face covering in all public areas inside campus buildings (classrooms, common areas, restrooms, etc.).
- Follow social distancing guidelines and refrain from rearranging furniture in classrooms or common areas that has been spaced to meet guidelines.
- Participate in pre/post cleaning of individual classroom space and/or equipment used.

**PROTECT THE UW-PARKSIDE COMMUNITY**
- Follow all federal, state, and local health guidelines and university directives related to stopping the spread of COVID-19 both on-campus AND off-campus.
- Participate in COVID-19 related testing and/or contact tracing as directed by university or county health department officials.
- Remind others of their pledge and responsibility for fostering community wellness.
- Recognize that COVID-19 is a global pandemic, not specific to any race or ethnicity, and decisions made by the university in response to the pandemic are guided by information from the Centers for Disease Control and Prevention, the Wisconsin Department of Health Services, and our local health departments.

I understand that the above expectations of me as a member of the UW-Parkside community have been put in place to protect myself and those around me. I further understand that failure to adhere to the stipulations of this pledge may result in referral to the Dean of Students Office or Human Resources Office.
COVID-19 Handbook Supplement

The University of Wisconsin-Parkside’s priorities in response to COVID-19 remain 1) protecting the health and safety of the learning community; 2) delivering our academic mission; and 3) joining together to reduce the spread of COVID-19. Even as we navigate these unprecedented times, UW-Parkside will deliver the kinds of exceptional educational experiences that students expect and that our faculty and staff work so hard to provide.

While new policies and protocols will require us to go about our work differently, quality instruction in the classroom, meaningful interactions among faculty and students, and extraordinary outside-the-classroom opportunities will continue to be hallmarks of the UW-Parkside learning experience.

The health and safety of our students, faculty, staff and the public with whom we interact will continue to be a priority as we monitor and respond to the ongoing pandemic. As our knowledge and understanding of the COVID-19 virus and its variants continue to evolve and more information becomes available in the weeks and months ahead, we will update our policies, plans, and protocols as appropriate. You can find the most current information about the university’s COVID-19 response at https://www.uwp.edu/rangerrecovery/.

As members of the UW-Parkside community, we must all play a part in preventing the spread of COVID-19. The Responsibility Pledge outlines protocols that must be followed in order to maintain a safe campus living and learning environment. Please review the Pledge carefully and commit to protecting yourself, protecting others, and protecting the UW-Parkside community.

The following principles were followed in creating this guide:
• UW-Parkside follows all requirements established by the State of Wisconsin, the Wisconsin Department of Health Services, the University of Wisconsin System, and the Kenosha County Health Department.

• UW-Parkside continues to work closely with Kenosha County and surrounding communities to guide decisions impacting the health and safety of our campus and broader community.

• UW-Parkside will consult the latest guidance from the Centers for Disease Control and Prevention (CDC) related to Coronavirus Disease 2019.

TAKING CARE OF YOURSELF

- Wash your hands often with soap and water for at least 20 seconds
- Clean and disinfect frequently touched objects and surfaces
- Cover your cough or sneeze with your sleeve or a disposable tissue
- Maintain appropriate social distancing and avoid contact with people who are sick
- Avoid touching your eyes, nose or mouth
- If you are experiencing fever or respiratory symptoms like a cough or shortness of breath, stay home and contact the Student Health & Counseling Center (SHCC) or your medical provide
COMING TO CAMPUS

Self-Monitoring
- You are encouraged to self-monitor each day before coming to campus or leaving your residence hall room/apartment.
- Make sure you have a reliable thermometer for daily temperature checks.
- It is imperative that during this pandemic, you do not ignore warning signs. If you are experiencing symptoms such as shortness of breath, fever, cough, loss of taste or smell, or other symptoms, even if they are mild, stay at home or remain in your residence hall room/apartment. You should contact your family healthcare provider or call the Student Health & Counseling Center at 262-595-2366 for an appointment.

Face Covering Requirement
- Masks/face coverings are required in all indoor public spaces, including classrooms and common areas in the residence halls.
- Scientific studies have shown that mask-wearing dramatically reduces the chances of spreading COVID-19. The requirement will be in place on campus for the foreseeable future. Appropriate use of face masks or coverings is critical in minimizing risks to others since you can spread the virus even when you have no symptoms.
- Students are encouraged to secure a supply of disposable masks or 4-6 reusable/washable masks or face coverings. Disposable masks will be available in classrooms and at the Student Center Concierge Desk and Tech Bar (WYLL L101) in the event that someone needs one.
- It is recommended that cloth face masks/coverings be worn for one day and then properly laundered before using again. Please note that wearing a mask/face covering is not a substitute for physical distancing.

Caring for Your Face Covering
- Wash your hands or use hand sanitizer prior to handling the face covering.
- Ensure the face covering fits over your nose and under your chin.
- The covering should be tight against your face but not uncomfortable.
- Avoid touching the front of your face covering.
- Do not touch your eyes, nose or mouth when removing the face covering.
- Wash your hands immediately after removing your face covering.
- Cloth face coverings should be laundered with regular laundry detergent before wearing for the first time and then after every day’s use.
- You should immediately replace your cloth face coverings if they are soiled or damaged. (ripped, punctured, stretched out, etc.)

Maintaining Healthy Environments
- Clean and disinfect frequently touched surfaces (e.g., door handles, faucet handles, countertops, tables, chairs, etc.) in your home/residence hall space at least daily or between use as much as possible. Use of shared objects (e.g., utensils, computer equipment, desks, etc.) should be limited whenever possible or cleaned between use.
• While all classrooms will be cleaned and disinfected each night; students, faculty and staff should use the cleaning supplies available in each classroom to wipe down shared desks, lab equipment, and other shared objects and surfaces before use.

• Classroom seating has been set up to meet physical distancing and fire marshal’s guidelines. PLEASE DO NOT MOVE THE FURNITURE.

• Water Fountains/Bubblers will be cleaned and disinfected daily, but it’s encouraged that students, faculty and staff bring their own water to minimize use and touching of water fountains.

• Given the mask/face covering mandate, food will NOT be allowed in classrooms.

• Where practical, physical barriers, such as sneeze guards and plexiglass partitions, have been added across campus in offices and dining areas.

VACCINATIONS

_UW-Parkside strongly encourages all members of our campus community to get vaccinated for COVID-19 to protect against serious illness and hospitalization._

• Students who are fully vaccinated should upload their vaccination verification to the Student Health & Counseling Center’s electronic medical records system, MyChart. Instructions for uploading your documentation can be found on the Ranger Recovery website.

• Students wishing to be vaccinated can call the Student Health & Counseling Center at (262) 595-2366 to schedule an appointment.

• Pop-Up Vaccine Clinics will be available during the first week of the semester (September 7th – 10th) in the Student Center. No appointment is necessary.

• Students who are fully vaccinated are exempt from regular testing requirements and are not required to quarantine after exposure to a person who has tested positive for COVID-19 (as long as you do not have symptoms). You will be asked to test 3-5 days after exposure to make sure you have not had a break-thru infection.

For information about the COVID-19 vaccines, please visit our Facts About the Vax webpage.

COVID-19 TESTING

• **Residential students** who have not uploaded their vaccination verification to MyChart are required to test weekly in the Ranger Hall Clinic. Failure to test as required may result in the cancellation of your Housing contract.

• **Commuter students** who have not uploaded their vaccination verification to MyChart are expected to test bi-weekly in the Ranger Hall Clinic.
**COVID-19 PROTOCOLS IF EXPOSED**

What happens if you are exposed to someone who has tested positive for COVID-19 is dependent on your vaccination status. The following rules for quarantining and isolating will be followed.

- **If you are fully-vaccinated and exposed** to someone with COVID-19, you do not need to quarantine (as long as you do not have symptoms), but you are expected to get tested 3-5 days after exposure. You may schedule a test via MyChart for the Ranger Hall Clinic or call the Student Health & Counseling Center at (262) 595-2366.

- **If you are unvaccinated and exposed** to someone with COVID-19, you must quarantine for 10 days after exposure. If you develop symptoms during the quarantine period, you should call the Student Health & Counseling Center at (262) 595-2366 for an appointment to be tested. It is your responsibility to notify your instructions of your absence.

- **If you test positive, regardless of vaccination status**, you must isolate for at least 10 days (longer if symptoms persist and until fever-free for 24 hours) from the date of the positive test. It is your responsibility to notify your instructions of your absence.

If you are not feeling well for any reason, do not come to campus or leave your residence hall room. You should contact the Student Health & Counseling Center for an appointment or visit your primary care provider. Students should fill-out the [Student COVID-19 Reporting Form](#) if you have symptoms of COVID-19 and/or test positive.

The Student Health & Counseling Center and the Kenosha County Health Department will work together to conduct contact tracing while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA), Family Educational Rights and Privacy Act (FERPA), and other applicable laws and regulations.

**SELF-NOTIFYING YOUR CLOSE CONTACTS**

While the Contact Tracers will work diligently to notify close contacts of potential exposure to COVID-19, you can also do your part by notifying those individuals you have been close to if you have tested positive. The two links below provide options for you to let others know that they may have been exposed.

TORNA DOES
UW-Parkside Police monitor all weather bulletins. If a tornado watch or warning is issued, UW-Parkside Police will initiate a series of electronic alert messages. The alert system is a notification scheme designed to alert all University, faculty, staff and students of the current situation. Also, in the event of a tornado warning, the community warning siren outside the Sports and Activity Center will sound with a continuous solid tone for 3 to 5 minutes. During a tornado warning, all persons in the academic complex must proceed to the D2 level by the nearest stairwell. Those in other areas of the campus must report to the appropriate tornado shelter area as listed below. The warning siren is never used as an "all-clear" signal. Do not leave the tornado shelter unless released by the UW-Parkside Police.

Academic Policies

Select Academic Policies (For a full listing of Academic Policies, please visit https://www.uwp.edu/learn/academiccatalog/.)

Adding / Dropping a Course

Adding a Course
During the first week of the term, students may add any course for which they have met the prerequisites. During the second week, appropriate courses may be added with the written consent of the instructor (or a SOLAR permission number). Beginning the 11th day of classes, a student cannot add a course without written permission of the instructor, the department chair and the dean. The Office of the Registrar will determine comparable deadlines for courses less than a semester in length. Please check the website for comparable Flexible Option Program policies and guidelines.

Dropping a Course
A student may drop any course through the end of the 12th week of the semester. The Office of the Registrar will determine comparable deadlines for courses less than a semester in length and for subscription periods in the Flexible Option Program.

A student may request a late drop for extraordinary reasons beyond the deadline by submitting a request to the Academic Actions Committee. Granting of requests by the Academic Actions Committee is not automatic. A student should not assume that his/her request will be granted.

An instructor may request that the registrar drop a student from a course if the student does not meet the stated prerequisites or if the student has not attended the course during the first week of classes and has not notified the instructor. The instructor must submit the request by the date specified on the administrative drop form. However, it is still the students’ responsibility to make sure that they have been officially dropped from any class.

Flexible Option students will be dropped from all courses after the 10th day of a subscription period for non-payment.

A student who never attends (or stops attending) a course in which he/she has enrolled and who does not drop the course through the appropriate office will receive a failing grade.

A student who drops a course after the fourth week of a semester will receive a transcript notation of “W.” (In the case of courses less than a semester in length such as winterim, summer, or flexible
option courses, the W notation will be applied if the drop occurs after one-third of the
course/subscription period has passed.)

Please check the website for more details of comparable Flexible Option Program policies and
guidelines.

**Fees for Dropping a Course**
After the 10th day of classes, a student will be charged a per credit fee for dropping classes. The
Office of the Registrar will determine the comparable deadlines for courses less than a semester in
length. Refer to the website for more information.

**Attendance Policy**
Students are expected to attend all classes. Individual absences from class may be excused only by
the instructor. Consult the course syllabus for proper procedures for notifying the instructor in case of
emergency.

