

# Information for Community Organizations

**UW Parkside is committed to fostering strong, reciprocal relationships with area community-based organizations. If you are interested in learning more about ways to partner with UW Parkside please read on!**

**Want to utilize UW-P students, faculty, administrators, and staff as volunteers within your organization? Here are some ways to tap into this amazing human capital:**

- Attend our **Involvement Fair** held at the beginning of each fall and spring semesters. We will provide each participating organization with table space, up to two chairs, and one campus parking permit per day. This event is free to non-profit and tax-exempt organizations.
- Propose a project for one of our **service days**. These service days are a great way to complete a project for your organization and introduce students to your organization and the ongoing opportunities you can offer.
- Post your opportunity on **RangerTrak**. This is an online system for students and alumni to search for employment, internship, work-study or volunteer opportunities.