**University-Sponsored Activities**
UW-Parkside, while prioritizing academics, believes in the education of the whole person and affirms
the educational value of university-sponsored activities that enhance the educational experience such
as, but not limited to, participation in the performing arts, music ensembles, student
government/student leadership, intercollegiate athletics, study abroad, and attendance at
professional/scholarly meetings. The UW- Parkside faculty, staff, students, and administrators work
together to reach a compromise that respects both the need for students to attend class and the
benefits of participating in university-sponsored activities that enrich students’ educational
experiences. In the spirit of these shared values,

**it is the responsibility of students to:**
- attend classes and complete all assignments according to the expectations of their instructors;
- be aware of the policies of each of their instructors;
- be aware of policies regarding adding/dropping of courses, and withdrawal from the
  university;
- inform their instructors well in advance of any anticipated absences for university-sanctioned
  activities;
- maintain communication with their instructors throughout the course;
- arrange to make up missed work in a timely manner at the direction of the instructor;

**it is the responsibility of faculty to:**
- establish policies that recognize the value of participation in university-sponsored activities,
  which might include flexibility in allowing students to submit assignments or take exams at
  alternative times or venues;
- provide students their attendance expectations in the syllabus at the beginning of the
  semester;

**it is the responsibility of sponsors of university-sanctioned events to:**
- recognize the priority of academics and that some courses are experiential in nature, and
  therefore do not lend themselves to flexible absence and makeup policies;
- schedule events and travel schedules in such a way as to minimize absences from class as
  much as possible;
- require students to inform the faculty well in advance of any absences or tardiness;
- offer their assistance in accommodating the needs of students who must submit assignments
  or take exams.

**Military Training**
In addition to university-sponsored activities, UW-Parkside recognizes that a number of students are
attending classes while serving in the military as active duty servicemembers, National Guard members, reservists, or as members of an ROTC program. On occasion, these students will be required to miss class due to military training (these differ from Federal Title 10 Activation or Transfer orders). It is understood that often times these training obligations are scheduled in advance, while occasionally they are deemed necessary with little advance notice to our military-connected students. We also understand that our military-connected students do not have the choice of whether to participate or not in these trainings. UW-Parkside encourages our military-connected students to inform their faculty immediately when they learn of these obligations for training. When communicated in advance, these absences should be treated in the manner described above.

When disagreements regarding this policy occur between a student and a faculty member, the issue will be first referred to the faculty member’s department chair in writing, followed by the college dean, for review and resolution.

**Students Called to Active Duty Military Service**

Students subjected to involuntary Federal Title 10 activation or transfer (called to active duty military service) after the beginning of a term may elect to drop their courses and receive a full refund for courses still in progress or may opt to remain enrolled in some or all of their courses. The student may either request an “incomplete” with the understanding that the coursework be completed upon return from active military duty or request that a final grade be assigned based upon work completed to date.

These options may not be equally viable for all classes, depending on timing, how much work remains to be completed, or whether a final exam constitutes a major portion of the grade. Students should consult with the instructor to determine the most appropriate option.

**Grade Appeals Procedure**

Sometimes a student believes that the grade received is not consistent with his/her performance. The process of appealing final grades involves a series of steps.

1. The student shall first discuss the grade with the instructor and attempt to resolve any differences informally. The aim of such a conference is to reach mutual understanding about the grade and the process by which it was assigned, and to correct errors, if any, in the grade. If for any reason the instructor cannot be contacted, the department chair shall designate a faculty member to act for the instructor.

2. If, after conferring with the instructor, the student still believes that the grade is inappropriate, the student may submit a claim in writing to the appropriate department chair/program director, who shall consult with both the instructor and the student separately or together, in an effort to reach an understanding and resolution of the matter. This must be done before the end of the term/subscription period following the one in which the grade was received (excluding summer session). (NOTE: If the department chair is the instructor whose grade is being appealed, the departmental executive committee shall designate another member of the departmental executive committee to assume the department chair’s role in this process.) For courses housed in an academic center, the center director shall assume the department chair’s role prescribed for this process; the center steering committee shall assume the departmental executive committee’s role. In the case of a grade given in a course housed neither in a department nor in an academic center, the student may, after conferring with the instructor, submit a claim in writing to the Academic Actions Committee.

3. If steps one or two do not resolve the problem, the department chair shall submit the student’s written claim to the instructor, who shall prepare a written response. A copy of this response shall be furnished to the student by the department chair.
4. If, after receipt of the instructor’s response, the student is still dissatisfied, the student shall notify the department chair of this within seven working days.

5. The department chair, in consultation with the departmental executive committee, shall appoint a grade review committee consisting of three faculty members and one student. The student member shall be recommended by the UW-Parkside Student Government.

6. The student and the instructor shall provide the review committee and each other with access to any of the student’s course work in their possession. Both the student and the instructor shall be given an opportunity to appear before the committee and present evidence to support their positions. In this process, the burden of proof is upon the student, and the committee shall recommend a grade change only if clear and convincing evidence of mis-grading has been presented.

7. The review committee shall decide either that the grade was appropriate and shall stand as assigned, or that the grade was inappropriate and should be changed to the grade stipulated by the review committee. The review committee shall present its decision to the department chair, who shall inform both the student and the instructor of the review committee’s decision and initiate a grade change if appropriate.

8. If the student wishes to appeal the decision of the department grade review committee, the student shall submit a letter to the dean of the appropriate college or school within five working days. The dean shall then appoint an ad hoc grade review committee of three faculty from outside the department in question and one student representative recommended by the UW-Parkside Student Government. The committee shall report its decision to the dean, who shall direct a grade change, if necessary.

**Academic Standing Policy**

UW-Parkside is committed to student success. As such, UW-Parkside expects every undergraduate student to maintain good academic standing. Generally, a student is in good academic standing when their cumulative Parkside GPA is 2.00 or higher. The cumulative Parkside GPA includes grades earned in all courses taken at UW-Parkside. Students who fail to maintain this minimum GPA will face academic probation or suspension.

Please note that while a student’s degree GPA (cumulative GPA for all UW-Parkside and transfer credits) is not included as part of the determination of academic standing, students must have a degree GPA of 2.00 or higher in order to graduate with an undergraduate degree from UW-Parkside.

Academic standing will be calculated at the end of fall, spring, and summer terms; academic standing will not be calculated following winterim. Academic standing will also be calculated as a result of any grade changes. For UW Flexible Option programs, academic standing will be calculated at the end of each subscription period. Students can determine their academic standing using the criteria below.

**Good Academic Standing**

A student is in good academic standing when their cumulative Parkside GPA is 2.00 or higher, regardless of term/subscription period GPA.

**Academic Probation**

A student will be placed on academic probation when their cumulative Parkside GPA falls below 2.00.

A student who is on academic probation and earns a term/subscription period GPA of 2.00 or higher but whose cumulative Parkside GPA is lower than 2.00 will continue on academic probation. A student who is on academic probation, earns a term/subscription period GPA of lower than 2.00, and whose cumulative Parkside GPA is lower than 2.00 is placed on academic suspension.
**Academic Suspension**
A student will be placed on academic suspension if they were on academic probation, they earned a term/subscription period GPA of lower than 2.00, and their cumulative Parkside GPA is lower than 2.00. The student is suspended for at least one year.

**Readmission Following an Academic Suspension**
Students may apply for readmission following the one-year suspension period by completing the UW System re-entry application.

A student who has not attended any other institution following their suspension will be readmitted to the university on academic probation.

A student who has attended another institution following their suspension must submit an official transcript from that institution. The Office of Admissions will follow their standard comprehensive review process to make readmission decisions based on transfer coursework completed after the academic suspension. A student who is readmitted will be readmitted on probation.

Students who feel that exceptional circumstances justify immediate or early reinstatement (readmission prior to the conclusion of one year) may submit an appeal to the Academic Actions Committee. Information regarding the appeal process is available on the UW-Parkside website.

Appeals from students in the UW Flexible Option programs will be reviewed in consultation with the UW Flexible Option Academic Actions Committee.

**Access to Student Information Policy**

**Administrative Policy #1**

1.01 Background

The Family Educational Rights & Privacy Act of 1974 (FERPA) sets requirements for the privacy of student’s records. FERPA governs release of educational records maintained by an educational institution and the access to these records.

1.02 General Guidelines

In accordance with FERPA regulations, directory information is considered public domain and will be released unless the student makes a specific request to the Office of the Registrar to withhold this information. The University of Wisconsin-Parkside has designated the following as directory information: name; address; telephone number; date of birth; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance to include current classification and withdrawal dates; degrees and awards received; the most recent education agency or institution attended; initial registration date; and email address. The Wisconsin Public Information Law requires the release of any information that is not protected by FERPA or another law.

Additional information regarding FERPA can be found on the Registrar’s website: [http://www.uwp.edu/departments/registrar/privacy.cfm](http://www.uwp.edu/departments/registrar/privacy.cfm).

Questions regarding FERPA should be referred to the university official for FERPA, the Registrar.

**Designated Areas for ‘Free Speech’ Events**  
**Administrative Policy #6**

**6.01 Background**

Freedom of speech is one of the most cherished traditions of the academic community. A community of scholars cannot pursue truth without the ability to free and open discourse and the ability to publish critical information. One of the important responsibilities of the University is to protect the right of expression in a manner that does not impinge upon the rights of others to pursue their studies or work. In guaranteeing free speech, the administration’s obligation is to provide reasonable regulations of time, place and manner, so that disruption of normal educational activities is avoided.

**6.02 Facilities for Unplanned ‘Free Speech’ Events**

To accommodate unplanned free speech events, the University has designated two areas on campus, which can be utilized by a UW-Parkside student, faculty member, staff member, or members of the general public without advanced reservation. These areas are:

1. In the main complex: Student Center L1 Commuter Lounge across from the Student Involvement Center; and,

2. Outside the main complex: southwest cement seating wall on the Student Center Plaza between the Student Center and Molinaro Hall.

In the event that a free speech area is not available, the University, through University Reservations/Conference and Event Services, will make an effort to find an alternative location.

Such "free speech" activities cannot block entrances or drives or disrupt normal university activities such as classes and work. In these matters, the University will recognize the right of students, faculty, staff, and members of the general public to express views in opposition to those expressed by students, faculty, staff, or the general public holding the unplanned speech event.

**6.03 Scheduling of Facilities for Planned ‘Free Speech’ Events**

Any university department or recognized student organization may reserve available facilities for a speaker, an open forum or debate on any issue or topic. Arrangements for such events can be made through University Reservations/Conference and Event Services in the Student Center.

**6.04 Policy Review**

The Dean of Students, Police Department, Parkside Student Government and Student Center Advisory Committee shall review the Designated Areas for ‘Free Speech’ Events annually. Recommendations for changes will be forwarded to the Chancellor’s Cabinet for approval no later than March 1st.

Drug Free Schools and Communities Act
Administrative Policy #16

The Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-228) require that, as a condition of receiving any federal funds or form of financial assistance, colleges and universities must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs or alcohol. The intent of the following information is to fulfill the legal requirements of federal law by providing each University of Wisconsin-Parkside employee and student information on institutional drug and alcohol policies, relevant state and federal laws, long-term health effects of substance abuse, and local treatment resources.

Standards of Conduct and University Sanctions Concerning Illicit Drugs and Alcohol

The University of Wisconsin system and the University of Wisconsin-Parkside prohibit the unlawful possession, use, distribution, manufacture or dispensing of illicit drugs and alcohol by students and employees on university property or as part of university activities.

The use or possession of alcoholic beverages is prohibited on university premises, except in university residence halls as regulated by policy and as expressly permitted by the Chancellor under institutional regulations, in accordance with s. UWS 18.06(13)(by), Wisconsin Administrative Code. The unlawful uses, possession, distribution, manufacture or dispensing of illicit drugs (e.g. Controlled substances as defined in Chapter 161, Wisconsin Statutes,) is prohibited in accordance with s. UWS 18.10, Wisconsin Administrative Code.

Violation of these provisions by a student may lead to the imposition of disciplinary sanctions, up to and including suspension or expulsion, under s. UWS 17.06(1)(c), Wisconsin Administrative Code. UW-Parkside employees are also subject to disciplinary sanctions for violation of these provisions occurring on university property or the worksite or during work time, up to and including termination from employment. Disciplinary sanctions are initiated and imposed in accordance with procedural requirements of either UWPF Chapter VII-Faculty Rights and Responsibilities for faculty, the Academic Staff Policies and Procedures Chapters 8 or 10 for academic staff, or the appropriate provisions of the current collective bargaining agreement or pertinent civil service regulations for classified staff. Referral for prosecution under criminal law is also possible. Further, violations of ss. UWS 18.06(13) and 18.10, Wisconsin Administrative Code may result in additional penalties as allowed under chapter 18, Wisconsin Administrative Code.

UW-Parkside faculty and classified and unclassified staff who are convicted of any criminal drug statute violation occurring in the workplace must notify their Vice/Assistant Chancellor, dean, director or department chair within 5 days of the conviction if they are employed at the time of the conviction.

Discrimination, Harassment, and Retaliation
Administrative Policy #29

29.03 Policy Statement

The University of Wisconsin-Parkside is committed to maintaining an academic and work environment free of bias, prejudice, discrimination, discriminatory harassment, or retaliation for all students and employees. Discrimination is inconsistent with the efforts of the University of Wisconsin-Parkside to foster an environment of respect for the dignity and worth of all members of the university community and to eliminate all manifestations of discrimination within the university. The University of Wisconsin-Parkside is also committed to the protection of individual rights under the First Amendment (and
related principles of academic freedom) and to preserving the widest possible dialogue within its educational environment.

Discrimination or discriminatory harassment that is based upon an individual’s characteristics as protected under state law or federal law (“protected status”) or university policy is prohibited. Harassment is a form of discrimination and is prohibited. In addition, any form of retaliation against students or employees is prohibited. Use of institutional technology (computers, email systems, voicemail systems, and webpages) in any manner for the purposes of discrimination, discriminatory harassment, or retaliation is prohibited. Any person who believes they have been subjected to this type of prohibited activity should immediately report it to the appropriate institution official or office regardless of who the offender may be.

29.06 Reporting a Harassment and/or Discrimination Complaint

All individuals who believe they have been harassed or discriminated against should file a written complaint with the appropriate individuals or offices cited above within 300 days of the incident. The written complaint should identify the parties involved, describe the harassing behavior, indicate when and where it occurred, and identify by name or description any witnesses. All complaints will be reviewed on a case by case basis in accordance with this policy. Due consideration will be given to the protection of individual First Amendment rights to freedom of speech, expression, and academic freedom.

Complaints shall be reviewed for informal or formal resolution.

Informal resolution would have the goal of ending the offensive behavior and resolving the concern rather than assessing blame and exacting a penalty. If a concern con not be resolved informally, or if the behavior is so serious or persistent as to warrant a disciplinary action it should be handled through formal procedures.

Formal resolution is to determine if the UW-Parkside policy on discrimination, harassment, and retaliation has been violated and, if so, to exact disciplinary sanctions and/or prescribe a course of action that will resolve the situation.

Complaints should be promptly reported so that appropriate action may be taken in a timely manner. However, the late reporting of complaints does not prevent appropriate remedial action.

Any conduct that may be in violation of this policy will be investigated, regardless of whether a complaint is filed, and appropriate remedial action will be initiated. Complainants working under state or federal grants may have additional complaint rights and should contact the Office of Human Resources for assistance.

Sexual Violence and Sexual Harassment Policy

Administrative Policy #36

36.01 Policy Statement

The University of Wisconsin-Parkside is dedicated to providing a teaching, learning and working environment in which faculty, staff, and students can discover, examine critically, preserve, and transmit the knowledge, wisdom, and values that will improve quality of life for all. To promote these institutional values, UW-Parkside is committed to creating and maintaining a community environment that is free from sexual violence and sexual harassment.

36.02 Purpose and Scope of Policy

This policy prohibits acts of sexual violence and sexual harassment on university property, at university-sanctioned or university-affiliated events, and where off-campus conduct affects a member of the university community. This policy applies to all university students and employees. The university is committed to educating its community and to promptly and effectively respond to and redress conduct that violates this policy. This policy provides the UW-Parkside community with information and resources to identify, report, and respond to sexual violence and sexual harassment including sexual assault, stalking, and dating and domestic violence. These efforts support the overall missions of UW-Parkside and the UW System.
36.06 Reporting an Incident of Sexual Violence or Sexual Harassment

A. Reporting Options
Those who have been subjected to an incident of sexual violence or sexual harassment, or who have received a report of or witnessed an incident of sexual violence or sexual harassment, have several options for reporting the incident:

1. The individual may elect not to report (unless the individual is an employee who has information about a sexual assault as described in 36.05 D. above)

2. The individual may report information to a confidential university employee. On our campus, the professional medical providers (Nurse Practitioners and Mental Health Counselors) in our Student Health and Counseling Center are designated as confidential employees and can be contacted at (262) 595-2366. Additionally, a confidential report can be made with an advocate from a community based crisis center such as Kenosha County’s Women and Children’s Horizons at (262) 652-9900.

3. The individual may report information to the campus Title IX Coordinator or Deputy Title IX Coordinators. Mr. Tyler Lenz-Fisher is our Title IX Coordinator and can be contacted at (262) 595-2239 or TitleIX@uwp.edu. Contact information for the Deputy Title IX Coordinators is available on the Sexual Misconduct webpage: https://www.uwp.edu/live/offices/studentaffairs/sexual-misconduct/

4. The individual may report information to the Dean of Students Office at (262) 595-2598 or via an electronic Sexual Assault Reporting Form found on the Sexual Misconduct webpage. https://cm.maxient.com/reportingform.php?UnivofWisconsinParkside&layout_id=1

5. The individual may report information to the UW-Parkside Police at (262) 595-2911 (emergency line) or (262) 595-2455 (non-emergency line).

6. The individual may report information to the local law enforcement agency in whose jurisdiction the assault occurred. If reporting at the time of the assault, dial 911 to reach the local law enforcement agency. If reporting at a later time, use the non-emergency number for the local jurisdiction in which the assault occurred: Kenosha Police Department at (262) 656-1344; Kenosha County Sheriff at (262)-653-6600; City of Racine Police at (262) 635-7700; Racine County Sheriff’s Office at (262) 886-2300; Milwaukee Police Department at (414) 933-4444; and Milwaukee County Sheriff’s Office at (414) 226-7000.

B. Amnesty for Students
Complainants, victims, and witnesses to incidents of sexual violence, including sexual assault, will not be issued citations or subject to disciplinary sanctions for violations of university policy at or near the time of the incident unless the institution determines that the violation was egregious, including actions that place the health or safety of any other person at risk.

C. Confidentiality
Individuals, including victims, who report to any of the offices or individuals noted above, or to any other university employee, except those noted below, cannot be assured absolute confidentiality. However, information provided in the report and in any subsequent, related proceeding will be maintained in a confidential manner; only those individuals who have a need to know to fulfill obligations consistent with university policies or laws will be privy to certain information.
D. Resources and Accommodations

1. Accommodations: The university will work with individuals involved in alleged incidents of sexual violence and sexual harassment to undertake appropriate measures to assist in their safety and wellbeing. These may include: no-contact directives, academic or work modifications, and relocation of living or working space.

2. Resources: A number of university and community resources are available to individuals involved in incidents of sexual violence or sexual harassment. A listing of these resources with contact information is available on the Sexual Misconduct webpage. https://www.uwp.edu/live/offices/studentaffairs/sexual-misconduct/resources.cfm.

Student Complaint Procedures
Administrative Policy #51

51.01 Background

Occasionally, a student will encounter a concern/problem on campus that they do not know how to resolve. When this happens, students should always try to work out the concern/problem by first discussing it with those most involved in the issue. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Many issues are settled or problems resolved when a student makes an appointment with a faculty or staff member and calmly/honestly communicates their frustration or concern.
51.02 Informal Complaint Resolution Process

Prior to initiating the formal complaint process, and as a prerequisite, the student shall first request to meet with the person with whom they have a concern. This informal meeting shall occur within fourteen (14) calendar days of the initial concern. If a satisfactory resolution cannot be reached within seven (7) days of the meeting, the student may then request a meeting with the Department Chair, Supervisor, or Dean who shall assist in finding a resolution within fourteen (14) calendar days.

There are times when it is not possible to initially address the person directly. At that point, the student should consider talking with the Department Chair, Supervisor, or Dean as the first step.

If the problem is not satisfactorily resolved the student may file a formal complaint with the Dean of the appropriate College or the Dean of Students Office.

51.03 Formal Complaint Process

If the informal process does not yield a successful resolution, the student may file a formal complaint in the following manner:

Complaints shall be filed within seven (7) calendar days of the end of the informal resolution process.

A complaint must be in writing and include the following:
- Student's name, address, email address, and phone number;
- A full and complete description of the problem, including names of individuals, departments, and or programs involved;
- A statement of the remedy requested;
- A statement of confirmation that an informal resolution has been pursued.

The complaint shall be filed with the Dean of Students Office.

Upon receipt of the complaint, the Dean of Students or designee will, within seven (7) calendar days, review the complaint for timeliness and appropriateness and if warranted move the complaint to the committee process. The Dean of Students will provide the student written notice acknowledging its receipt and if the process will be moving forward.

If the complaint is against a Faculty member the process shall follow the Faculty Policies and Procedures, UWPF 7 Faculty Rights and Responsibilities.

If the complaint is against an Academic Staff member the process shall follow the Academic Staff Policies and Procedures, UWPA 10 Complaints and Grievances.

All other complaints shall follow the following process. The Dean of Students or designee shall convene the complaint committee within fourteen (14) calendar days of receiving the complaint unless unusual circumstances prohibit it. Once the committee is convened, they will select a member to serve as a chair for the formal complaint proceedings. The Dean of Students, with the concurrence of the Provost, or designee, may take appropriate action on an interim basis, when there is reasonable cause to believe that such action is needed for the health, safety, or welfare of the student or other member of the University community, or to avoid disruption to the academic process.

The complaint committee shall consist of:
- A faculty member appointed by the Provost Office
- One administrative staff member appointed by the Dean of Students
- One student representative
Investigation/Hearing - The Committee shall promptly initiate an investigation. In undertaking the investigation, the Committee may interview, consult with and/or request a written response to the issues raised in the complaint from any individual the Committee believes to have relevant information, including faculty, staff and students. The student and any person towards whom the complaint might have been directed shall have the right to submit written materials to the Committee and suggest names of any faculty, staff, students or others from whom he/she believes the Committee should hear. The Committee may assign any member who has been adequately trained to conduct any part of the investigation as the Committee determines to be appropriate.

Advocacy - The Committee shall promptly initiate an investigation. In undertaking the investigation, the Committee may interview, consult with and/or request a written response to the issues raised in the complaint from any individual the Committee believes to have relevant information, including faculty, staff and students. The student and any person towards whom the complaint might have been directed shall have the right to submit written materials to the Committee and suggest names of any faculty, staff, students or others from whom he/she believes the Committee should hear. The Committee may assign any member who has been adequately trained to conduct any part of the investigation as the Committee determines to be appropriate.

Findings and Notification - Upon completion of the investigation, the Complaint Committee, in consultation with the Dean of Students or designee, will prepare a final report containing a summary of the investigation, written findings and a proposed disposition. The report will then be transmitted to the student and the party against whom the complaint is directed. The report should be submitted within fourteen (14) calendar days of the first convened meeting of the complaint committee unless prohibited by unusual circumstances.

Disposition - The Dean of Students shall take whatever actions are deemed appropriate based on the final summary report. The Dean of Students or designee shall report their decision in writing to the student, the complaint committee and all other relevant parties. The decision of the Dean of Students or designee shall be final.

51.04 Policy Review

The Dean of Students Office shall review this policy annually. Recommendations for changes will be forwarded to the Chancellor's Cabinet for approval no later than March 1st.

Student Preferred Name Policy
Administrative Policy #99

The University of Wisconsin-Parkside recognizes that students may choose to identify themselves within the university community with a preferred first name that differs from their legal name. The goal of the Student Preferred Name policy at UW-Parkside is to provide a consistent preferred name experience across the university and allow the use of preferred name wherever possible and wherever legal name is not absolutely required.

As long as the use of the preferred first name is not used for the purpose of misrepresentation, it will appear instead of the legal first name in select university systems and documents (systems that do not require legal name based on university or legal requirement).

This policy outlines the use of a preferred name solely within UW-Parkside's internal systems. All external communications such as hometown newspapers, official transcripts, enrollment verifications, degree verifications, etc. will continue to use the student's legal name. Commencement Programs and Diplomas will use the Diploma Name identified by the student as part of the graduation application process.

The full policy can be viewed at: https://www.uwp.edu/explore/offices/governance/policy99.cfm.
**Medical Withdrawal/Drop Policy**

**Administrative Policy #103**

**103.03 Policy Statement**

A medical withdrawal is granted in instances where a student is faced with a serious or unexpected condition that completely precludes the student from being able to function as a student and in which the regular university withdrawal process is not appropriate. The medical withdrawal is to be used after the 100% refund period, as indicated in UW System Administrative Policy 805, Tuition and Fee Policies for Credit Instruction.

A request may be granted to students who experience a serious or unexpected physical or behavioral health condition; who may need to provide care to an immediate family member who is experiencing a serious or unexpected physical or behavioral health condition; or who have experienced the death of an immediate family member. Approval will be granted on a case-by-case basis.

In the case of pre-existing, recurring, or chronic health conditions, documentation must show that the recurrence or worsening of the condition(s) began after initiation of the term for which the withdrawal is requested.

Exceptions to any of the stated provisions in this policy can only be authorized by the chancellor or the chancellor’s designee. Any delegation of authority should be in writing and maintained in the designee’s offices. Documentation justifying exceptions should be maintained. Blanket exceptions are not authorized.

**103.03.02 Policy Timeline**

Whenever possible, requests for medical withdrawal should occur during the term in which the medical condition arose. Students may apply for a retroactive medical withdrawal up to one year after the end of the term in question. For applications submitted after the end of the term, transcript adjustments may be the only possible remedy; tuition adjustments may not be possible.

The last date of class attendance shall be considered the official withdrawal date to be used by the Registrar’s Office for recording academic record class drops and term withdrawals. Based on the date, dropped classes will either be removed entirely from student transcripts or they will continue to appear with an appropriate grade designation that will not impact GPA calculations for the student. This date will also be used by the Financial Aid Office to make award and/or repayment decisions.

**103.03.04 Integration with Related Campus Processes**

Usually, consideration is for a complete withdrawal from all courses. UW-Parkside will allow the drop of one or more courses for medical reasons under this policy while the student remains enrolled in others, the medical circumstances must be especially well-documented to explain the selective nature of the academic impact.

The Dean of Students Office shall indicate to the student any necessary re-entry steps should the student be interested in returning in the future. This may include a letter from a healthcare provider indicating readiness to return and outlining aftercare recommendations—and meeting with a campus official who can review the documentation and help the student connect with resources to support continuity of care and a successful transition back to campus. The requirements for return must be consistent with all other institutional return processes.

The medical withdrawal/drop will be incorporated into the normal withdrawal/drop process. Where the reason indicated is “medical” all documentation shall be forwarded to the Dean of Students Office, as many extenuating circumstances are highly sensitive in nature and should be reviewed for tuition and segregated fee proration.

Regent Policy Document 4-21
Commitment to Academic Freedom and Freedom of Expression

Scope

This policy applies to all UW System students, employees, and visitors.

Purpose

The purpose of this policy is to communicate the Board of Regents’ commitment to academic freedom and freedom of expression, and the expectations for those who violate these freedoms.

Policy Statement

1. Commitment

The Board of Regents of the University of Wisconsin System has a longstanding tradition of support for academic freedom, dating back to 1894 and the famous “sifting and winnowing” statement contained in the University of Wisconsin Board of Regents’ Final Report on the Trial of Richard Ely. The Board of Regents of the University of Wisconsin System hereby reiterates its commitment to the principle of academic freedom and affirms its commitment to the principle of freedom of expression.

Academic freedom includes the freedom to explore all avenues of scholarship, research, and creative expression, and to reach conclusions according to one’s own scholarly discernment. Freedom of expression includes the right to discuss and present scholarly opinions and conclusions on all matters both in and outside the classroom. These freedoms include the right to speak and write as a member of the university community or as a private citizen without institutional discipline or restraint, on scholarly matters, or on matters of public concern. The UW System is committed to these principles and provides all members of the university community the broadest possible latitude to explore ideas and to speak, write, listen, challenge, and learn.

Of course, different ideas in the university community will often and quite naturally conflict. But it is not the proper role of the university to attempt to shield individuals from ideas and opinions they, or others, find unwelcome, disagreeable, or even deeply offensive. Although the university greatly values civility, concerns about civility and mutual respect can never be used as justification for closing off discussion of ideas, however offensive or disagreeable those ideas may be to some members within the university community.

The freedom to debate and discuss the merits of competing ideas does not mean that members of the university community may say whatever they wish, wherever they wish. Consistent with longstanding practice informed by law, institutions within the System may restrict expression that violates the law, that falsely defames a specific individual, that constitutes a genuine threat or discriminatory harassment, that unjustifiably invades substantial privacy or confidentiality interests, or that is otherwise directly incompatible with the functioning of the university. In addition, the institutions may reasonably regulate the time, place, and manner of expression to ensure that it does not disrupt ordinary activities. But these are narrow exceptions to the general principle of freedom of expression, and it is vitally important that these exceptions never be used in a manner that is inconsistent with each institution’s commitment to a completely free and open discussion of ideas.

These principles carry responsibilities. Academic freedom carries the responsibility for the faithful performance of professional duties and obligations. All members of the university community at each of the institutions in the University of Wisconsin System share in the responsibility for maintaining
civility and a climate of mutual respect. Although members of the university community at each institution are free to criticize and contest the views expressed on campus, they may not obstruct or otherwise interfere with the freedom of others, including speakers who are invited to campus, to express views they reject or even loathe. Freedom of expression also carries the obligation to make clear that when speaking on matters of public interest or concern, one is speaking on behalf of oneself, not the institution.

Each institution in the University of Wisconsin System has a solemn responsibility not only to promote lively and fearless exploration, deliberation, and debate of ideas, but also to protect those freedoms when others attempt to restrict them. Exploration, deliberation, and debate may not be suppressed because the ideas put forth are thought by some or even by most members of the university community (or those outside the community) to be offensive, unwise, immoral, or wrong-headed. It is for the members of the university community, not for the institution itself, to make those judgments for themselves, and to act on those judgments not by seeking to suppress exploration of ideas or expression of speech, but by openly and vigorously contesting the ideas that they oppose. Indeed, fostering the ability of members of the university community to engage in such debate and deliberation in an effective and responsible manner is an essential part of each institution’s educational mission.

Accordingly, the University of Wisconsin System Board of Regents expresses its expectation that the principles of academic freedom and freedom of expression will be upheld because today, as previously stated by Regents on September 18, 1894: “Whatever may be the limitations which trammel inquiry elsewhere, we believe the great state University of Wisconsin should ever encourage that continual and fearless sifting and winnowing by which alone the truth can be found.”

2. Conduct on University Lands; Student and Employee Discipline

Chapters UWS 17 (Student Nonacademic Misconduct Procedures) and UWS 18 (Conduct on University Lands) of the Wisconsin Administrative Code and other relevant Administrative Code provisions, UW System and UW institution policies, and State statutes govern the conduct of students, employees, and visitors on all real property owned or leased by, or otherwise under the control of the Board of Regents. These Administrative Code provisions, statutes and policies provide UW institutions with authority to address disruptive behavior by students, employees, and visitors.

Chapter UWS 17.09 describes misconduct that may subject a student to discipline, including but not limited to: disruption of university-authorized activities; dangerous conduct; unauthorized use of or damage to property; violation of criminal law; serious and repeated violations of municipal law; violation of university rules; and violation of Chapter UWS 18. Chapter UWS 17.10(1) contains a range of disciplinary sanctions for students under the jurisdiction of the institution who engage in violent or other disorderly conduct that materially and substantially disrupts the free expression of others.

Chapter UWS 18 describes misconduct that may subject a student or an employee to discipline, and that may subject students, employees, and campus visitors to municipal fines or criminal sanctions, including but not limited to Chapter UWS 18.10 (offenses against public safety), Chapter UWS 18.07 (use of campus facilities), and Chapter UWS 18.11 (offenses against public peace and order). Chapter UWS 18.13 describes forfeiture penalties for violation of certain sections of Chapter UWS 18.

Students charged with misconduct by the University shall be provided the procedural protections in Chapter UWS 17 and parallel UW institution policies. Those protections include, but are not limited to: the right to a written report detailing the alleged misconduct, describing all information available to the university regarding the alleged misconduct, and specifying the sanction sought; the right to a hearing before an impartial hearing examiner or hearing committee; the right to question adverse witnesses; the right to present information and witnesses; the right to be heard; the right to be accompanied by an advisor who may be an attorney; and the right to an appeal.

A formal investigation and disciplinary hearing is required the second time a formal complaint alleges a student has engaged in violent or other disorderly misconduct that materially and substantially disrupted the free expression of others. Any student who has twice been found responsible for
misconduct that materially and substantially disrupted the free expression of others at any time during the student’s enrollment shall be suspended for a minimum of one semester. Any student who has thrice been found responsible for misconduct that materially and substantially disrupted the free expression of others at any time during the student’s enrollment shall be expelled. This paragraph shall be effective upon amendment of Chapter UWS 17 of the Wisconsin Administrative Code under Chapter 227 of the Wisconsin Statutes to include a parallel provision. The report regarding repeat violators described in Section 5 of this policy will not be required after the effective date of the amendment to Chapter UWS 17.

Employees charged with misconduct described in Chapter UWS 18 and UW institution policies governing employee conduct shall be provided the procedural protections in applicable Wisconsin Administrative Code sections and UW institution policies.

3. Freedom of Expression

Students and employees have the freedom to discuss any problem that presents itself, as the First Amendment of the U.S. Constitution and Article I of the Wisconsin Constitution permit. Students and employees shall be permitted to assemble and engage in spontaneous expressive activity as long as such activity does not materially and substantially disrupt the functioning of an institution.

Protests and demonstrations that materially and substantially disrupt the rights of others to engage in or listen to expressive activity shall not be permitted and shall be subject to sanction. This policy shall not prohibit administrators, faculty, or other instructors from maintaining order. Access to UW institutions for purposes of free speech and expression shall occur within the limits of reasonable viewpoint-neutral and content-neutral restrictions on time, place, and manner of expression and the provisions of Chapter UWS 21 (Use of University Facilities) of the Wisconsin Administrative Code.

4. Restriction of Expression

UW institutions may restrict expressive activity not protected by the First Amendment of the U.S. Constitution or Article I of the Wisconsin Constitution, including any of the following:

a. Discriminatory harassment.
b. Violations of state or federal law.
c. Sexual harassment.
d. True threats.
e. An unjustifiable invasion of privacy or confidentiality.
f. An action that materially and substantially disrupts the function of an institution.
g. A violation of a reasonable time, place, and manner restriction on expressive activities.

Nothing in this policy shall be construed to prevent institutions from regulating speech or activity as allowed by law.

Regent Policy Document 14-6 (formerly 88-12)
Discrimination, Harassment, and Retaliation

Scope

This policy applies to all areas of the UW System programs, activities, employment practices and operations, including the conduct of all students and employees that arises out of their employment, educational or academic status, as well as to the conduct of all guests, visitors, vendors, contractors, subcontractors and others who do business with the UW System or individual UW institutions.
Purpose

The purposes of this policy are to: express the Board of Regents’ commitment to providing an environment free of discrimination, harassment, and retaliation; codify in Board of Regents policy the statutory prohibitions against discriminatory conduct; and assign oversight responsibility.

Policy Statement

It is the policy of the Board of Regents that the University of Wisconsin System maintain an academic and work environment free of discrimination, discriminatory harassment, or retaliation for all students and employees. Discrimination is inconsistent with the efforts of the University of Wisconsin System to foster an environment of respect for the dignity and worth of all members of the university community and to eliminate all manifestations of discrimination within the university. The Board is also committed to the protection of individual rights under the First Amendment (and related principles of academic freedom) and to preserving the widest possible dialogue within its educational environment.

Discrimination or discriminatory harassment that are based upon an individual’s characteristics as protected under state law or federal law (“protected status”) or university policy are prohibited. Harassment is a form of discrimination and is prohibited. In addition, any form of retaliation against students or employees is prohibited. Any person who believes they have been subjected to this type of prohibited activity should immediately report it to the appropriate institution official or office.

The following protections shall apply to this policy in regard to an individual’s protected status:

Students

No student may be denied admission to, or participation in or the benefits of, or be discriminated against in any service, program, course or facility of the UW System or its institutions on the basis of race, color, creed, religion, age, sex, sexual orientation, gender identity or expression, national origin, ancestry, disability, pregnancy, marital or parental status, or any other category protected by law, including physical condition or developmental disability as defined in Wisconsin Statutes §51.01(5).

Employees

No employee may be discriminated against on the basis of race, color, creed, religion, age, sex, sexual orientation, gender identity or expression, national origin, ancestry, disability, pregnancy, marital or parental status, genetic information, arrest record, conviction record, military service, veteran status, use or nonuse of lawful products off the employer’s premises during nonworking hours, declining to attend a meeting or participate in any communication about religious matters or political matters, or any other category protected by law. This provision includes employment-related actions, such as recruitment, interviewing, testing, screening, selection, placement, classification, evaluation, transfer, promotion, training, compensation, fringe benefits, layoffs, and/or dismissal.

Regent Policy Document 14-8 (formerly 91-8)
Consensual Relationships

Scope

This policy describes the Board of Regents’ expectations with respect to consensual romantic or sexual relationships where a power differential exists. This policy covers all UW System employees, students, and affiliated individuals.
Purpose

The purpose of this policy is to ensure that the employment and academic environment is free from real or perceived conflicts of interest when UW employees, students, and affiliated individuals, in positions of unequal power, are involved in consensual romantic or sexual relationships.

Definitions

1. Consensual Relationships: A consensual relationship refers to any relationship, either past or present, which is romantic, physically intimate, or sexual in nature, and to which the parties consent or consented. This includes marriage.

2. Conflict of Interest: A conflict of interest exists when there is incompatibility between private/personal interests and official/professional responsibilities.

3. Instructor: An instructor includes faculty and academic staff members who serve in instructional roles in relation to students. The instructional context includes: academic instruction, advising, direct or indirect evaluation of a student’s work, research collaboration or assistantships, and coaching.

4. Power Differential: A power differential exists when individuals possess different degrees of power or influence due to their professional or student standing.

5. Employees: Employees include, but are not limited to, administrators, faculty, academic staff, university staff, student staff, graduate assistants, and interns.

6. Students: Students are individuals enrolled in courses at the university, including online.

7. Affiliated Individuals: Affiliated individuals include, but are not limited to, volunteers, vendors, and contractors. In this policy, all references to employees should also be considered references to affiliated individuals.

Policy Statement

It is the policy of the University of Wisconsin System Board of Regents that consensual relationships that might be appropriate in other circumstances are not appropriate when they occur between (1) an employee of the university and a student over whom the employee has or potentially will have supervisory, advisory, evaluative, or other authority or influence, or (2) an employee of the university and another employee over whom the employee has or potentially will have supervisory, advisory, evaluative, or other authority or influence. Even where negative consequences to the participants do not result, such relationships create an environment charged with potential or perceived conflicts of interest and possible use of academic or supervisory leverage to maintain or promote the relationship. Romantic or sexual relationships that the parties may view as consensual may still raise questions of favoritism, as well as of an exploitative abuse of trust and power.

The following two types of consensual relationships are addressed in this policy: (1) employee with a student; and (2) employee with another employee.

A. Employee with a student:

1. It is a violation of this policy for an instructor to commence a consensual relationship with a student currently under their instruction or whom the instructor reasonably believes in the future may be under the instructor’s instruction. If an instructor and a student are already in a consensual relationship when the student comes under the instructor’s instruction, then the provisions of A.2. apply.
2. A consensual relationship between (1) an employee, who is not an instructor as defined by this policy, and a student over whom the employee has supervisory, advisory, evaluative, or other authority or influence, or (2) an instructor and a student where the instructor has supervisory, advisory, evaluative, or other authority or influence over the student, and where the instructor and student were already in a consensual relationship prior to the student coming under the instructor’s instruction, is a violation of this policy unless:

   a. The employee immediately reports the relationship to their supervisor/department chair, to the hiring official, or to the administrator who supervises the hiring official; and

   b. The employee cooperates in actions taken to eliminate any actual or potential conflicts of interest and to mitigate adverse effects on the other party to the relationship.

3. The supervisor or university official who receives the report shall treat the information sensitively and shall promptly:

   a. Consult with the director of equity/diversity and/or human resources; and

   b. In cooperation with the director of equity/diversity and/or human resources, eliminate conflicts of interest and mitigate adverse effects on the other party to the relationship, by:

      i. Documenting the steps taken, providing all parties a copy; and

      ii. Transferring one of the individuals to another position; and/or

      iii. Transferring the student into a different class or section; and/or

      iv. Transferring supervisory, evaluative, academic, or advisory responsibilities; and/or

      v. Securing a source of funding for the student that is not dependent upon the employee with whom the student is in a consensual relationship, if applicable.

B. Employee with another employee:

1. A consensual relationship between an employee and another employee where one employee has supervisory, advisory, evaluative, or other authority or influence over the other employee or where the employee reasonably believes the employee will have supervisory, advisory, evaluative, or other authority or influence over the other employee, is a violation of this policy, unless:

   a. The employee with the supervisory, advisory, evaluative, or other authority or influence over the other employee immediately reports the relationship to their supervisor/department chair, to the hiring official, or to the administrator who supervises the hiring official; and

   b. The employee with the supervisory, advisory, evaluative, or other authority or influence over the other employee cooperates in actions taken to eliminate any actual or potential conflicts of interest and to mitigate adverse effects on the other employee.

2. The supervisor or university official who receives the report shall treat the information sensitively and shall promptly:

   a. Consult with the director of equity/diversity, and/or human resources; and
b. In cooperation with the director of equity/diversity and/or human resources, eliminate conflicts of interest and mitigate adverse effects on the other party to the relationship, by:

i. Documenting the steps taken, providing all parties a copy; and

ii. Transferring supervisory, evaluative, academic, or advisory responsibilities; and/or

iii. Securing a source of funding for the employee that is not dependent upon the employee with supervisory, advisory, or evaluative responsibility with whom the employee is in a consensual relationship, if applicable.

C. Violations

It is a violation of this policy for an instructor to commence a consensual relationship with a student currently under their instruction, and may result in disciplinary action against that employee. If an instructor or other employee fails to meet the requirements for disclosing the relationship with a student or another employee, or fails to cooperate in the actions described above, such a failure constitutes a violation of this policy and may result in disciplinary action taken against that employee. If the employee is also a student, it may also result in disciplinary actions under Chapter UWS 14 and/or 17, Wis. Admin. Code.

To report potential violations of this policy, individuals should contact either the Director of Human Resources or the Title IX Coordinator.

Retaliation against persons who report concerns about potential violations of this policy is prohibited.

Each UW institution shall publish this policy in a location accessible to faculty, staff, students, and the public.

Each institution shall educate faculty, staff, and students on the requirements of the policy.

Oversight, Roles, and Responsibilities

Each chancellor or his or her designee shall be responsible for implementing institutional procedures consistent with this policy.

University of Wisconsin System Conduct Policies

Students attending any of the University of Wisconsin System institutions are bound by the same policies related to Academic Misconduct, Non-Academic (Behavioral) Misconduct, and Conduct on University Lands.

UWS 14.04 Disciplinary sanctions.
(1) The following are the disciplinary sanctions that may be imposed for academic misconduct in accordance with the procedures of s. UWS 14.05, 14.06 or 14.07:
   (a) An oral reprimand;
   (b) A written reprimand presented only to the student;

(2) One or more of the disciplinary sanctions listed in sub. (1) may be imposed for an incident of academic misconduct.
History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.
UWS 14.05 Disciplinary sanction imposed at the discretion of the instructor.

(1) Where an instructor concludes that a student enrolled in one of his or her courses has engaged in academic misconduct in the course, the instructor for that course may impose one or more of the following disciplinary sanctions, as listed under s. UWS 14.04

(1) (a) through (c):
   (a) An oral reprimand;
   (b) A written reprimand presented only to the student; or
   (c) An assignment to repeat the work, to be graded on its merits.

(2) No disciplinary sanction may be imposed under this section unless the instructor promptly offers to discuss the matter with the student. The purpose of this discussion is to permit the instructor to review with the student the bases for his or her belief that the student engaged in academic misconduct, and to afford the student an opportunity to respond.

(3) A student who receives a disciplinary sanction under this section has the right to a hearing before the academic misconduct hearing committee under s. UWS 14.08 to contest the determination that academic misconduct occurred, or the disciplinary sanction imposed, or both. If the student desires such a hearing, he or she must file a written request with the student affairs officer within 10 days of imposition of the disciplinary sanction by the instructor.

History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.

UWS 14.06 Disciplinary sanction imposed following a report of academic misconduct by the instructor.

Where an instructor believes that a student enrolled in one of his or her courses has engaged in academic misconduct and the sanctions listed under s. UWS 14.04 (1) (a) through (c) are inadequate or inappropriate, the instructor may proceed in accordance with this section to impose, subject to hearing rights in s. UWS 14.08, one or more of the disciplinary sanctions listed under s. UWS 14.04 (1) (d) through (h).

(1) CONFERENCE WITH STUDENT. When an instructor concludes that proceedings under this section are warranted, the instructor shall promptly offer to discuss the matter with the student. The purpose of this discussion is to permit the instructor to review with the student the bases for his or her belief that the student engaged in academic misconduct, and to afford the student an opportunity to respond.

(2) DETERMINATION BY THE INSTRUCTOR THAT NO ACADEMIC MISCONDUCT OCCURRED.

If, as a result of a discussion under sub. (1), the instructor determines that academic misconduct did not in fact occur or that no disciplinary sanction is warranted under the circumstances, the matter will be considered resolved without the necessity for further action or a written report.

(3) PROCESS FOLLOWING DETERMINATION BY THE INSTRUCTOR THAT ACADEMIC MISCONDUCT OCCURRED.

(a) If, as a result of a discussion under sub. (1), the instructor determines that academic misconduct did occur and that one or more of the disciplinary sanctions listed under s. UWS 14.04 (1) (d) through (h) should be recommended, the instructor shall prepare a written report so informing the student, which shall contain the following:
   1. A description of the misconduct;
   2. Specification of the sanction recommended;
   3. Notice of the student’s right to request a hearing before the academic misconduct hearing committee; and
   4. A copy of the institutional procedures adopted to implement this section.

(b) The written report shall be delivered personally to the student or be mailed to the student by regular first class United States mail at his or her current address, as maintained at the institution. In addition, copies of the report shall be provided to the institution’s student affairs officer and to others authorized by institutional procedures.

(c) A student who receives a written report under this section has the right to a hearing before the academic misconduct hearing committee under s. UWS 14.08 to contest the determination that
academic misconduct occurred, or the choice of disciplinary sanction, or both. If the student desires
the hearing before the academic misconduct hearing committee, the student must file a written
request with the student affairs officer within 10 days of personal delivery or mailing of the written
report. If the student does not request a hearing within this period, the determination of academic
misconduct shall be regarded as final, and the disciplinary sanction recommended shall be imposed.

(4) PROCESS FOLLOWING DETERMINATION BY THE INSTRUCTOR THAT DISCIPLINARY PROBATION,
SUSPENSION OR EXPULSION MAY BE WARRANTED.
(a) If, as a result of a discussion under sub. (1), the instructor determines that academic misconduct
did occur and that disciplinary probation, suspension or expulsion under s. UWS 14.04 (1) (i) or (j)
should be recommended, the instructor shall provide a written report to the investigating officer,
which shall contain the following:
   1. A description of the misconduct; and
   2. Specification of the sanction recommended.
(b) Upon receipt of a report under this subsection, the investigating officer may proceed, in
accordance with s. UWS 14.07, to impose a disciplinary sanction.

History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.

UWS 14.07 Disciplinary sanction imposed following a report of academic misconduct by the
investigating officer.

The investigating officer may proceed in accordance with this section to impose, subject to hearing
and appeal rights, one or more of the disciplinary sanctions listed in s. UWS 14.04 (1) (g) through (j).

(1) AUTHORITY OF INVESTIGATING OFFICER. The investigating officer may proceed in accordance
with this section when he or she receives information that a student at the institution has engaged in
alleged academic misconduct and:
(a) Some or all of the alleged academic misconduct occurred outside the scope of any course for which
the involved student is currently registered;
(b) The involved student has previously engaged in academic misconduct subject to the disciplinary
sanctions listed in s. UWS 14.04 (1) (d) through (j);
(c) The alleged misconduct would, if proved to have occurred, warrant a sanction of disciplinary
probation, suspension or expulsion; or
(d) The instructor in the course is unable to proceed.

(2) CONFERENCE WITH STUDENT. When the investigating officer concludes that proceedings under
this section are warranted, he or she shall promptly offer to discuss the matter with the student. The
purpose of this discussion is to permit the investigating officer to review with the student the bases for
his or her belief that the student engaged in academic misconduct, and to afford the student an
opportunity to respond.

(3) CONFERENCE WITH INSTRUCTOR. An investigating officer proceeding under this section shall
discuss the matter with an involved instructor. This discussion may occur either before or after the
conference with the student. It may include consultation with the instructor on the facts underlying
the alleged academic misconduct and on the propriety of the recommended sanction.
(4) DETERMINATION BY THE INVESTIGATING OFFICER THAT NO ACADEMIC MISCONDUCT
OCCURRED. If, as a result of discussions under subs. (2) and (3), the investigating officer determines
that academic misconduct did not in fact occur or that no disciplinary sanction is warranted under the
circumstances, the matter will be considered resolved without the necessity for further action or a
written report.

(5) PROCESS FOLLOWING DETERMINATION BY THE INVESTIGATING OFFICER THAT ACADEMIC
MISCONDUCT OCCURRED.
(a) If, as a result of discussions under subs. (2) and (3), the investigating officer determines that
academic misconduct did occur and that one or more of the disciplinary sanctions listed under s. UWS
14.04 (1) (g) through (j) should be recommended, the investigating officer shall prepare a written
report so informing the student, which shall contain the following:
   1. A description of the misconduct;
(b) The written report shall be delivered personally to the student or mailed to the student by regular first class United States mail at his or her current address, as maintained at the institution. In addition, a copy of the report shall be provided to the instructor and to the institution’s student affairs officer.

(c) A student who receives a written report under this section has the right to a hearing before the academic misconduct hearing committee under s. UWS 14.08 to contest the determination that academic misconduct occurred, or the choice of disciplinary sanction, or both.

1. Except in cases where the disciplinary sanction recommended is disciplinary probation, suspension or expulsion, if the student desires the hearing before the academic misconduct hearing committee, the student must file a written request with the student affairs officer within 10 days of personal delivery or mailing of the written report. If the student does not request a hearing within this period, the determination of academic misconduct shall be regarded as final, and the disciplinary sanction recommended shall be imposed.

2. In cases where the disciplinary sanction recommended is disciplinary probation, suspension or expulsion, the student affairs officer shall, upon receipt of the written report under par. (b), proceed under s. UWS 14.08 to schedule a hearing on the matter. The purpose of the hearing shall be to review the determination that academic misconduct occurred and the disciplinary sanction recommended. A hearing will be conducted unless the student waives, in writing, the right to such a hearing.

History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.

UWS 14.08 Hearing.

(1) If a student requests a hearing, or a hearing is required to be scheduled under s. UWS 14.07 (5) (c) 2., the student affairs officer shall take the necessary steps to Convene the academic misconduct hearing committee and shall schedule the hearing within 10 days of receipt of the request or written report, unless a different time period is mutually agreed upon by the student, instructor or investigating officer, and the members of the hearing committee.

(2) Reasonably in advance of the hearing, the committee shall obtain from the instructor or investigating officer, in writing, a full explanation of the facts upon which the determination of misconduct was based, and shall provide a copy of ch. UWS 14 to the student (3) The hearing before the academic misconduct hearing committee shall be conducted in accordance with the following requirements:

(a) The student shall have the right to question adverse witnesses, the right to present evidence and witnesses, and to be heard in his or her own behalf, and the right to be accompanied by a Representative of his or her choice.

(b) The hearing committee shall not be bound by common law or statutory rules of evidence and may admit evidence having reasonable probative value, but shall exclude immaterial, irrelevant, or unduly repetitious testimony, and shall give effect to recognized legal privileges

(c) The hearing committee shall make a record of the hearing. The record shall include a verbatim record of the testimony, which may be a sound recording, and a file of the exhibits offered at the hearing. Any party to the hearing may obtain copies of the record at his or her own expense. Upon a showing of indigence and legal need, a party may be provided a copy of the verbatim record of the testimony without charge.

(d) The hearing committee shall prepare written findings of fact and a written statement of its decision based upon the record of the hearing.

(e) The hearing committee may find academic misconduct and impose a sanction of suspension or expulsion only if the proof of such misconduct is clear and convincing. In other cases, a finding of misconduct must be based on a preponderance of the credible evidence.

(f) The committee may impose a disciplinary sanction that differs from the recommendation of the instructor or investigating officer.

(g) The instructor or the investigating officer or both may be witnesses at the hearing conducted by the committee, but do not have responsibility for conducting the hearing.
(h) The decision of the hearing committee shall be served upon the student either by personal delivery or by first class United States mail and shall become final within 10 days of service, unless an appeal is taken under s. UWS 14.09.  
History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.

**UWS 14.09 Appeal to the chancellor.**  
(1) Where the sanction prescribed by the hearing committee is suspension or expulsion, the student may appeal to the chancellor to review the decision of the hearing committee on the record. In such a case, the chancellor shall sustain the decision of the academic misconduct hearing committee unless the chancellor finds:  
(a) The evidence of record does not support the findings and recommendations of the hearing committee;  
(b) Established procedures were not followed by the academic misconduct hearing committee and material prejudice to the student resulted; or  
(c) The decision was based on factors proscribed by state or federal law regarding equal educational opportunities.  

(2) If the chancellor makes a finding under sub. (1), the chancellor may remand the matter for consideration by a different hearing committee, or, in the alternative, may invoke an appropriate remedy of his or her own.

History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.

**UWS 14.11 Settlement.**  
The procedures set forth in this chapter do not preclude a student from agreeing that academic misconduct occurred and to the imposition of a sanction, after proper notice has been given. Required written reports, however, may not be waived.  
History: Cr. Register, February, 1989, No. 398, eff. 3-1-89.

(2) Upon completion of a suspension period, a student may re-enroll in the institution which suspended him or her as if no suspension had been imposed.

**UWS 14.13 Right to petition for readmission.**

The petition for readmission must be in writing and directed to the chancellor of the institution from which the student was suspended or expelled. The petition may not be filed before the expiration of one year from the date of the final determination in expulsion cases, or before the expiration of one-half of the suspension period in suspension cases. The chancellor shall, after consultation with elected representatives of the faculty, academic staff, and students, adopt procedures for determining whether such petitions will be granted or denied.

UWS 17.01 Policy statement.
The missions of the University of Wisconsin System and its individual institutions can be realized only if the university’s teaching, learning, research and service activities occur in living and learning environments that are safe and free from violence, harassment, fraud, theft, disruption and intimidation. In promoting such environments, the university has a responsibility to address student nonacademic misconduct; this responsibility is separate from and independent of any civil or criminal action resulting from a student’s conduct. This chapter defines nonacademic misconduct, provides university procedures for effectively addressing misconduct, and offers educational responses to misconduct. The University of Wisconsin System is committed to respecting students’ constitutional rights. Nothing in this chapter is intended to restrict students’ constitutional rights, including rights of freedom of speech or to peaceably assemble with others.

UWS 17.02 Definitions. In this chapter:
(1) “Chief administrative officer” means the chancellor of an institution or their designees.

(2) “Clear and convincing evidence” means information that would persuade a reasonable person to have a firm belief that a proposition is more likely true than not true. It is a higher standard of proof than “preponderance of the evidence.”

(2m) “Complainant” means any individual who is alleged to be the subject of sexual misconduct, as defined in s. UWS 17.16.

(2g) “Consent” means words or overt actions by a person who is competent to give informed consent, indicating a freely given agreement to engage in sexual activity or other activity referenced in the definitions of sexual assault and sexual exploitation in s. UWS 17.16. A person is unable to give consent if the person is incapacitated because of drugs, alcohol, physical or intellectual disability, or unconsciousness.
(3) "Days" means calendar days.

(4) "Delivered" means sent by electronic means to the student's official university email address and, in addition, provided by any of the following methods:
   - (a) Given personally.
   - (b) Placed in the student's official university mailbox.
   - (c) Mailed by regular first-class United States mail to the student's current address as maintained by the institution.

(5) "Disciplinary file" means the record maintained by the student affairs officer responsible for student discipline.

(6) "Disciplinary probation" means a status in which a student may remain enrolled in the university only upon the condition that the student complies with specified standards of conduct or other requirements or restrictions on privileges, for a specified period of time, not to exceed two years.

(7) "Disciplinary sanction" means any action listed in s. UWS 17.10 (1) taken in response to student nonacademic misconduct.

(7m) "Education program or activity" includes, for purposes of Title IX misconduct only, locations, events, or circumstances over which the university exercised substantial control over both the respondent and the context in which the relevant misconduct occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the university.

(8) "Expulsion" means termination of student status with resultant loss of all student rights and privileges.

(8m) "Formal complaint" is, for the purpose of Title IX misconduct only, a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment, sexual assault, dating violence, domestic violence, or stalking and requesting that the institution investigate the allegations. At the time of filing of the formal complaint, the complainant must be participating in or attempting to participate in an educational program or activity. A formal complaint may be filed in person, by mail, or electronic mail, or any other method designated by the university. A formal complaint must include a physical or digital signature of the complainant or the Title IX Coordinator.

(9) "Hearing examiner" means an individual, other than the investigating officer, appointed by the chief administrative officer in accordance with s. UWS 17.06 (2) for the purpose of conducting a hearing under s. UWS 17.12 or UWS 17.18.

(9m) "Incapacitation" means the state of being unable to physically and/or mentally make informed rational judgments and effectively communicate, and may include unconsciousness, sleep, or blackouts, and may result from the use of alcohol or other drugs. Where alcohol or other drugs are involved, evaluation of incapacitation requires an assessment of how the consumption of alcohol and/or drugs affects a person's decision-making ability; awareness of consequences; ability to make informed, rational judgments; capacity to appreciate the nature and quality of the act; or level of consciousness. The assessment is based on objectively and reasonably apparent indications of incapacitation when viewed from the perspective of a sober, reasonable person.

(10) "Institution" means any university, or an organizational equivalent designated by the board.

(11) "Investigating officer" means an individual, or their designee, appointed by the chief administrative officer of each institution, to conduct investigations of nonacademic misconduct under this chapter.
"Nonacademic misconduct hearing committee" or "committee" means the committee appointed pursuant to s. UWS 17.07 to conduct hearings under s. UWS 17.12 or UWS 17.18.

"Party" refers to a respondent and/or complainant involved in a disciplinary procedure under s. UWS 17..

"Preponderance of the evidence" means information that would persuade a reasonable person that a proposition is more probably true than not true. It is a lower standard of proof than "clear and convincing evidence" and is the minimum standard for a finding of responsibility under this chapter.

"Respondent," means any student who was registered for study in an institution for the academic period, or between academic periods for continuing students, when the misconduct occurred and has been reported to have violated UWS 17.09 or UWS 17.16.

"Student" means any person who is registered for study in an institution for the academic period in which the misconduct occurred, or between academic periods, for continuing students.

"Student affairs officer" means the dean of students or student affairs officer or other personnel designated by the chief administrative officer to coordinate disciplinary hearings and carry out duties described in this chapter.

"Suspension" means a loss of student status for a specified length of time, not to exceed two years, with resultant loss of all student rights and privileges.

"University lands" means all real property owned by, leased by, or otherwise subject to the control of the Board of Regents of the University of Wisconsin System.

UWS 17.11 Disciplinary procedure.

(1) PROCESS. The investigating officer may proceed in accordance with this section to impose, subject to hearing and appeal rights, one or more of the disciplinary sanctions listed in s. UWS 17.10 (1) for conduct defined in s. UWS 17.09.

(2) CONFERENCE WITH RESPONDENT. When the investigating officer concludes that proceedings under this section are warranted, the investigating officer shall promptly contact the respondent in person, by telephone, or by electronic mail to offer to discuss the matter, review the investigating officer’s basis for believing that the respondent engaged in nonacademic misconduct, and to afford the respondent an opportunity to respond. If the respondent fails to respond to the investigating officer, the investigating officer may proceed to make a determination on the basis of the available information.

(3) DETERMINATION BY THE INVESTIGATING OFFICER THAT NO DISCIPLINARY SANCTION IS WARRANTED. If, as a result of a discussion under sub. (2) or review of available information, the investigating officer determines that nonacademic misconduct did not in fact occur, or that no disciplinary sanction is warranted under the circumstances, the matter will be considered resolved without the necessity for further action. The investigating officer shall notify the respondent.

(4) PROCESS FOLLOWING DETERMINATION BY THE INVESTIGATING OFFICER THAT NONACADEMIC MISCONDUCT OCCURRED.

(a) If, as a result of a discussion under sub. (2) or review of available information, the investigating officer determines that nonacademic misconduct did occur and that one or more of the disciplinary sanctions listed under s. UWS 17.10 (1) should be recommended, the investigating officer shall prepare a written report which shall contain all of the following:

1. A description of the alleged misconduct.
2. A description of all information available to the university regarding the alleged misconduct.
4. Notice of the respondent’s right to a hearing.
5. A copy of this chapter and of the institutional procedures adopted to implement this section.

(b) The written report shall be delivered to the respondent.

(c) A respondent who receives a written report under this section has the right to a hearing under s. UWS 17.12 to contest the determination that nonacademic misconduct occurred, the choice of disciplinary sanctions, or both.
1. Where the disciplinary sanction sought is one of those listed in s. UWS 17.10 (1) (a) to (g), and if the respondent desires a hearing, the respondent shall file a written request with the student affairs officer within 10 days of the date the written report is delivered to the respondent. If the respondent does not request a hearing within this period, the determination of nonacademic misconduct shall be regarded as final, and the disciplinary sanction sought shall be imposed.

2. Where the disciplinary sanction sought is one of those listed in s. UWS 17.10 (1) (h) to (j), the investigating officer shall forward a copy of the written report under par. (b) to the student affairs officer. The student affairs officer shall, upon receipt of the written report, proceed under s. UWS 17.12 to schedule a hearing on the matter. A hearing shall be conducted unless the respondent waives, in writing, the right to such a hearing.

UWS 17.12 Hearing.

(1) A respondent who requests a hearing, or for whom a hearing is scheduled under s. UWS 17.11 (4) (c) 2. for conduct defined in s. UWS 17.09, shall have the right to decide whether the matter will be heard by a hearing examiner or a hearing committee.

(2) If a respondent requests a hearing under s. UWS 17.11 (4) (c) 1., or a hearing is required to be scheduled under s. UWS 17.11 (4) (c) 2., the student affairs officer shall take the necessary steps to convene the hearing and shall schedule it within 15 days of receipt of the request or written report. The hearing shall be conducted within 45 days of receipt of the request or written report, unless a different time period is mutually agreed upon by the respondent and investigating officer or is ordered or permitted by the hearing examiner or committee.

(3) No less than 5 days in advance of the hearing, the hearing examiner or committee shall obtain from the investigating officer, in writing, a full explanation of the facts upon which the determination of misconduct was based, and shall provide the respondent with access to or copies of the investigating officer's explanation, together with any other materials provided to the hearing examiner or committee by the investigating officer, including any additional available information of the type described in s. UWS 17.11 (4) (a) 2.

(4) The hearing shall be conducted in accordance with the following guidance and requirements:

(a) The hearing process shall further the educational purposes and reflect the university context of nonacademic misconduct proceedings. The process need not conform to state or federal rules of criminal or civil procedure, except as expressly provided in ch. UWS 17.

(b) The respondent shall have the right to question adverse witnesses, the right to present information and witnesses, the right to be heard on their own behalf, and the right to be accompanied by an advisor of the respondent's choice. The advisor may be a lawyer. In cases where the recommended disciplinary sanction is identified in s. UWS 17.10 (1) (a) to (h), the advisor may counsel the respondent but may not directly question adverse witnesses, present information or witnesses, or speak on behalf of the respondent except at the discretion of the hearing examiner or committee. In cases where the recommended disciplinary sanction is identified in s. UWS 17.10 (1) (i) or (j), or where the respondent has been charged with a crime in connection with the same conduct for which the disciplinary sanction is sought, the advisor may question adverse witnesses, present information and witnesses, and speak on behalf of the respondent. In accordance with the educational purposes of the hearing, the respondent is expected to respond on their own behalf to questions asked of them during the hearing.

The record shall include a verbatim record of the testimony, which may be a sound recording, and a file of the exhibits offered at the hearing. The respondent may access the record, except as may be precluded by applicable state or federal law.

(e) The hearing examiner or committee shall prepare written findings of fact and a written statement of its decision based upon the record of the hearing.

(f) A hearing examiner's or committee's finding of nonacademic misconduct shall be based on one of the following:

2. A preponderance of the evidence, when the sanction to be imposed is one of those listed in s. UWS 17.10 (1) (a) to (g).

(g) The hearing examiner or committee may impose one or more of the disciplinary sanctions listed in s. UWS 17.10 (1) (a) to (g) that differs from the recommendation of the investigating officer. (i) The decision of the hearing examiner or committee shall be prepared within 14 days of the hearing, and delivered to the respondent, excluding information that may be precluded by state or federal law. The decision shall become final within 14 days of the date on the written decision, unless an appeal is taken under s. UWS 17.13.

(j) If the respondent fails to appear at a schedule hearing and to proceed, the hearing examiner or committee may issue a decision based upon the information provided.

(k) Disciplinary hearings are subject to the Wisconsin open meetings law and may be closed if the respondent requests a closed hearing or if the hearing examiner or committee determines that it is necessary to hold a closed hearing, as permitted under the Wisconsin open meetings law. Deliberations of the committee shall be held in closed session, in accordance with s. 19.85, Stats. As such, proper notice and other applicable rules shall be followed.

UWS 17.13 Appeal to the chancellor.

(1) For conduct defined in s. UWS 17.09, where the sanction prescribed by the hearing examiner or committee is one of those listed in s. (b) Appropriate procedures were not followed which resulted in material prejudice to the respondent.

(c) The decision was based on factors proscribed by state or federal law.

(3) If the chief administrative officers makes a finding under sub. (2), they may return the matter for consideration, or may invoke an appropriate remedy of their own. The chief administrative officer's decision shall be communicated to the respondent.

UWS 17.08

(a) As required by 34 CFR Part 106, a sexual misconduct disciplinary procedure will also be considered “Title IX misconduct” and require associated process when all of the following requirements are met:

   1. A “formal complaint,” as defined in 17.02(8m) is either filed by a complainant or signed by the Title IX Coordinator.
2. The alleged conduct is on the basis of sex and meets the definitions of sexual harassment as defined in s. UWS 17.16(a) or sexual assault, dating violence, domestic violence, or stalking as defined in s. UWS 17.16 (2-5).

(c) The university may dismiss a complaint of Title IX misconduct if at any time during the disciplinary procedure or hearing:

1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
2. The respondent is no longer enrolled by the university; or
3. Specific circumstances prevent the university from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

(d) Upon dismissal of a complaint of Title IX misconduct, the university will promptly send written notice of the dismissal and reason(s) therefore simultaneously to the complainant and respondent.

(e) Dismissal of a complaint of Title IX misconduct does not preclude other university action under ch. UWS 17.

(f) The university may consolidate disciplinary procedures as to allegations of sexual misconduct, as defined in s. UWS 17.16, against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual misconduct arise out of the same facts or circumstances.

(g) In consultation with the complainant, the university may choose to address allegations of non-Title IX sexual misconduct with non-disciplinary measures outside the procedures of s. UWS 17. Non-disciplinary measures may include supportive measures and protective measures for complainant, which may or may not involve the respondent.

(2) NOTICE OF INVESTIGATION. When the investigating officer concludes that proceedings under this section are warranted, the investigating officer shall promptly distribute a written Notice of Investigation in person, by telephone or by electronic mail, to the complainant and respondent. The Notice of Investigation will include:

(f) Notice if the sexual misconduct allegations also involves Title IX misconduct.
(g) Information about the nonacademic misconduct process available in ch. UWS 17 and about any available informal resolution process.

(h) If, during the course of an investigation, the university decides to investigate allegations that are not included in the Notice of Investigation, the university shall send an amended Notice of Investigation with additional allegations.

(3) INVESTIGATION. During the investigation, the investigating officer will:

(a) Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
(b) Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
(c) Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the recipient may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
(d) Provide, to anyone whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the person to prepare to participate;
(e) Not access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the university obtains that party’s voluntary, written consent to do so for a grievance process under this section.

(4) REVIEW OF EVIDENCE. Prior to completion of the final investigative report (s. UWS 17.17(5)), the university shall provide the complainant and respondent and their advisors, if any, the evidence gathered during the university’s investigation that is directly related to the allegations of sexual misconduct in an electronic format or hard copy.

(a) The evidence subject to review includes information upon which the university does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

(b) The complainant and respondent will be afforded at least 10 days to submit a written response to the evidence, which the investigator will consider prior to completion of the final investigative report.

(5) FINAL INVESTIGATIVE REPORT. The investigator will create an investigative report that fairly summarizes relevant evidence.

(a) The final investigative report shall be delivered simultaneously to the respondent and complainant and their advisors, if any, for their review and response at least 10 days prior to a hearing.

(b) The final investigative report may contain recommended determinations as to whether sexual misconduct occurred and specification of any sanction(s) recommended.

(c) After receipt of the final investigative report, the complainant and respondent have the right to a hearing under s. UWS 17.18 for a formal determination as to whether sexual misconduct occurred, potential disciplinary sanctions, or both.
(d) Upon distribution of the final investigative report to the complainant and respondent, the university will proceed under s. UWS 17.18 to schedule a hearing on the matter. A hearing shall be conducted unless the complainant and respondent waive, in writing, the right to such a hearing or otherwise voluntarily choose to proceed with a settlement agreement (or informal resolution) under s. UWS 17.21.

**UWS 17.18 Hearing (Sexual Misconduct).**

(1) The university shall have the right to decide whether the matter will be heard by a hearing examiner or a hearing committee.

(2) The university shall take the necessary steps to convene the hearing and shall schedule it within 15 days of the distribution of the final investigative report. The hearing shall be conducted within 45 days of the distribution of the final investigative report, unless a different time period is mutually agreed upon by the complainant, respondent and university or is ordered or permitted by the hearing examiner or committee.

(3) No less than 10 days in advance of the hearing, the hearing examiner or committee shall obtain from the investigating officer, in writing, the final investigative report and any additional available information of the type described in s. UWS 17.17(4).

(4) The hearing shall be conducted in accordance with the following guidance and requirements:

(a) The hearing process shall further the educational purposes and reflect the university context of nonacademic misconduct proceedings. The process need not conform to state or federal rules of criminal or civil procedure, except as expressly provided in ch. UWS 17.

(b) Both the complainant and respondent shall have the right to question adverse witnesses, the right to present information and witnesses, the right to be heard on their own behalf, and the right to be accompanied by an advisor of their choice. The advisor may be a lawyer. In accordance with the educational purposes of the hearing, the complainant and respondent are expected to respond on their own behalf to questions asked of them during the hearing.

(c) The hearing examiner or committee:

1. Shall admit information that has reasonable value in proving the facts, but may exclude immaterial, irrelevant, or unduly repetitious testimony.

2. Shall not permit questions and evidence about the complainant’s sexual predisposition or prior sexual behavior unless:

   i. Such questions and evidence about the complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or

   ii. If the questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent.

3. Shall observe recognized legal privileges including, but not limited to, those described in s. UWS 17.17(3)(e).

(2) May take reasonable steps to maintain order, and to adopt procedures for the questioning of a witness appropriate to the circumstances of that witness’s testimony, provided, however, whatever procedure is adopted, the advisors for the complainant and respondent are allowed to effectively question the party or witness.
(5) Cross examination must be conducted directly, orally, and in real time by the party’s advisor and never by a party personally.

i. If a party does not have an advisor at the hearing to conduct cross-examination, the university will provide someone, without fee or charge, who may or may not be an attorney, to conduct cross-examination.

ii. Before a party or witness answers a cross-examination or other question, the hearing examiner or committee must first determine whether a question is relevant or not and explain any decision to exclude those questions as not relevant.

iii. The hearing examiner or committee cannot draw an inference regarding responsibility based solely on a party’s or a witness’s absence from the hearing or refusal to answer cross-examination questions.

iv. At hearings involving Title IX misconduct, if a party or a witness does not submit to cross-examination at the hearing, then the hearing examiner or committee must not rely on any statement of that party or witness made prior to or during the hearing in reaching a determination regarding responsibility.

(6) If a party fails to appear at a scheduled hearing and to proceed, the hearing examiner or committee may issue a decision based upon the information provided except as described in sub (5)(iv).

(7) The hearing examiner or committee shall make a record of the hearing. The record shall include a verbatim record of the testimony, which may be a sound recording, and a file of all evidence presented at the hearing. The respondent and the complainant may access the record, except as may be precluded by applicable state or federal law.

(8) The hearing examiner or committee shall prepare written findings of fact and a written statement of its decision based upon the record of the hearing, using the preponderance of the evidence standard. The written report will include:

(a) Identification of the allegations potentially constituting sexual misconduct

(b) A description of the procedural steps taken from the receipt of the initial complaint through the determination, including any notifications to the complainant and respondent, interviews with the complainant and respondent and witnesses, site visits, methods used to gather other evidence, and hearings held.

(c) Findings of fact supporting the determination.

(d) Conclusions regarding the application of ch. UWS 17 to the facts.

(e) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility under s. UWS 17 and any Title IX misconduct, any disciplinary sanctions the university imposes on the respondent, and whether remedies designed to restore or preserve equal access to the university’s education program or activity will be provided by the university to the complainant.

(f) The hearing examiner or committee may impose one or more of the disciplinary sanctions listed in s. UWS 17.10 (1) (a) to (j).

(g) Procedures and permissible bases for the complainant and respondent to appeal.

(9) The decision of the hearing examiner or committee shall be prepared within 14 days of the hearing, and delivered simultaneously to the respondent and the complainant, excluding information that may be precluded by state or federal law. The decision regarding responsibility becomes final either on the date that the university provides the complainant and respondent with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.
Disciplinary hearings are subject to the Wisconsin open meetings law and may be closed if the respondent or complainant requests a closed hearing or if the hearing examiner or committee determines that it is necessary to hold a closed hearing, as permitted under the Wisconsin open meetings law. Deliberations of the committee shall be held in closed session, in accordance with s. 19.85, Stats. As such, proper notice and other applicable rules shall be followed.

**UWS 17.19 Appeal to the chancellor (Sexual Misconduct).**

1. The respondent or complainant may appeal in writing to the chief administrative officer within 14 days of the date of the written decision for a review, based on the record, of the following:

   a. A dismissal of Title IX misconduct.

   b. The written decision of the hearing examiner or committee.

2. The chief administrative officer has 30 days from receipt of an appeal to respond in writing simultaneously to both the complainant and respondent and shall sustain the decision unless the chief administrative officer finds any of the following:

   a. The information in the record does not support the findings or decision.

   b. A procedural irregularity affected the outcome of the matter

   c. The decision was based on factors proscribed by state or federal law.

   d. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome of the matter; and

   e. The Title IX Coordinator, investigator, hearing examiner, or a member of the hearing committee had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

3. If the chief administrative officer makes a finding under sub. (2), the chief administrative officer may return the matter for consideration, or may invoke an appropriate remedy of their own. The chief administrative officer's written decision describing the result of the appeal and the rationale for the result shall be communicated simultaneously to the respondent and complainant.

4. When an appeal is filed, the chief administrative officer will notify the other party in writing and give both the complainant and respondent a reasonable, equal opportunity to submit a written statement supporting or challenging the outcome.

**UWS 17.21 Settlement (Sexual Misconduct).**

The procedures set forth in this chapter allow the university, the respondent, and the complainant to voluntarily enter into a settlement agreement (or informal resolution) regarding the alleged misconduct, any time after the Notice of Investigation has been distributed to the complainant and respondent and prior to any final determination regarding responsibility. Any such agreement and its terms shall be in writing and signed by both the complainant and respondent and the Title IX Coordinator or designee. If there is no identified complainant or the complainant has declined participation in the disciplinary procedure, or when Title IX misconduct is involved and the complainant has withdrawn the formal complaint, the agreement and its terms may be signed by only the respondent and Title IX Coordinator or designee. The case is concluded when a copy of the signed agreement is delivered to the complainant and respondent. At any time prior to agreeing to a resolution, either party has the right to withdraw from the settlement process and resume the process under s. UWS 17.17 to17.20.
UWS 17.20 Discretionary appeal to the Board of Regents (Sexual Misconduct).
University decisions under ss. UWS 17.17 to 17.19 shall be final, except that the board of regents may, at its discretion, grant a review upon the record, upon written request submitted by any party within 14 days of the final university decision. If the board of regents grants a review upon the record, it will:

(1) Notify the other party in writing and give both the complainant and respondent a reasonable, equal opportunity to submit a written statement supporting or challenging the outcome.

(2) Issue a written decision describing the result of the appeal and the rationale for the result and provide the written decision simultaneously to both the complainant and respondent.

UWS 17.22 Effect of discipline within the institution.
A respondent who, at the time of commencement, is subject to a continuing disciplinary sanction under s. UWS 17.10 (1) or unresolved disciplinary charges as a result of a report under s. UWS 17.11 or UWS 17.17 shall not be awarded a degree during the pendency of the sanction or disciplinary proceeding.

UWS 17.23 Effect of suspension or expulsion within the university system.
(1) Suspension or expulsion shall be systemwide in effect and shall be noted on an individual's transcript, with suspension noted only for the duration of the suspension period.

(2) An individual who is suspended from one institution in the University of Wisconsin System may not enroll in another institution in the system until the suspension has expired by its own terms, except as provided in s. UWS 17.24.

(3) An individual who is expelled from one institution in the University of Wisconsin System may not enroll in another institution in the system, except as provided in s. UWS 17.24.

(4) An individual who is in a state of suspension or expulsion from the university under this chapter, or who leaves or withdraws from the university while under nonacademic misconduct charges under this chapter, may not be present on any campus without the written consent of the chief administrative officer of that campus.

(5) Upon completion of a suspension period, an individual who is academically eligible may re-enroll in the institution which suspended them, provided all conditions from previous disciplinary sanctions have been met.

UWS 17.24 Petition for restoration of rights after suspension or expulsion.
A respondent who has been suspended may petition to have their student status, rights, and privileges restored before the suspension has expired by its own terms under s. UWS 17.23 (2). A respondent who has been expelled may petition for the right to apply for readmission. The petition shall be in writing and directed to the chief administrative officer of the institution from which the respondent was suspended or expelled or is seeking admission (if applying to a different UW school). The chief administrative officer shall make the readmission decision. In cases of sexual misconduct, the readmission decision should be made in consultation with the Title IX Coordinator and the complainant should be notified of any change to the disciplinary outcome, and should be provided opportunity to respond regarding any review of responsibility findings.

UWS 17.25 Emergency suspension.

(1) The chief administrative officer may impose an emergency suspension on a respondent, pending final institutional action on a report of nonacademic misconduct, in accordance with the procedures of this section.
The chief administrative officer of each institution may impose an emergency suspension on a respondent when all of the following conditions are met:

(a) The investigating officer has made a reasonable attempt to offer the respondent the opportunity for discussion, either in person or by telephone.

(b) The investigating officer recommends a sanction of suspension or expulsion.

(c) The chief administrative officer concludes, based on the available information, that the misconduct occurred and that the respondent's continued presence on campus meets one or more of the following conditions:

1. Would constitute a potential for serious harm to the respondent.
2. Would constitute a potential for serious harm to others.
3. Would pose a threat of serious disruption of university-run or university-authorized activities.
4. Would constitute a potential for serious damage to university facilities or property.

(d) In cases of sexual misconduct as defined in s. UWS 17.16, the chief administrative officer has made reasonable attempts to consult with the complainant and offer protective measures.

If the chief administrative officer determines that an emergency suspension is warranted under sub. (2), the chief administrative officer shall promptly have written notification of the emergency suspension delivered to the respondent. In cases of sexual misconduct as defined in s. UWS 17.16, the written notification of the emergency suspension shall be delivered simultaneously to the complainant and the respondent. The chief administrative officer's decision to impose an emergency suspension shall be effective immediately when delivered to the respondent and is final.

Where an emergency suspension is imposed, the hearing on the underlying allegations of misconduct shall be held, either on or outside of university lands, within 21 days of the imposition of the emergency suspension, unless the respondent agrees to a later date.

An emergency suspension imposed in accordance with this section shall be in effect until the decision in the hearing on the underlying charges pursuant to s. UWS 17.12 or 17.18 is rendered or the chief administrative officer rescinds the emergency suspension. In no case shall an emergency suspension remain in effect for longer than 30 days, unless the respondent agrees to a longer period.

If the chief administrative officer determines that none of the conditions specified in sub. (2) are present, but that misconduct may have occurred, the case shall proceed in accordance with s. UWS 17.12 or UWS 17.18, as applicable.
